# CORPORATE PROFILE

SDAI Limited (the “**Company**” and together with its subsidiaries the “**Group**”) is a limited liability company, incorporated and domiciled in Singapore, and listed on the Catalist board of the SGX-ST. The address of its registered office is Level 39 Marina Bay Financial Centre, Tower 2, 10 Marina Boulevard, Singapore 018983.

The Company’s principal activity is investment holding. The Group started its venture into the biotechnology industry with the incorporation of Beijing Blue Code Biotechnology Co., Limited (北京蓝码生物科技有限公司) (“**BBCB**”) into the Group on 8 October 2024. The Company transferred the registration city of BBCB from Beijing to Hainan to achieve a more efficient tax structure on 12 December 2024, and was renamed Hainan Blue Code Biotechnology Co., Ltd. (海南蓝码生物科技有限公司).

On 11 August 2025, the Group entered into a strategic cooperation agreement with LiveBeyond Pte. Ltd. to jointly pursue research, development and application initiatives in the field of anti-aging.

On 21 December 2025, the Group launched the Bluecode Biotech B-III skincare series, an advanced line of plant stem cell skincare products. Developed by the Group’s in-house research team, the B-III Series integrates advanced bioengineering with next-generation plant stem cell technology to meet the increasing global demand for science-driven anti-aging and regenerative skincare.

On 12 January 2026, the Group signed a joint venture shareholders’ agreement with Hubei Qiai Group Co., Ltd. (“**Hubei Qiai**”) to incorporate a joint venture company in Singapore. This joint venture company aims to develop an international operations platform to expand the markets for moxibustion products across the ASEAN region. QCM Holdings Pte. Ltd. (“**QCMH**”) was incorporated in Singapore on 15 January 2026, with the Company holding a 55% stake and Hubei Qiai holding 45%.

In relation to the joint venture, the Group has set up the first moxibustion experience centre at #01-04, 5 Jurong West Avenue 5, Singapore 649485. The centre showcases QCMH’s mugwort products, allowing customers to purchase them and experience the benefits of QCMH moxibustion products.

The Group is presently focusing on the application of biotechnology to produce and provide anti-aging and healthcare-related products and services.

# CHAIRPERSON'S STATEMENT

## Dear shareholders of SDAI Limited ("Shareholders"),

On behalf of the board of directors ("Board") of SDAI Limited ("SDAI" or the "Company" and together with its subsidiaries, the "Group"), I am pleased to present our annual report for the financial year ended 31 December ("FY") 2025.

Our persistent efforts have resulted in the successful completion of Phase 2 of the special audit ("Phase 2") conducted by Deloitte & Touche Financial Advisory Services Pte. Ltd. ("Special Auditor"), as directed pursuant to the Notice of Compliance issued by the Singapore Exchange Regulation Pte. Ltd. on 19 August 2021. This milestone underscores the management of the Company's steadfast determination and ability to keep the Group on course since we assumed leadership of the Group from the previous Board on 26 June 2023.

The Board recognises the internal control weaknesses highlighted by the Special Auditor, and has engaged an independent professional to review these matters and has taken the necessary steps to strengthen internal controls for the benefit of the Group and the Shareholders. The Group remains committed to addressing past lapses in internal controls, ensuring compliance with regulatory requirements and maintaining its dedication to transparency and accountability to Shareholders.

The completion of Phase 2, along with the resolution of outstanding statutory and reporting requirements, marks an important milestone for the Group, representing a fresh start and demonstrating the Board's effective stewardship. These developments have not only streamlined the Group's fundraising process but also played a vital role in restoring investors' confidence and strengthening trust in the Group's future prospects. With this milestone achieved, we can finally leave past challenges behind.

The Group is now well-positioned to focus on charting a new growth path as we have successfully transformed the business into a biotechnology company specialising in anti-aging and healthcare. Following the completion of several business initiatives, signing strategic partnerships and ensuring compliance, the Group is now concentrating on three core areas: skin anti-aging, anti-aging supplements and solutions, and mugwort moxibustion health management.

With a new beginning, our focus is now clearly on driving business growth and seeking approval from the Singapore Exchange to resume trading of the Company's shares, as these developments are key considerations for the trading resumption proposal. Although we are still in the early stages of our business transformation and recognise that our efforts will take time to generate results, we are confident that we are on the right track to achieve sustainable growth.

## Successful Launch of its Proprietary Plant Stem Cells Skincare in Singapore and China

Following the fulfilment of our reporting obligations as of FY2024, the Group has shifted its full focus towards advancing its transformation journey. Gradually, we have begun to make significant progress along this path.

On 21 December 2025, the Group officially launched its proprietary skincare line, the Bluecode Biotech B-III skincare series (蓝码生物 B-III 系列) ("B-III Series"), in Singapore and China, marking a major milestone in SDAI's strategic move towards the rapidly growing anti-aging and biotechnology sectors. This launch underscores the Group's commitment to innovation and sustainable long-term growth. Under the B-III Series brand, the Group redefines skincare through a pioneering biotechnology approach that restores the skin's internal communication pathways and activates its natural self-repair ability (激发肌肤细胞自愈力). The series features three products: the Apple Fruit Cell Serum (苹果果实细胞精华液), Anti-Photoprotective Bio Facial Mist, and Adenium Obesum Cell Facial Mask (沙漠蔷薇叶细胞面膜), mainly distributed via major e-commerce platforms to maximise market reach and improve consumer accessibility. This digital-first retail strategy enables direct consumer engagement across key Asian markets while laying a strong foundation for regional expansion.

The biotechnology industry offers vast, promising growth opportunities. The Group's strategic entry into this sector aims to unlock its immense potential, diversify its revenue streams and strengthen its long-term growth prospects.

The Group remains committed to maximise Shareholders' value and aspires to establish itself as a leading player in biotechnology through breakthrough advancements in cellular rejuvenation.

## Expansion into Mugwort Business

The Group continues to actively explore new business opportunities to drive the Group's long-term growth. One area that has shown significant potential is the mugwort (艾草) industry, a traditional herb renowned for its soothing and aromatic properties. Mugwort is traditionally used for wellness and therapeutic purposes and it is valued for its role in supporting holistic health across home wellness, physiotherapy and rehabilitation applications.

In Southeast Asia, demand for natural and preventive wellness solutions is increasing, driven by the region's hot and humid climate. Despite this, the mugwort market remains fragmented, presenting substantial opportunities for an integrated and standardised business model. The global mugwort market is projected to reach US\$531.9 million in 2025, growing at a compound annual growth rate of 5.9%, and expanding to US\$798.7 million by 2032<sup>(1)</sup>. Therefore, the Group believes there remains considerable untapped potential for the adoption, innovation and commercialisation of mugwort-based products and services in the market.

# CHAIRPERSON'S STATEMENT

To support the Group's expansion into the Southeast Asian mugwort industry, the Group has established a joint venture, QCM Holdings Pte. Ltd., along with Hubei Qiai Group Co., Ltd. ("**Hubei Qiai**"). By combining over millennia of heritage with modern science and technology, the joint venture aims to position mugwort-based health solutions as a key part of the Group's regional health ecosystem strategy.

The Group is dedicated to redefining multidimensional health by offering modern, sustainable solutions for health and longevity. Instead of chasing short-term market trends, the Group prioritises integrative innovation, merging cutting-edge biotechnology with Eastern wellness practices.

The Group believes that the partnership between Hubei Qiai and SDAI will transform Southeast Asia's health landscape, turning millennium-old mugwort heritage into accessible, modern health solutions through standardised products, integrated services and a sustainable business model, so that its benefits can reach more families across Southeast Asia and beyond.

## Entry into Strategic Cooperation Agreement with LiveBeyond

The Group aims to accelerate its transformation within the biotechnology industry. To achieve this, it has entered into a strategic cooperation agreement with LiveBeyond Pte. Ltd. ("**LiveBeyond**") to jointly pursue research, development and application initiatives in the field of anti-aging. LiveBeyond specialises in offering a comprehensive range of services that connect individuals and organisations with cutting-edge longevity research and advanced medical solutions.

As part of this collaboration, both parties will establish a joint venture to conduct research and development related to anti-aging products and healthcare services. Building on this foundation, the Group and LiveBeyond plan to deepen their collaboration in key areas of anti-aging biotechnology, including stem cells, genetic engineering, exosomes and bio-based materials, focusing on medical treatments, healthcare and skincare.

LiveBeyond<sup>(1)</sup> is supported by leading experts, including Professor Brian Kennedy, who currently serves as a board member of LiveBeyond. He is a Distinguished Professor in the Departments of Biochemistry and Physiology, as well as the Director of the Healthy Longevity Translational Research Programme at the National University of Singapore and the Director of the Centre for Healthy Longevity at the National University Health System. He is internationally recognised for his contributions to the biology of aging and as a visionary committed to translating research discoveries into new methods to delay, detect, and prevent human

aging and related diseases. He leads pioneering longevity research programmes focused on extending human lifespan and health span.

Furthermore, LiveBeyond's team includes over ten internationally recognised longevity experts, each bringing decades of experience in the study of aging. This collaboration offers a valuable opportunity for the Group to exchange scientific knowledge and technical expertise, strengthening its foundation for long-term growth within the biotechnology sector.

## Appreciation

This year marks a significant milestone as we transition from overcoming past challenges to actively shaping a stronger and more prosperous future. Such progress would not have been possible without the unwavering support of all our stakeholders.

We wish to extend our heartfelt appreciation to our management team and employees for their relentless dedication in ensuring the smooth progression of our transformation. Our sincere gratitude also goes to the Board of Directors for their guidance; their invaluable insights and expertise continue to steer our growth and success.

I would also like to thank our business partners, associates, customers and suppliers for their steadfast trust and support, which have been instrumental in our journey. Most importantly, we are deeply grateful to our shareholders for their ongoing confidence and encouragement throughout this transformative period.

We are also pleased to welcome Ms Liu Ting, who has joined us as the Chief Executive Officer of the Group. With her wealth of expertise and experience, I am confident she will lead the Group to new heights of growth and development.

Looking ahead, the Group will continue to strengthen its three core business segments. Leveraging its established products and partnership resources, the Group will further enhance its technological R&D capabilities and market expansion efforts, delivering high-quality products and services.

As we embark on this new chapter with renewed focus and determination, we look forward to your ongoing trust and support as we strive to grow the business and create lasting value for all stakeholders.

# FINANCIAL REVIEW

## **Review of Consolidated Statement of Profit and Loss**

### **Revenue**

The Group recorded revenue of S\$0.44 million in FY2025, a decrease of 16.3% or S\$0.08 million from S\$0.52 million in the financial year ended 31 December 2024 (“FY2024”). The decrease was mainly due to the decline in the residential project and the distribution and retail segments of S\$0.05 million and S\$0.04 million, respectively. The decline in revenue was due to the Group’s Hong Kong subsidiary ceasing its residential project business segment and downsizing its distribution and retail segments.

### **Cost of sales**

The Group’s cost of sales decreased by 32.2%, or S\$0.09 million, to S\$0.20 million in FY2025 from S\$0.29 million in FY2024. The decrease was primarily attributed to a decline in purchases and sales due to the downsizing of the Hong Kong subsidiary’s business.

### **Gross profit**

The Group’s gross profit increased by 3.7%, or S\$0.01 million, to S\$0.24 million in FY2025 from S\$0.23 million in FY2024, as the decrease in cost of sales outpaced the decline in revenue.

### **Other income**

Other income decreased by S\$1.25 million, from S\$1.31 million in FY2024 to S\$0.06 million in FY2025, mainly due to the absence of the following items which were recognised in FY2024: (1) fair value gain on loan of S\$0.13 million; (2) gain on extinguishment of loans as a result of the extension of loans’ maturity date amounting to S\$0.91 million; (3) net foreign exchange gain of S\$0.15 million; and (4) deposit forfeited of S\$0.07 million.

### **Other operating expenses**

Other operating expenses increased by S\$0.15 million, from S\$0.12 million in FY2024 to S\$0.27 million in FY2025, mainly due to a foreign exchange loss of S\$0.26 million resulting from the weakening of the Singapore Dollar against the Hong Kong Dollar in FY2025.

### **Selling and distribution expenses**

Selling and distribution increased by S\$0.10 million in FY2025, compared with S\$Nil in FY2024, mainly due to marketing-related costs incurred for the B-III Series launched in the healthcare segment.

### **General and administrative expenses**

General and administrative expenses decreased by 17.0%, or S\$0.50 million, from S\$2.92 million in FY2024 to S\$2.42 million in FY2025. The decrease was mainly due to lower legal and professional fees of S\$0.65 million from the absence of progressive billing from professional parties upon the completion of the special audit, which was partially offset by an increase in depreciation of property, plant and equipment amounting to S\$0.07 million.

### **Finance costs**

Finance costs increased by approximately S\$0.58 million, to S\$0.69 million in FY2025 from S\$0.11 million in FY2024, mainly due to interest accretion on the convertible loans following the extension of its maturity date.

### **Loss before tax**

Due to the above, the Group recorded a loss before tax of S\$3.18 million in FY2025, which was 85.0% or S\$1.46 million, higher than the loss before tax of S\$1.72 million in FY2024.

## **Review of Statements of Financial Position**

### **Non-Current assets**

The Group’s non-current assets increased by S\$0.25 million, from S\$0.15 million as at 31 December 2024 to S\$0.40 million as at 31 December 2025, primarily due to the recognition of additional right-of-use assets of S\$0.39 million, mainly arising from new lease agreements for offices in China, offset by depreciation charged of S\$0.17 million for FY2025. In addition, an intangible asset of S\$0.01 million has been recognised for the capitalisation of payments to the Hong Kong authority for testing fees associated with a specific model of refrigerator sold by the Group’s Hong Kong subsidiary. These costs have been capitalised as intangible assets, as the Group’s Hong Kong subsidiary expects to derive recurring benefits from the sale of this model in the future.

### **Current assets**

The Group recorded current assets of S\$1.33 million as at 31 December 2025, an increase of S\$0.23 million from S\$1.10 million as at 31 December 2024, mainly due to an increase of inventory of S\$0.17 million from the healthcare segment and increase in trade and other receivable of S\$0.07 million, which included prepayments made by the Group’s Hong Kong subsidiary for inventory purchases.

### **Non-current liabilities**

The Group recorded non-current liabilities of S\$0.25 million as at 31 December 2025, a decrease of S\$6.80 million from S\$7.05 million as at 31 December 2024. The decrease was mainly due to the reclassification of borrowings to current liabilities, as the maturity dates fell within 12 months of the reporting date.

### **Current liabilities**

The Group recorded current liabilities of S\$11.83 million as at 31 December 2025, an increase of S\$10.19 million from S\$1.64 million as at 31 December 2024. The increase was mainly due to the reclassification of borrowings from non-current liabilities to current liabilities, as the maturity dates fall within 12 months of the reporting date, amounting to S\$9.66 million, an increase in other payables of S\$0.35 million due to the commencement of operation in China and an increase in lease liabilities by S\$0.24 million from the newly leased premise in China.

# FINANCIAL REVIEW

## Equity

The Group recorded a negative total equity of S\$10.34 million as at 31 December 2025, as compared to a negative total equity of S\$7.43 million as at 31 December 2024, mainly due to the recognition of losses of S\$2.91 million for FY2025.

## Working capital position

The Group reported a negative working capital position of approximately S\$10.50 million as at 31 December 2025, as compared to a negative working capital of approximately S\$0.53 million as at 31 December 2024.

The Group is in a negative working capital position as at 31 December 2025, which indicates that the Group may not be able to meet its short-term debt obligations when they become due. The Board acknowledges the uncertainties regarding the Group's ability to realise its assets and discharge its liabilities in the normal course of business. However, the Board remains confident that the Group will be able to meet its obligations as and when they fall due and that the preparation of these condensed interim consolidated financial statements on a going concern basis remains appropriate, taking into consideration that the Group's and the Company's ability to:-

- (a) successfully complete the corporate turnaround plans and restructuring;
- (b) generate sufficient sales revenue and operating cashflow from the healthcare segment;
- (c) obtain sufficient new loan financing; and/or
- (c) repay all the existing loans from lenders via debt conversion.

On 13 March 2026, the Company has entered into the following:

- the third side letter with Asian Accounts Receivable Exchange Pte. Ltd. ("AREX") to amend the expiry date of the S\$4.0 million redeemable loan dated 26 June 2023 provided by AREX to the Company from 30 June 2026 to 31 December 2027;
- the second side letter agreement with Mdm Hao Dongting, a director of the Company, in relation to the S\$4.0 million interest-free loan dated 27 March 2024 extended by Mdm Hao Dongting to the Company, to extend the expiry date to 31 December 2027;
- seven (7) side letter agreements to four (4) redeemable loan agreements dated 11 November 2024 and three (3) redeemable loan agreements dated 6 August 2025 entered into between the Company and various investor, in relation to redeemable loans of an aggregate principal sum of S\$1.4 million, to extend the expiry dates to 31 December 2027;

- a side letter agreement to the redeemable loan agreement dated 6 August 2025 entered into between the Company and an investor in relation to the redeemable loan of the principal sum of S\$600,000, to extend the expiry date to 31 March 2027; and
- six (6) separate redeemable loan agreements with six (6) separate investors on 13 March 2026, for an aggregate principal amount of S\$1.1 million, carrying an interest rate of 8 per cent per annum on the principal amount, with a maturity date of 31 December 2027.

## Review of Consolidated Statement of Cash Flows

The Group's operating cash outflows in FY2025, before adjustments for changes in working capital, were S\$2.12 million. The net cash used in operating activities was S\$2.03 million after taking into account the net changes to working capital, including a decrease in trade and other receivables of S\$0.07 million and inventories by S\$0.17 million, partially offset by the increase in trade and other payables of S\$0.29 million and contract liabilities of S\$0.04 million.

The net cash used in investing activities was S\$0.01 million in FY2025, which consists solely of the payment to the relevant Hong Kong authority for testing fees related to a specific model of refrigerator sold by the Group's Hong Kong subsidiary. These costs have been capitalised as intangible assets, as the Hong Kong of the Group expects to derive recurring benefits from the sale of this model in the future.

The net cash generated from financing activities was S\$2.06 million in FY2025, mainly consisting of the drawdown of loans from a Director of the Company and third party investors amounting to S\$2.10 million, advances from a Director amounting to S\$0.12 million, offset by the principal payment on lease liabilities of S\$0.14 million and interest paid of S\$0.02 million.

As a result of the above and the after-effects of foreign exchange rate changes on cash and cash equivalents, amounting to S\$0.02 million, the Group recorded cash and cash equivalents of S\$0.72 million as at 31 December 2025, representing a decrease of S\$0.01 million from S\$0.73 million as at 31 December 2024.

## BOARD STATEMENT

The board of directors ("**Board**") of SDAI Limited ("**SDAI**" or the "**Company**") and its subsidiaries (collectively the "**Group**") is pleased to present the annual sustainability report ("**SR2025**") for the financial year ended on 31 December 2025 ("**FY2025**" or "**Reporting Period**"). With this SR2025, we affirm the Company's commitment to sustainability while creating enduring shared value for our business and the stakeholders of the Group ("**Stakeholders**").

The Board is highly attuned to the escalating risks posed by climate change. We are dedicated to continuously improving our sustainability performance and integrating sustainability into our decision-making process. Through our sustainability initiatives, we aim to mitigate our environmental impacts, promote social equity and inclusion and uphold the highest standards of corporate governance through our business activities.

Having considered Economic, Environmental, Social, and Governance ("**EESG**") matters significant to the Group in its business and strategy and our economic performance (collectively referred to as "**Sustainability Factors**"), including, *inter alia*, human rights, the management of the Company ("**Management**") and the Board have determined material Sustainability Factors, overseen their management and monitoring, and incorporated their underlying implications into our strategic direction.

Throughout FY2025, the Board Risk Committee ("**BRC**") maintained a rigorous focus on overseeing the Group's risk landscape during a period of significant transformation. The BRC's primary activities centered on the following three key areas: (i) navigating the transition from legacy businesses to new growth areas in biotechnology and wellness products ("**New Business Ventures**"); (ii) ensuring robust financial and regulatory compliance, particularly in the aftermath of the Special Audit Report; and (iii) actively managing ongoing legacy issues, including the liquidation of KHL Marketing Asia-Pacific Pte. Ltd..

The BRC worked closely with Management to ensure that risks associated with New Business Ventures, fundraising activities, and regulatory requirements were proactively identified, assessed, and mitigated. The BRC reviewed the execution of strategic partnerships, monitored the Group's financial position and obtained assurance from the then CEO, Mr Yap Koon Loong and the current Acting Chief Financial Officer, Mr Ng Kheng Jen that corrective measures were implemented to address any control weaknesses identified during FY2025.

While the Group has made significant strides, the BRC recognises that the Group continues to face material risks, including the prolonged trading suspension on the Singapore Exchange Securities Trading Limited ("**SGX-ST**"). The BRC remains committed to fostering a healthy risk culture and will continue to work with the Board and Management to safeguard shareholders' interests and support the Group's strategic objectives.

Moving forward, we will continue to uphold our commitment to sustainability while delivering long-term value to Stakeholders and society.

## ABOUT THIS REPORT

This SR2025 details SDAI's sustainability performance and initiatives in FY2025, covering the EESG impact of our operations and activities and incorporating goals and targets that support our corporate values. In line with the Group's continued commitment to sustainability, we hope to share more in our subsequent reports, which will be published annually.

The Group's sustainability reporting process is subject to internal review by our internal auditors in accordance with the internal audit plan approved by the BRC. The Group has not obtained any external assurance for the information reported in this SR2025, but will continue to enhance its reporting processes and consider obtaining external assurance in the future.

# SUSTAINABILITY REPORT

## Reporting Scope

The sustainability performance presented in this SR2025 will cover the 12-month period from 1 January 2025 to 31 December 2025 and the preceding comparative financial year, that is, the 12-month period from 1 January 2024 to 31 December 2024 ("FY2024").

This SR2025 covers the following key operating entities within the Group based in Singapore, the People's Republic of China and Hong Kong, which include the following:

S/N	Entity	Country
1	SDAI Limited	Singapore
2	Hainan Blue Code Biotechnology Co., Ltd	People's Republic of China
3	Blue Code Medical Health (Hainan) Co., Ltd.	People's Republic of China
4	SDAI Healthcare Pte. Ltd.	Singapore
5	KHL (Hong Kong) Limited	Hong Kong
6	Kitchen Culture (Hong Kong) Limited	Hong Kong

Unless otherwise stated, the SR2025 does not include the Group's business activities beyond the key operating entities specified above, as other subsidiaries are dormant or inactive in nature.

## Feedback

As part of our ongoing efforts to substantiate our sustainability initiatives and improve our policies and performance, we welcome Stakeholders to provide feedback and suggestions on any aspect of this SR2025 using the contact us page on the Company's corporate website at the URL [www.sdai.com.sg](http://www.sdai.com.sg).

## Organisational Profile

The Group is organised into business units based on its products and services for management purposes. The reportable segments are residential projects, distribution and retail, healthcare and others:

Business Segment	Description
Healthcare	Produce and provide healthcare-related products and services in Biotechnology and anti-aging sectors.
Distribution and Retail	Involved in the selling and distributing of products, including installation of imported kitchen appliances through a network of authorised dealers and retailers.
Others	Investment holding, dormant and inactive companies.

Discontinued operations refer to the Company's deconsolidated subsidiaries' residential projects segment is involved in designing, assembling, installing, testing and inspecting various furniture and fittings, kitchen equipment and related products.

## FRAMEWORK, POLICY, PRACTICES AND PERFORMANCE

### Sustainability Governance Structure

Sustainability matters at the Group are governed and managed across various levels in the organisation. The Board advises and supervises the development of our sustainability strategy and has overall responsibility and oversight on sustainability matters. In FY2025, Mr Yap Koon Loong (“**Mr Yap**”), the Chief Executive Officer of the Company during the Reporting Period, was accountable for overseeing the implementation and communication of sustainability strategies, policies, and practices to the various functions responsible for implementing and monitoring sustainability practices on the ground. Subsequent to the Reporting Period, Mr Yap was subsequently redesignated as Executive Director with effect from 16 January 2026 and will continue to be responsible for the sustainability matters subsequent to the redesignation.

In FY2025, Mr Yap served as the management lead for sustainability matters, including climate-related risks and opportunities. He was supported by the Group’s finance team, which monitored and reported on sustainability performance, including energy consumption and GHG emissions.

The Board intended to establish a Sustainability Committee by FY2025. However, business activities remained limited in FY2025 because the business transformation into the biotechnology and anti-aging sectors was delayed due to funding issues. The Board will establish a Sustainability Committee to support the Board on specific sustainability matters, as outlined in its proposed terms of reference, by 31 December 2026.

In compliance with SGX-ST Rule 720(6), the Company confirms that all directors of the Board have undergone the requisite sustainability training as prescribed by the Exchange. The Nominating Committee has assessed the sustainability knowledge and training of all directors and is satisfied that each director has sufficient familiarity with sustainability matters relevant to the Group’s business and reporting obligations.

### Reporting Framework

This SR2025 has been prepared in accordance with Rules 711A and 711B as well as the Sustainability Reporting Guide of Practice Note 7F of the Listing Manual Section B: Rules of Catalist (“**Catalist Rules**”) of the SGX-ST and is prepared with reference to the Global Reporting Initiative (“**GRI**”) Standards. The Group has chosen to report in line with the GRI Standards, as they are among the most widely used and internationally recognised sustainability reporting standards, providing guiding principles for report content and quality. Additionally, we are guided by the TCFD’s recommendations in our climate-related disclosures.

# SUSTAINABILITY REPORT

## Stakeholder Engagement

At SDAI, we recognise the importance of engaging our stakeholders regularly to understand their expectations and concerns. Internal and external stakeholders are crucial to us as they can positively and meaningfully impact our business activities. We strive to deliver value for our stakeholders by putting their diverse needs at the centre of our offerings.

Our sustainability efforts focus on creating sustainable value for our key stakeholders. These include individuals or groups whose interests are affected or could be affected by the Group's operations. The Group's key stakeholders comprise shareholders and investors, employees, suppliers, customers, business partners, and government and regulators.

The following table summarises our key stakeholder groups and the methods and frequency of engagement:

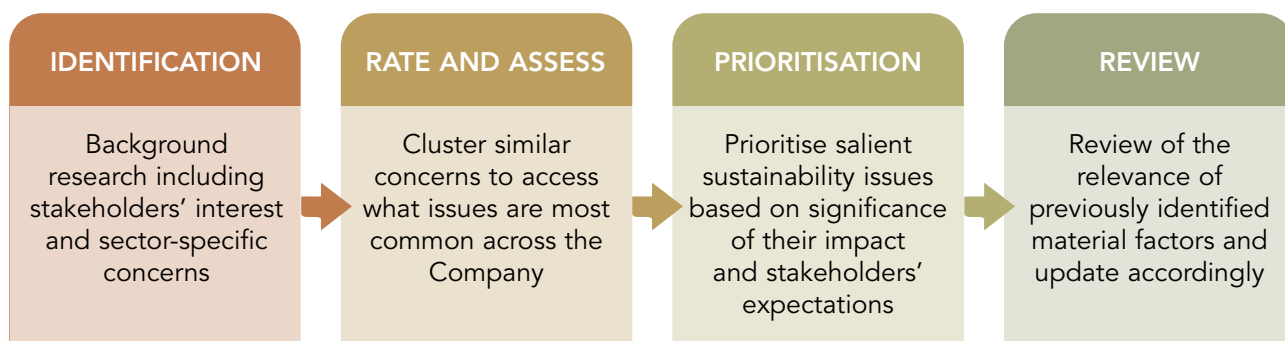

Key Stakeholder	Engagement Methods	Frequency
Shareholders and Investors	SGXNet announcements	Regular
	Press releases	Ad-hoc
	Annual reports	Annual
	Shareholders' general meetings	Annual & Ad-hoc
Employees	Internal briefings and memorandums	Regular
	Induction and orientation programmes	Ad-hoc
Suppliers	Quotations	Ad-hoc
	Periodic discussions	Ad-hoc
Customers	Emails and meetings	Ad-hoc
Business Partners	Frequent discussions and meetings	Ad-hoc
Government and Regulators	Electronic communications	Ad-hoc
	SGXNet announcements	Ad-hoc
	Discussions with government agencies and regulators	Ad-hoc

# SUSTAINABILITY REPORT

## Materiality Assessment

As the Group continues its sustainability journey, the Management, together with the Board, conducted a formal materiality assessment exercise. The materiality assessment was conducted according to the GRI guidelines, and a list of Sustainability Factors relevant to the Group's activities was identified, evaluated, and ranked according to the likelihood and significance of their impacts on the economy, environment, and people, including their human rights.

The Group adopts the following four-step process to define our material Sustainability Factors:

Following the assessment, five material Sustainability Factors were subsequently identified and are as follows:

S/N	Material Sustainability Factor
1	Corporate Governance
2	Economic Performance
3	Employment
4	Training and Education
5	Environment

# SUSTAINABILITY REPORT

## Impact Assessment of Material Sustainability Factors

Through an impact assessment of our material Sustainability Factors, we better understand the actual and potential positive and negative impacts associated with our sustainability initiatives. This allows us to develop comprehensive strategies to maximise positive outcomes while mitigating, minimising or ideally eliminating negative impacts, risks and challenges for the environment and relevant stakeholders.

For each material Sustainability Factor, we have identified the following potential positive and negative impacts of our operations on the economy, environment, and people:

Material Sustainability Factor	Positive impacts	Negative impacts
<b>Corporate Governance</b>	Transparency, integrity, and accountability in business activities strengthens corporate governance frameworks	Focused on short term profitability and neglecting long term goals may erode the interest of shareholders and stakeholders
<b>Economic Performance</b>	Economic success encourages efficient resource allocation, such as technological advancement and new job opportunities, improving productivity and competitiveness	A narrow focus on economic performance may neglect the interest of other stakeholders, such as customers, employees and communities, which may lead to dissatisfaction and distrust
	Sustainable economic growth increases investor confidence, potentially improve access to funding	-
<b>Employment</b>	Diversity and fair employment practices foster an inclusive environment where employees are valued for their skills, qualifications, and work ethic, promoting a culture of equality and opportunity	Unfair work practices may result in breaches of regulations, financial penalties and reputational losses
	Prioritising occupational health and safety and reducing workplace incidents improve employee morale and productivity	Failure to prioritise health and safety can result in workplace accidents, leading to injuries or even fatalities among employees
	Preventing workplace accidents and illnesses reduces the costs associated with medical expenses, workers' compensation and lost workdays	Failure to comply with health and safety regulations can result in regulatory sanctions, including fines and penalties, adversely affecting our bottom line and market position
<b>Training and Education</b>	Training programs equip employees with the necessary skills, knowledge and best practices to perform their roles effectively	Resources and investments are required to effectively assess and meet the requirements of training and education of employees
<b>Environment</b>	Reducing energy consumption and adopting energy-efficient practices in our operations lead to cost savings	High energy consumption and reliance on fossil fuels may exacerbate energy poverty and increase costs
	Reducing energy consumption and therefore greenhouse gas ("GHG") emissions can mitigate climate change	-

# SUSTAINABILITY REPORT

## CLIMATE CHANGE

As the world rallies to limit global temperature rise to below 2°C, as set out in the Paris Agreement, the Group recognises the need to curtail our carbon footprint. We are committed to the responsible usage of energy resources in our business activities to work towards developing strategies to build climate resilience.

This section details our approach to the disclosure recommendations of the TCFD framework under the following core elements: Governance, Strategy, Risk Management, and Metrics and Targets.

### Governance

The Board is responsible for the Group’s sustainability strategy, including evaluating and monitoring climate-related risks and opportunities. For further details, refer to the section “Sustainability Governance Structure” on page 14 of this annual report.

### Strategy

SDAI aims to integrate climate-related risks and opportunities into its strategy and operations to drive continued improvement and enhance its resilience to climate change. Our overarching climate strategy is to identify, assess, and mitigate the potential impacts of climate-related physical and transition risks on our business. We also seek to capitalise on climate-related opportunities with the global transition to a lower-carbon economy by 2030 and a net-zero standard by 2050.

During the Reporting Period, the Group expanded its operational footprint with the commencement of its healthcare segment operations in the People’s Republic of China in late FY2025 under Blue Code Medical Health (Hainan) Co., Ltd., a subsidiary of Hainan Blue Code Biotechnology Co., Ltd, which is a 100% owned subsidiary of a wholly foreign-owned enterprise of the Company. As a result, the Group’s reporting boundary for certain environmental indicators, including energy consumption and GHG emissions, has expanded marginally compared to the previous reporting period. The inclusion of this new subsidiary has increased the Group’s overall carbon footprint.

SDAI conducted a climate-change scenario analysis of potential climate-related risks and opportunities. This scenario analysis serves as a tool for understanding how climate-related risks and opportunities can affect the Group’s future operations. SDAI’s preliminary evaluation considers the following two scenarios based on the Intergovernmental Panel on Climate Change (“IPCC”):

1. A best-case scenario where the global average temperature increases by less than 2°C; and
2. A business-as-usual scenario with no mitigation, where temperatures increase more than 4°C by the end of the century.

The key characteristics of the selected scenarios are outlined below:

Scenario	Paris Agreement aligned scenario (below 2°C)	No mitigation scenario (4°C)
<b>Rationale</b>	We selected this scenario to assess the transition impacts in an economy shifting to a low carbon world. It reflects actions required to limit global warming to under 2°C.	We selected this scenario to assess our physical risk under a high-emission scenario, consistent with a future with limited policy changes to reduce emissions.
<b>Underlying model</b>	International Energy Agency’s Sustainable Development Scenario <sup>1</sup>	IPCC Representative Concentration Pathway 8.5 <sup>2</sup>
<b>Used to analyse</b>	Transition impacts	Physical impacts
<b>Assumptions</b>	Transition features: <ul style="list-style-type: none"> <li>• Carbon price introduced</li> <li>• Fossil fuel subsidies phased out by 2050 in net importers and by 2035 in net exporters</li> <li>• Increased generation from renewable energy</li> </ul>	Physical features: <ul style="list-style-type: none"> <li>• Global emissions continue to rise because of high carbon intensity</li> <li>• Global mean sea level rise of 0.63m by 2100</li> <li>• High frequency and intensity of heat waves and extreme precipitation events</li> </ul>

# SUSTAINABILITY REPORT

## Impact on Business Strategy and Financial Planning

In view of the office-based and non-manufacturing nature of the Group's operations, the direct financial impact of climate change on current business activities is assessed to be limited in the near term. The primary climate-related cost exposure relates to electricity consumption and the potential for increased energy costs arising from evolving carbon pricing policies and enhanced regulatory reporting requirements.

The Group's ongoing strategic transition into the healthcare and biotechnology sectors through the New Business Ventures — activities that are inherently lower in carbon intensity compared to industrial or manufacturing businesses — is broadly aligned with the global trend toward a lower-carbon economy. The Group will continue to monitor and assess the financial implications of climate-related risks and opportunities as its business evolves and will seek to incorporate these considerations into its strategic planning and financial forecasting processes.

## Strategy Resilience

Under both the below-2°C transition scenario and the 4°C physical risk scenario, the Group considers its current strategy to be resilient in the near to medium term, given the limited physical exposure of its office-based operations and the relatively low GHG emissions intensity of its business.

Under the below-2°C transition scenario, the Group may face increased compliance costs associated with more stringent sustainability reporting requirements and higher energy costs linked to carbon pricing. The Group plans to address these risks through progressive energy efficiency measures and the continued enhancement of its sustainability disclosure framework.

Under the 4°C physical risk scenario, the Group's operations across Singapore, the People's Republic of China and Hong Kong may be exposed to an increased frequency of extreme weather events and rising mean temperatures. The primary impacts would likely relate to employee well-being and potential business disruption. The Group's mitigation approach includes flexible working arrangements and robust business continuity protocols.

### Risk Management

Considering the two scenarios outlined, the Group has identified five climate-related risks and two opportunities. The use of scenario analysis allows the Group to proactively address factors that could impact its operations in the context of climate considerations. The Group manages identified climate-related risks through regular review by Management, with oversight from the Board and the BRC. Where climate-related risks are identified through scenario analysis or stakeholder engagement, Management develops and implements appropriate mitigation measures, which are monitored on an ongoing basis and reported to the Board.

Risk Type	Impact	Mitigating Measures
<b>Physical Risks - Acute</b>		
<b>Increased severity of extreme weather events such as frequent and severe flooding, heat-related illnesses during heatwaves</b>	Increased frequency and severity of extreme weather, such as extreme heat can lead to heat exhaustion, heatstroke, dehydration and exacerbate existing medical conditions.	Implement measures to protect employees from heat-related illnesses, such as providing adequate hydration and air-conditioning.
		Consider medical insurance products that cover heat-related illness for employees.
	Heat-related illnesses from prolonged heat exposure can negatively impact employees' health and well-being.	Allow telecommuting and flexible work arrangements in the event of extreme weather.

# SUSTAINABILITY REPORT

Risk Type	Impact	Mitigating Measures
<b>Physical Risks - Chronic</b>		
<b>Changes in precipitation patterns and extreme variability in weather patterns</b>	Extreme weather can halt operations, damage infrastructure and reduce productivity.	Advocate for policies that support climate resilience and adaptation.
	This may lead to increased cost of repairs, insurance and energy, along with potential revenue loss due to disrupted operations and supply chain.	Promote a culture of sustainability within the Group.
<b>Rising mean temperatures</b>	Increased reliance on carbon-intensive sources of energy can contribute to the rising global mean temperatures. Rising global mean temperatures may lead to a greater need for our products, i.e. refrigerator, to keep items at a constant controllable temperature which may consume more energy.	Actively explore eco-friendly products, such as refrigerator that uses natural refrigerants such as ammonia or propane.
		Constantly working with various vendors to source for the most energy efficient refrigerator.
		Continue to use LED lighting while tracking the energy usage of the Group.
		Introduce more energy efficient measures, such as reminders to switch off lights and appliances when not in use.
<b>Transition Risks – Policy and Legal</b>		
<b>Increased carbon pricing</b>	The Group expects that the policies and reporting requirements related to climate change will be more stringent. Stricter environmental laws and regulations (e.g. carbon tax) may expose the Group to higher risks of claims and lawsuits to increase the Group’s related capital investment and compliance costs.	Stay informed about carbon pricing regulations and compliance requirements.
		Choose sustainable products and materials with lower carbon footprint in our supply chain.
<b>Enhanced emissions-reporting obligations and increased compliance costs</b>	Organisations that fail to meet emissions reporting obligations may face reputational damage, affecting customer loyalty, investor confidence and overall market position.	Engage external consultants specialising in emissions reporting and compliance to manage complex requirements.
		Align reporting practices with established frameworks and standards (e.g. GRI) to streamline compliance.

# SUSTAINABILITY REPORT

## Business Opportunities

### Resource Efficiency/Energy Sources

- Use of more efficient modes of transport or logistics to improve work productivity
- Enhancing energy efficiency and water conservation in our office and operations can lead to operating expenditure reductions
- Use of recycling conserves resources and contributes to the circular economy
- Reducing water usage leads to cost efficiency and protection from future price volatility or water shortages
- Use of lower emission sources of energy reduces operational costs and improve energy efficiency
- Introduce high energy efficient and eco-friendly products to improve energy efficiency and reduce environmental impact

### Metrics and Targets

Pursuant to the GHG Protocol Corporate Accounting and Reporting Standard (operational control approach), the Group's GHG emissions for FY2025 are presented as follows:

- Scope 1 GHG emissions: Nil (FY2024: Nil). The Group does not generate direct GHG emissions from stationary or mobile combustion sources, as its operations are office-based and non-manufacturing in nature. Scope 1 emissions will continue to be monitored and will be disclosed should they become material.
- Scope 2 GHG emissions (location-based): 15.33 tCO<sub>2</sub>e (FY2024: 15.96 tCO<sub>2</sub>e). The Group's Scope 2 GHG emissions are derived entirely from purchased electricity consumption. The Scope 2 GHG emissions intensity for FY2025 is 1.39 tCO<sub>2</sub>e per employee (FY2024: 2.28 tCO<sub>2</sub>e per employee).

The Group does not currently disclose its Scope 3 GHG emissions. As the Group continues its sustainability journey, it intends to work towards enhanced disclosure of value chain emissions in future reporting periods.

For further details, please refer to the 'Environment — Energy Consumption' section on page 26 of this annual report.

## MATERIAL ESG FACTORS

### Corporate Governance

The Board is responsible for the Group's sustainability strategy, including evaluating and monitoring climate-related risks and opportunities. For further details, refer to the section "Sustainability Governance Structure" on page 14 of this annual report.

The Group recognises the importance of good corporate governance, accountability, and transparency and believes that conducting business responsibly and ethically is vital to the sustainability of the Group's business and safeguarding stakeholders' interests. The Group's corporate governance practices are outlined in this annual report, which outlines the Board's role in relation to key governance practices.

SDAI has established a whistleblowing policy, available on the Company's corporate website, to allow its employees and external parties to raise concerns in confidence about actual, suspected, or possible improprieties in financial reporting or other matters of which they become aware. Under this policy, all disclosures are handled confidentially, and the identity of the employee or any other person who made the report will be protected. During the Reporting Period, no reports were received through the whistleblowing channel.

In FY2025, the Company has complied with the regulatory requirements, including filing of annual returns with the Accounting and Corporate Regulatory Authority and tax returns with the Inland Revenue Authority of Singapore. The Board confirmed that the Company has complied with all principles outlined in the Code of Corporate Governance of Singapore ("Code") and has generally adhered to its provisions throughout FY2025.

For further details, please refer to the Corporate Governance Report on page 33 of this annual report for details on our corporate governance practices.

#### Target:

The Group will continue to adhere to the Principles of the Code and the regulatory requirements expected by Stakeholders.

Time Horizon	Target Set	Performance in FY2025
Perpetual Target	Maintain good corporate governance, accountability, transparency and zero incidents of noncompliance with the relevant authorities.	Zero noncompliance incidents with the relevant authorities

### Economic Performance

The Group is committed to delivering long-term value to Stakeholders in a sustainable manner. The Group places a strong emphasis on consistent, growth-oriented financial performance and adopts a disciplined, prudent approach to financial management while upholding good corporate governance.

The Group began its transformation into a biotechnology company offering products and services in the anti-aging and longevity healthcare industries in FY2025 and successfully launched the Bluecode Biotech B-III Skincare series on 21 December 2025.

Based on the audited consolidated financial statements of the Group for FY2025, the Group recorded revenue of S\$0.44 million for FY2025, a decrease of 16.3% or S\$0.08 million from S\$0.52 million in FY2024. The decrease was mainly due to the decline in the residential project and the distribution and retail segments of S\$0.05 million and S\$0.04 million, respectively. The decline in revenue was due to the Group's Hong Kong subsidiary ceasing its residential project business segment and downsizing its distribution and retail segments.

# SUSTAINABILITY REPORT

The Group recorded a negative total equity of S\$10.34 million as at 31 December 2025, as compared to a negative total equity of S\$7.43 million as at 31 December 2024, mainly due to a loss of S\$2.91 million for FY2025. Please refer to the Financial Review in this annual report for further details of the Group's financial performance.

## Target:

The Group maintains its kitchen business in Hong Kong, solely distributing kitchen appliances. The Group will continue to focus on the application of biotechnology to products and provide anti-aging and healthcare-related products and services. The Group strives to enhance its economic performance, subject to market conditions. It is determined to strengthen its fundamentals and establish enduring partnerships to ensure sustainability.

## Employment

The Group believes that a conducive and collaborative work environment is crucial for sustainable growth. We aim to foster fairness and respect among our employees, with zero discrimination, and to empower their growth and development regardless of gender, age, or background.

Enduring efforts are made to build a successful team with the right mix of professional skills and to create a conducive work environment that motivates employees, fostering a highly productive team to achieve long-term success.

### Employee diversity statistics

As at 31 December 2025, SDAI employs a total of 11 employees (as at 31 December 2024: 7). The breakdown of employees as at 31 December 2024 and 31 December 2025 is as follows:

## Employee Health and Safety

The health and safety of employees has been of great importance to the Group. We are committed to providing a safe workplace that allows our employees to develop and perform safely.

During the Reporting Period, we recorded zero (FY2024: zero) workplace fatalities, zero (FY2024: zero) high-consequence work-related injuries, zero (FY2024: zero) recordable work-related and zero (FY2024: zero) work-related ill-health cases. We will continuously strive for zero workplace accidents.

### Target:

The Group is committed to zero workplace discrimination, work-related injuries and ill-health cases for the financial year ending 31 December 2026. The Group is also committed to providing equal opportunities for existing and new employees to maintain a diverse and robust workforce.

Time Horizon	Target Set	Performance in FY2025
Perpetual Target	Maintain zero incidents of noncompliance with regulatory standards related to the health and safety of employees, customers and workplace.  Maintain zero incidents related to work-related injuries, fatalities or ill-health.	Maintain zero incidents related to work-related injuries, fatalities or ill-health.  Maintain zero incidents related to work-related injuries, fatalities or ill-health.

## Training and Education

The Group is committed to training and reskilling staff to meet new challenges, leveraging on training grants, and providing employees with on-the-job training through close supervision of employees by their immediate managers and management team.

In FY2025, the Group did not conduct any formal training programmes for employees (FY2024: 7 hours of training). This was mainly due to the Group's ongoing focus on organisational stabilisation, including ongoing corporate restructuring initiatives, operational adjustments and the completion of the Special Audit. As the Group continues to streamline its operations and strengthen its organisational structure, management plans to progressively enhance employee training and development programmes where appropriate.

### Target:

The Group aims to provide structured training programs for employees and regular employee engagement to address employee concerns.

Time Horizon	Target Set	Performance in FY2025
Short-term target (1-5 years)	Offer internal and external training that is essential and beneficial to the development and career progression of our employees at all levels.  Increase the average training hours by 5% from FY2024 baseline	No formal training programmes were conducted in FY2025, primarily due to the Group's focus on organisational stabilisation, including ongoing corporate restructuring initiatives and the completion of the Special Audit. The Group plans to progressively restore and enhance employee training and development programmes in FY2026 as operations stabilise.
Medium-to Long-term Target (more than 5 years)	Continuous provision of internal and external training courses and programmes.  Continuously and steadily increase the average training man-hours

## Environment

SDAI is conscious of the need to protect the environment. The Group strives to find resource and energy-efficient solutions that help the Group, its business partners, and its customers reduce our climate and environmental impact.

During the Reporting Period under review, the Group's business primarily comprised distributing of kitchen appliances including supply and installation of imported kitchen systems and appliances. As the Group does not operate manufacturing facilities, the direct environmental impact arising from energy and water consumption and waste generation from these activities remains limited. During the year, the Group also commenced operations in the People's Republic of China through its healthcare segment, which focuses on biotechnology-related consulting, research and development, and the sales of healthcare and wellness products, including through e-commerce platforms. As these activities are mainly office-based and non-manufacturing in nature, the associated environmental impact remains relatively limited.

### Energy Consumption

In our commitment to sustainability, we recognise that managing energy consumption and reducing GHG emissions are critical to mitigating climate change and minimising our environmental impacts. We continue to disclose our energy consumption and GHG emissions. GHG emissions are accounted for based on the GHG Protocol, using the operational control approach.

Our operations primarily generate GHG emissions through the utilisation of purchased electricity in our office, which attributes to Scope 2 GHG emissions. The Group does not generate Scope 1 emissions due to the nature of our business which does not involve the generation of emissions from source. Hence, Scope 1 emissions are not included in our disclosures. We continuously monitor our emissions and will disclose Scope 1 emissions if they become material. The Company's environmental performance is as follows:

	FY2024	FY2025
<b>Electricity Consumption</b>		
Electricity Consumed (MWh)	36.20	35.38
Energy Consumption Intensity (MWh/employee)	3.62	3.22
<b>GHG Emissions</b>		
Total GHG Emissions (tCO <sub>2</sub> e)	15.96	15.33
GHG Emissions Intensity (tCO <sub>2</sub> e/employee)	2.28	1.39

We aim to reduce our environmental footprint by raising awareness among our employees. Our management has instilled a sense of environmental stewardship throughout our business practices. We continuously strive to improve our electricity use and efficiency through the following initiatives:

- Monitoring and reviewing our electricity consumption to ensure corrective actions can be taken when unusual consumption patterns are observed;
- Ensuring lights, computers, and other electrical appliances are switched off when not in use; and
- Conducting regular maintenance of equipment to maximise energy efficiency.

# SUSTAINABILITY REPORT

## Target

Monitor energy usage on our office premises and also promote more energy-saving habits and initiatives.

Time Horizon	Target Set	Performance in FY2025
Short-term target (1-5 years)	<p>Monitor energy usage on our office premises in Singapore, People's Republic of China and Hong Kong.</p> <p>Promote more energy saving habits and initiatives.</p> <p>Assess energy usage in the operations and identify areas of improvement.</p>	<p>We monitor our energy usage on our office in Singapore, People's Republic of China and Hong Kong.</p> <p>We encourage employees to adopt energy-saving habits and incorporate energy-efficient initiatives in our operations.</p> <p>We regularly monitor and review our electricity consumption.</p>
Medium-to Long-term Target (more than 5 years)	<p>We monitor our energy usage on our office premises across Singapore, People's Republic of China and Hong Kong.</p> <p>Include disclosure of quantitative metrics and targets.</p> <p>Reduce energy consumption to achieve overall net-zero GHG emissions target.</p>	

## Water

Water is a scarce resource, and we recognise that businesses play an important role in ensuring the sustainability of water resources. Therefore, we strive to minimise water consumption and improve water usage efficiency. Our water usage data is closely tracked, monitored and reported.

	FY2024	FY2025
Water Consumption (m <sup>3</sup> )	17,100	18,960
Water Consumption Intensity (m <sup>3</sup> /m <sup>2</sup> of gross floor area)	68.48	75.93

	FY2024	FY2025
Water Consumption (m <sup>3</sup> per employee)	3,420	1,724

We will continue monitoring our water usage to ensure efficiency.

## Target

The Group will continue to monitor and manage water usage across its operations and endeavour to maintain or reduce consumption levels and intensity over time, where practicable.

Time Horizon	Target Set	Performance in FY2025
Short-term target (1-5 years)	To implement water recording mechanism for the purpose of water consumption.	We monitor our water consumption on our office premises.
Medium-to Long-term Target (more than 5 years)	Reduce water usage levels and intensities by 20%.	

# SUSTAINABILITY REPORT

## Waste Management

SDAI recognises that efficient waste management is important and allows us to operate sustainably. We are committed to minimising waste in our operations. One of our strategies to safeguard the environment is to reduce and reuse paper usage by printing on both sides of the pages. In FY2025, waste generated from the Group's office operations across Singapore, the People's Republic of China and Hong Kong is minimal and of a general, non-hazardous nature arising from day-to-day office activities. The Group does not generate industrial or manufacturing waste. Formal waste tracking mechanisms are not yet in place across all operating locations. The Group will work towards establishing waste monitoring processes across all entities in subsequent reporting periods.

### **Target:**

The Group is committed to further reducing waste from its operations.

# **CORPORATE GOVERNANCE REPORT**

# CORPORATE GOVERNANCE REPORT

The board of directors (the “**Board**” or “**Directors**”) of SDAI Limited (the “**Company**”) is committed to maintaining a high standard of corporate governance within the Company and its subsidiaries (the “**Group**”) to safeguard the interests of the Company’s shareholders (“**Shareholders**”) and to enhance corporate value and accountability.

The Company has put in place various personnel, policies and practices to safeguard the interests of Shareholders and enhance long-term Shareholder value as part of its efforts to maintain high standards of corporate governance. The Company believes that the Singapore Code of Corporate Governance 2018 (the “**Code**”) serves as a practical guide in defining the duties and responsibilities of the Board. This corporate governance report (the “**Report**”) outlines the main corporate governance practices and procedures adopted by the Group for the financial year ended 31 December 2025 (“**FY2025**”) with reference made to each of the principles and provisions of the Code.

The Company has complied, in all material aspects, with the provisions of the Code for the whole of FY2025 and where the Company has not complied with any guideline, the reasons for such noncompliance have been provided below.

The Company will also continue to enhance its corporate governance practices appropriate to the conduct and growth of its business and to review such practices from time to time to ensure compliance with the requirements of the Listing Manual Section B: Rules of Catalist (the “**Catalist Rules**”) of the Singapore Exchange Securities Trading Limited (the “**SGX-ST**”).

## BOARD MATTERS

### The Board’s Conduct of Affairs

Principle 1: The company is headed by an effective Board which is collectively responsible and works with Management for the long-term success of the company.

**Provision 1.1** **Directors are fiduciaries who act objectively in the best interests of the company and hold Management accountable for performance. The Board puts in place a code of conduct and ethics, sets appropriate tone-from-the-top and desired organisational culture, and ensures proper accountability within the company. Directors facing conflicts of interest recuse themselves from discussions and decisions involving the issues of conflict.**

The Board is entrusted with the responsibility for the overall management of the business and corporate affairs of the Group and to protect and enhance long-term Shareholders’ value.

Besides carrying out its statutory responsibilities, the Board’s role is to:

- provide entrepreneurial leadership, set strategic objectives, and ensure that the necessary financial and human resources are in place for the Company to meet its objectives;
- establish a framework of prudent and effective controls which enables risks to be assessed and managed, including safeguarding of shareholders’ interests and Company’s assets;
- review the performance of the management of the Company (“**Management**”);
- identify the key stakeholder groups and recognise that their perceptions affect the Company’s reputation;
- set the Company’s values and standards (including ethical standards), and ensure that obligations to Shareholder and other stakeholders are understood and met; and
- consider sustainability issues as part of its strategic formulation.

Every Director, in the course of carrying out his/her duties, acts in good faith and considers at all times the interests of the Group.

# CORPORATE GOVERNANCE REPORT

As at 31 December 2025, the Board notes that the Company has in place an employee handbook of the Company ("**Employee Handbook**"). All employees of the Group are to uphold the principles set out in the Employee Handbook and conduct themselves with high standards of integrity that are in compliance with laws and regulations of the jurisdictions in which it operates.

Any Director facing an actual, potential or perceived conflict of interest in relation to any matter will declare such interest and will recuse himself/herself from participating in discussions and abstain from making any decisions or voting on resolutions regarding the matter.

**Provision 1.2 Directors understand the company's business as well as their directorship duties (including their roles as executive, non-executive and independent directors). Directors are provided with opportunities to develop and maintain their skills and knowledge at the company's expense. The induction, training and development provided to new and existing directors are disclosed in the company's annual report for FY2025.**

In accordance with Rule 406(3)(a) of the Catalist Rules, the Nominating Committee ("**NC**") will ensure that any new Director appointed by the Board, who has no prior experience as a director of an issuer listed on the SGX-ST, undergoes mandatory training in the roles and responsibilities of a director as prescribed by the SGX-ST.

In addition to the mandatory training (if applicable), when a new Director is to be appointed, he/she will receive appropriate orientation to familiarise himself/herself with the business and organisation structure of the Group. To get a better understanding of the Group's business, the newly appointed Director will also be given the opportunity to visit the Group's operational facilities and meet with the Management. Newly appointed Directors will also be provided with a formal letter setting out their duties and obligations.

When necessary, the existing Directors are provided with updates on changes to the relevant new rules and regulations to enable them to make well-informed decisions and to ensure that the Directors are competent in carrying out their expected roles and responsibilities. As part of training for the Board, the Directors are briefed either during Board and Board Committee meetings or at specially convened sessions on changes to regulations and accounting standards, as well as industry-related matters. The Directors are also encouraged to keep themselves updated on changes to the financial, legal and regulatory requirements or framework and the business environment through reading relevant literature, and may attend appropriate courses, conferences and seminars conducted by bodies such as the SGX-ST and Singapore Institute of Directors, at the Company's expense. The external auditors had briefed the AC on changes or amendments to accounting standards in FY2025.

**Provision 1.3 The Board decides on matters that require its approval and clearly communicates this to Management in writing. Matters requiring board approval are disclosed in the company's annual report for FY2025.**

Matters which specifically require the Board's decision or approval are those involving, but not limited to:

- corporate strategy and business plans;
- investment and divestment proposals;
- funding decisions of the Group;
- nominations of Directors for appointment or re-appointment to the Board and appointment of key personnel;
- announcement of half-year and full-year results, annual reports and audited financial statements;
- material acquisitions and disposal of assets;
- major corporate actions;
- declaration of dividends;
- all matters of strategic importance; and
- corporate governance matters including interested person transactions.

# CORPORATE GOVERNANCE REPORT

**Provision 1.4** Board committees, including Executive Committees (if any), are formed with clear written terms of reference setting out their compositions, authorities and duties, including reporting back to the Board. The names of the committee members, the terms of reference, any delegation of the Board's authority to make decisions, and a summary of each committee's activities, are disclosed in the company's annual report for FY2025.

The Audit Committee ("AC"), NC, Remuneration Committee ("RC") and Board Risk Committee ("BRC") (collectively, the "Board Committees") were established to assist the Board in the discharge of specific responsibilities. The Board Committees are chaired by Independent Directors and function within clearly defined terms of reference and operating procedures. The compositions, principal functions and roles of the Board Committees are described in subsequent sections of this Report.

While the Board Committees are delegated with certain responsibilities, the ultimate responsibility for the final decision lies with the entire Board.

**Provision 1.5** Directors attend and actively participate in Board and Board committee meetings. The number of such meetings and each individual director's attendances at such meetings are disclosed in the company's annual report for FY2025. Directors with multiple board representations ensure that sufficient time and attention are given to the affairs of each company.

The Board meets at least four (4) times a year. Besides the scheduled Board meetings, *ad hoc* meetings involving the Board and the Management are held as and when there is a need to review important matters such as major acquisitions and divestments and related funding requirements. The constitution of the Company ("Constitution") provides for meetings of Directors to be held by means of telephone conference or other methods of simultaneous communication by electronic or other means. The Board and Board Committees may also make decisions by way of circulating resolutions in writing.

During FY2025, the number of Board meetings, Board Committee meetings and general meetings held and attended by each member of the Board is as follows:

	Board	Board Committee				General Meeting	
		AC	NC	RC	BRC	Annual	Extraordinary
<b>Number of meetings held</b>	4	4	1	1	1	1	0
<b>Number of meetings attended</b>							
Mdm Hao Dongting	4	N.A.	N.A.	N.A.	N.A.	1	0
Mr Yap Koon Loong <sup>(1)</sup>	N.A.	N.A.	N.A.	N.A.	N.A.	N.A.	0

Mr Lam Kwong Fai	4	4	1	1	1	1	0
Mr Tan Meng Shern	4	4	1	1	1	1	0
Mr Cheung Wai Man Raymond	4	4	1	1	1	1	0

**Note:**

- (1) Mr Yap Koon Loong was only appointed as an Executive Director of the Company with effect from 16 January 2026.

The NC considers that multiple board representations held presently by the current Directors and/or their principal commitments do not impede their performance in carrying out their duties to the Company. As such, the Board does not propose to set the maximum number of listed company board representations which Directors may hold until such need arises.

# CORPORATE GOVERNANCE REPORT

**Provision 1.6 Management provides directors with complete, adequate and timely information prior to meetings and on an on-going basis to enable them to make informed decisions and discharge their duties and responsibilities.**

Directors are furnished regularly with information from the Management about the Group as well as the relevant background information relating to the business to be discussed at Board and Board Committee meetings. Board papers which contain sufficient information on the issues to be considered are prepared and circulated to the Directors in advance for each meeting to give the Directors sufficient time to review the matters to be discussed. In respect of budgets or internal forecasts, any material variance between the projections and the actual results would be disclosed to and explained to the Board. The Directors are entitled to request from the Management, and should be provided with, such additional information as needed to make informed decisions and the Management shall provide the same in a timely manner.

**Provision 1.7 Directors have separate and independent access to Management, the company secretary, and external advisers (where necessary) at the company's expense. The appointment and removal of the company secretary is a decision of the Board as a whole.**

The Directors are provided with the contact details of the Management and the Company Secretary to facilitate separate and independent access.

Together with the Management, the Company Secretary is responsible for ensuring that appropriate procedures are followed and the requirements of the Companies Act 1967 of Singapore (the "Companies Act") and the provisions in the Catalist Rules are complied with. The Company Secretary and/or her representatives will attend and prepare minutes for the Board and Board Committee meetings. The appointment and the removal of the Company Secretary is a matter for the approval of the Board as a whole.

Each Director has the right to seek independent legal and other professional advice, at the Company's expense, concerning any aspect of the Group's operations or undertakings in order to fulfil his/her duties and responsibilities as a Director.

## Board Composition and Guidance

Principle 2: The Board has an appropriate level of independence and diversity of thought and background in its composition to enable it to make decisions in the best interests of the company.

**Provision 2.1 An "independent" director is one who is independent in conduct, character and judgement, and has no relationship with the company, its related corporations, its substantial shareholders or its officers that could interfere, or be reasonably perceived to interfere, with the exercise of the director's independent business judgement in the best interests of the company.**

For FY2025, the Board comprised five (5) members, being one (1) Executive Chairperson, one (1) Non-Executive and Non-Independent Director, and three (3) Independent Directors, as follows:

Mdm Hao Dongting	Executive Chairperson
Mr James Beeland Rogers, Jr.	Non-Executive and Non-Independent Director
Mr Lam Kwong Fai	Lead Independent Director and Chairman of the AC
Mr Tan Meng Shern	Independent Director and Chairman of the NC
Mr Cheung Wai Man Raymond	Independent Director and Chairman of the RC and BRC

The independence of each Independent Director is reviewed annually and as and when circumstances require, by the NC, based on the guidelines set forth in the Code and the Catalist Rules to ensure that the Board consists of persons who collectively provide core competencies and independent business judgements and perspectives necessary to meet the Company's objectives.

# CORPORATE GOVERNANCE REPORT

In accordance with the Catalist Rules, a director will not be considered as independent if (i) he is employed by the issuer or any of its related corporations for the current or any of the past three (3) financial years; or (ii) he has an immediate family member who is employed or has been employed by the issuer or any of its related corporations for the past three (3) financial years, and whose remuneration is determined by the remuneration committee of the issuer; or (iii) he has been a director of the issuer for an aggregate period of more than nine (9) years (whether before or after listing). Such director may continue to be considered independent until the conclusion of the next annual general meeting of the issuer. With regards to points (i) and (ii), the current Independent Directors have confirmed that they and their respective associates do not have any employment relationship with the Company or any of its related corporations for the current or any of the past three (3) financial years, and they also do not have any relationship with the Company, its related corporations, its substantial shareholders or its officers that could interfere, or be reasonably perceived to interfere, with the exercise of the Directors' independent business judgement with a view to the best interests of the Company.

For FY2025, none of the Independent Directors had served on the Board for more than nine (9) years from the date of his initial appointment.

## **Provision 2.2 Independent directors make up a majority of the Board where the Chairman is not independent.**

The Company endeavours to maintain a strong and independent element on the Board. For FY2025, the Board comprised five (5) members, of whom one (1) is an Executive Chairperson, one (1) is a Non-Executive and Non-Independent Director, and three (3) are Independent Directors.

As the Chairperson is not considered independent pursuant to Rule 406(3)(d) of the Catalist Rules, the Independent Directors constituted a majority of the Board for FY2025, in line with Provision 2.2 of the Code.

The Board, through the NC, has examined its size and composition and is of the view that the present composition of the Board demonstrates independence and is appropriate for effective decision-making.

The Board has put in place a Lead Independent Director, who is available to Shareholders when they have concerns. The Board is of the view that the Independent Directors demonstrate a strong level of independence and judgement in discharging their duties and responsibilities as Independent Directors of the Company with the utmost commitment in upholding the interest of the non-controlling shareholders. They have expressed individual and independent viewpoints, debated issues, and objectively scrutinised and challenged the Management.

## **Provision 2.3 Non-executive directors make up a majority of the Board.**

Non-Executive Directors make up a majority of the Board for FY2025 which comprises five (5) members, of whom one (1) is an Executive Chairperson, one (1) is a Non-Executive and Non-Independent Director and three (3) are Independent Directors.

## **Provision 2.4 The Board and Board Committees are of an appropriate size, and comprise directors who as a group provide the appropriate balance and mix of skills, knowledge, experience, and other aspects of diversity such as gender and age, so as to avoid groupthink and foster constructive debate. The Board diversity policy and progress made towards implementing the Board diversity policy, including objectives, are disclosed in the company's annual report for FY2025.**

The Board, through the NC, has examined its size and is of the view that it is of an appropriate size for effective decision-making, taking into account the scope and nature of the operations of the Group. The NC is of the view that no individual or small group of individuals dominates the Board's decision-making process.

As of the date of this Report, the Board members have the appropriate core competencies and diversity of experience to enable them, in their collective wisdom, to contribute effectively to the Group. There is adequate relevant competence on the part of the Directors, who, as a group, carry specialist backgrounds in accounting, finance, business and management, as well as strategic planning. Details of the Directors' academic and professional qualifications are set out in the "Board of Directors" section of this annual report for FY2025.

# CORPORATE GOVERNANCE REPORT

With the introduction of Rule 710(A) of the Catalist Rules effective from 1 January 2022, the Board has since adopted a Board Diversity Policy which sets out the approach to achieve diversity of the Board. The Company recognises and embraces the benefits of having a diverse Board which helps bring in new ways of thinking, insights and different perspectives to the Board, which in turn results in productivity and an improved quality of Board deliberations.

Pursuant to the Board diversity policy of the Company ("**Board Diversity Policy**"), the NC reviews the composition of the Board on an annual basis to ensure that the Board has the appropriate mix of skills, competence, expertise, and experience, as well as gender and independence to enable the Management to benefit from a diverse perspective in reviewing the issues that are brought before the Board and to enable it to make decisions in the best interests of the Group. The diversity collectively represented on the Board should reflect the diverse nature of the business environment in which the Group operates. This assists the NC in identifying and nominating suitable candidates for appointment to the Board to complement the Company's corporate strategy and to ensure that there is an appropriate composition of members of the Board with suitably diverse backgrounds to meet the Company's operational and business requirements.

The NC would take into account various aspects as well as factors concerning Board diversity as set out in the Company's Board Diversity Policy, including but not limited to gender, age, cultural and educational background, ethnicity, professional qualifications and experience, skills, knowledge, industry and regional experience. All Board appointments will be based on meritocracy, and the NC would consider candidates against objective criteria, having due regard for the benefits of diversity and the needs of the Board. Details of the Board Diversity Policy have been made available to all Directors. The following table shows the Company's targets and the progress towards achieving these Board diversity targets:

# CORPORATE GOVERNANCE REPORT

The NC reviews the Board Diversity Policy periodically to assess its effectiveness in promoting a diverse board that includes an appropriate number of female directors and will recommend appropriate revisions to the Board for consideration and approval.

**Provision 2.5 Non-executive directors and/or independent directors, led by the independent Chairman or other independent director as appropriate, meet regularly without the presence of Management. The chairman of such meetings provides feedback to the Board and/or Chairman as appropriate.**

The Independent Directors participate actively in Board meetings and provide, amongst other things, strategic guidelines to the Company based on their professional knowledge and experience. They constructively challenge and help develop directions on strategy and review the performance of the Management in achieving agreed targets and objectives.

Where necessary, the Independent Directors, led by the Lead Independent Director, discuss or meet amongst themselves on the Group's affairs without the presence of the Executive Directors and the Management. The Lead Independent Director would provide feedback to the Executive Chairperson after such discussions or meetings, and continues to do so with the Executive Chairperson.

## Chairman and Chief Executive Officer

Principle 3: There is a clear division of responsibilities between the leadership of the Board and Management, and no one individual has unfettered powers of decision-making.

**Provision 3.1 The Chairman and the Chief Executive Officer ("CEO") are separate persons to ensure an appropriate balance of power, increased accountability, and greater capacity of the Board for independent decision making.**

**Provision 3.2 The Board establishes and sets out in writing the division of responsibilities between the Chairman and the CEO.**

The positions of Chairperson and CEO are separate and held by two separate persons to ensure an appropriate balance of power and authority and a clear division of responsibilities and accountability between the leadership of the Board and Management and that no one individual has unfettered powers of decision-making.

Mdm Hao Dongting has been the Executive Chairperson of the Company since 1 September 2023. The Executive Chairperson is responsible for leading the Board to ensure its effectiveness in all respects of its role, ensuring effective communication with shareholders of the Group, encouraging constructive relations within the Board and between the Board and the Management, and promoting high standards of corporate governance. With the assistance of the Company Secretary, the Executive Chairperson ensures Board meetings are held as required, sets the agenda for the Board meetings and ensures that all members of the Board receive timely and adequate information.

Prior to Mr Yap Koon Loong's appointment as an Executive Director with effect from 16 January 2026, Mr Yap Koon Loong served as the Company's CEO during FY2025, following his appointment to the role with effect from 25 May 2024. As CEO, Mr Yap Koon Loong was responsible for the strategic direction of the Group, corporate development and planning, investor relations, as well as the oversight of the finance function of the Group. Ms Liu Ting was appointed as CEO of the Group with effect from 16 January 2026. As CEO, Ms Liu Ting is responsible for the Group's strategic direction, corporate development, and planning as well as investor relations.

All major proposals and decisions on the matters listed under Provision 1.1 above are discussed and reviewed by the Board as a whole. As of the date of this Report, four (4) Board Committees have been established, each chaired by and comprised Independent Directors. These committees provide adequate safeguards in place to ensure adequate accountability and transparency and prevent an uneven concentration of power, authority and decision-making in a single individual.

# CORPORATE GOVERNANCE REPORT

**Provision 3.3** The Board has a lead independent director to provide leadership in situations where the Chairman is conflicted, and especially when the Chairman is not independent. The lead independent director is available to shareholders where they have concerns and for which contact through the normal channels of communication with the Chairman or Management are inappropriate or inadequate.

To promote a high standard of corporate governance, the Board appointed Mr Lam Kwong Fai as the Lead Independent Director, with effect from 10 July 2023. In accordance with the Code, Mr Lam Kwong Fai is available to shareholders of the Group when they have concerns where contact through the normal channels of the Executive Chairperson has failed to resolve or for which such contact is inappropriate.

The Independent Directors, led by the Lead Independent Director, discuss or meet amongst themselves without the presence of the Executive Chairperson where necessary. The Lead Independent Director will also provide feedback to the Executive Chairperson after such discussions or meetings.

## Board Membership

Principle 4: The Board has a formal and transparent process for the appointment and re-appointment of directors, taking into account the need for progressive renewal of the Board.

**Provision 4.1** The Board establishes a Nominating Committee to make recommendations to the Board on relevant matters relating to:

- (a) the review of succession plans for directors, in particular the appointment and/or replacement of the Chairman, the CEO and key management personnel;
- (b) the process and criteria for evaluation of the performance of the Board, its board committees and directors;
- (c) the review of training and professional development programmes for the Board and its directors; and
- (d) the appointment and re-appointment of directors (including alternate directors, if any).

The NC is guided by written terms of reference that describe the responsibilities of its members.

The principal functions of the NC are as follows:

- (a) to establish procedures for review and make recommendations to the Board on all board appointments and re-appointments;
- (b) in respect of re-nominations of Directors who are retiring by rotation for re-election by Shareholders, to have regard to the Director's contribution and performance (e.g. attendance, preparedness and participation) including, if applicable, as an Independent Director;
- (c) where a Director has multiple board representations and principal commitments, to decide whether the Director is able to and has been adequately carrying out his duties as a Director;
- (d) if necessary, to set up internal guidelines to address the competing time commitments that are faced when Directors hold multiple directorships and principal commitments;
- (e) to determine annually whether a Director is independent;
- (f) to regularly review the Board structure, size, composition and balance and make recommendations to the Board if necessary, to ensure that there is a strong and independent element on the Board;

# CORPORATE GOVERNANCE REPORT

- (g) to establish procedures for evaluation of the Board's, the Board Committees' and each Director's performance and on an annual basis, assess the effectiveness of the Board as a whole, and of each Board Committee separately, as well as the contribution by each individual Director to the effectiveness of the Board;
- (h) to decide how the Board's performance is to be evaluated and propose objective performance criteria, subject to the approval of the Board, which address how the Board has enhanced long-term Shareholders' value;
- (i) to identify gaps in the mix of skills, experience and other qualities required in an effective Board and nominate or recommend suitable candidate(s) to fill these gaps;
- (j) to ensure that all board appointees undergo an appropriate induction programme; and
- (k) to review the statements relating to the Company's policies on selection, nomination and evaluation of Board members in the annual report for every financial year.

**Provision 4.2** The NC comprises at least three directors, the majority of whom, including the NC Chairman, are independent. The lead independent director, if any, is a member of the NC.

During FY2025 and as of the date of this Report, the NC consisted of three (3) Independent Directors, namely:

Mr Tan Meng Shern	Chairman of NC and Independent Director
Mr Lam Kwong Fai	Member of NC and Lead Independent Director
Mr Cheung Wai Man Raymond	Member of NC and Independent Director

**Provision 4.3** The company discloses the process for the selection, appointment and re-appointment of directors to the Board, including the criteria used to identify and evaluate potential new directors and channels used in searching for appropriate candidates in the company's annual report for FY2025.

In the event that a vacancy on the Board arises, the NC may identify suitable candidates for appointment as new Directors through the business network of the Board. The NC will generally assess suitable candidates for appointment to the Board based on the requisite qualification, expertise and experience. If the NC decides that a candidate is suitable, the NC then recommends its choice to the Board. Meetings with such candidates may be arranged to facilitate open discussion and NC's assessment of the candidates.

The Constitution of the Company provides that at least one-third of the Directors shall retire from office by rotation at each annual general meeting of the Company ("AGM"), and all Directors shall retire from office at least once every three (3) years. A retiring Director is eligible for re-election by Shareholders at the AGM ("Re-Election"). The Constitution of the Company also provides that any new Director appointed by the Board shall hold office only until the next AGM and is eligible for Re-Election.

The NC assesses and recommends to the Board whether retiring Directors are suitable for Re-Election. The NC, in considering the Re-Election of a Director, evaluates such Director's contributions in terms of experience, business perspective and attendance at meetings of the Board and/or Board Committees and pro-activeness of participation member of the NC shall abstain from recommending his own Re-Election. The NC has recommended the Re-Election of Mdm Hao Dongting, Mr Tan Meng Shern and the newly appointed Director, namely Mr Yap Koon Loong at the forthcoming AGM. The Board has accepted the NC's recommendations. Mr Yap Koon Loong, who is retiring as a Director pursuant to Regulation 117 of the Company's Constitution, will not be seeking re-election and will retire as a Director at the conclusion of the AGM and will cease to be an Executive Director of the Company. Mr Tan Meng Shern, who is retiring as a Director pursuant to Regulation 107 of the Company's Constitution, will not be seeking re-election and will retire as a Director at the conclusion of the AGM of the Company. Mr Tan Meng Shern shall, upon his retirement as an Independent Director of the Company, cease to be the Chairman of the Nominating Committee, as well as a member of the Audit Committee, Remuneration Committee and the Board Risk Committee at the conclusion of the AGM.

Please refer to the "Information on Directors Seeking Re-Election" section in this Report for disclosures pursuant to Rule 720(5) of the Catalist Rules.

# CORPORATE GOVERNANCE REPORT

**Provision 4.4** The NC determines annually, and as and when circumstances require, if a director is independent, having regard to the circumstances set forth in Provision 2.1. Directors disclose their relationships with the company, its related corporations, its substantial shareholders or its officers, if any, which may affect their independence, to the Board. If the Board, having taken into account the views of the NC, determines that such directors are independent notwithstanding the existence of such relationships, the company discloses the relationships and its reasons in its annual report for FY2025.

The NC determines, on an annual basis, the independence of each Independent Director, taking into consideration the circumstances set forth in the Catalist Rules and the Code. The relevant factors are set out under Provision 2.1 of the Code above. The NC has assessed and affirmed that the current Independent Directors are independent (within the meaning of the Code and the Catalist Rules).

The current Independent Directors have confirmed that they and their respective associates do not have any relationship with the Company, its related corporations, its substantial shareholders or its officers that could interfere, or be reasonably perceived to interfere, with the exercise of the Directors' independent business judgement with a view to the best interests of the Company.

**Provision 4.5** The NC ensures that new directors are aware of their duties and obligations. The NC also decides if a director is able to and has been adequately carrying out his or her duties as a director of the company. The company discloses in its annual report for FY2025 the listed company directorships and principal commitments of each director, and where a director holds a significant number of such directorships and commitments, it provides the NC's and Board's reasoned assessment of the ability of the director to diligently discharge his or her duties.

In accordance with the Catalist Rules, the NC will ensure that newly-appointed Directors, who do not have prior experience as a director of an issuer listed on the SGX-ST, attend mandatory training in the roles and responsibilities of a director as prescribed by the SGX-ST.

All Directors declare their board representations as and when practicable. The NC has reviewed and is satisfied that all current Directors have devoted sufficient time and attention to the affairs of the Company to adequately perform their duties as Directors of the Company.

As at the date of this Report, the respective dates of initial appointments and re-elections of the current Directors as well as their respective directorships in other listed companies and other principal commitments are set out below:

Key information regarding the current Directors and information on shareholdings in the Company held by each current Director are set out in the "Board of Directors" and "Directors' Statement" sections of this Annual Report respectively.

The NC considers that multiple board representations held presently by the current Directors and/or their principal commitments do not impede their performance in carrying out their duties to the Company. As such, the Board does not propose to set the maximum number of listed company board representations which Directors may hold until such need arises.

There is no alternate Director on the Board.

## Board Performance

Principle 5: The Board undertakes a formal annual assessment of its effectiveness as a whole, and that of each of its board committees and individual directors.

**Provision 5.1** The NC recommends for the Board's approval the objective performance criteria and process for the evaluation of the effectiveness of the Board as a whole, and of each Board Committee separately, as well as the contribution by the Chairman and each individual director to the Board.

**Provision 5.2** The company discloses in its annual report for FY2025 how the assessments of the Board, its Board Committees and each director have been conducted, including the identity of any external facilitator and its connection, if any, with the company or any of its directors.

The NC decides how the Board's performance is to be evaluated and proposes objective performance criteria, subject to the Board's approval, which address how the Directors have, individually or collectively, enhanced long-term Shareholders' value and contributed to the overall performance of the Group. The Board has also implemented a process to be carried out by the NC for assessing the effectiveness of the Board as a whole and the Board Committees and for assessing the contribution of each Director to the effectiveness of the Board on an annual basis. The performances criteria do not change from year to year.

The evaluation of the Board's and each Board Committee's performance include factors such as Board composition and structure, conduct of meetings, corporate strategy and planning, risk management and internal control, measuring and monitoring performance, training and recruitment, compensation, financial reporting and communicating with Shareholders. The individual performance criteria for Directors include qualitative and quantitative factors such as the performance of principal functions and fiduciary duties, level of participation at meetings and attendance records.

# CORPORATE GOVERNANCE REPORT

Assessment checklists are disseminated to each Director for completion and the assessment results are collated and discussed at the NC meeting. The Executive Chairperson will, in consultation with the NC, act on the results of the performance evaluations and, where appropriate, propose new members be appointed to the Board or seek the resignation of Directors. Each member of the NC shall abstain from voting on any resolution in respect of the assessment of his performance or re-nomination as a Director.

No external facilitator had been engaged by the Company for assessing the effectiveness of the Board, its Board Committees and each Director in FY2025.

## REMUNERATION MATTERS

### Procedures for Developing Remuneration Policies

Principle 6: The Board has a formal and transparent procedure for developing policies on director and executive remuneration, and for fixing the remuneration packages of individual directors and key management personnel. No director is involved in deciding his or her own remuneration.

**Provision 6.1** The Board establishes a Remuneration Committee ("RC") to review and make recommendations to the Board on:

- (a) a framework of remuneration for the Board and key management personnel; and
- (b) the specific remuneration packages for each director as well as for the key management personnel.

The RC has written terms of reference that describe the responsibilities of its members.

The principal functions of the RC are as follows:

- take into account all relevant legal and regulatory requirements, including the principles and provisions of the Code, when determining the Company's remuneration policies. In doing so, it should also consider the Company's risk appetite and ensure that the policies are aligned to long-term goals;
- set the remuneration policy for directors, CEO and key management personnel of the Company ("**Key Management Personnel**"). The Board should recommend proposed Non-Executive Directors' fees for Shareholders' approval. The remuneration of Non-Executive Directors should be appropriate to the level of contribution, taking into account factors such as effort, time spent and responsibilities;
- review the ongoing appropriateness and relevance of the Company's remuneration policy;
- oversee any major changes in employee benefits or remuneration structures;
- review the design of all long-term and short-term incentive plans for approval by the Board and Shareholders;
- ensure that the contractual terms and any termination payments are fair to the individual and the Company. Poor performance should not be rewarded;
- set performance measures and determine targets for any performance-related pay schemes operated by the Company;
- oversee the talent management and succession planning matters for executives; and
- work and liaise, as necessary, with all other Board Committees on any other matters connected with remuneration.

# CORPORATE GOVERNANCE REPORT

**Provision 6.2** The RC comprises at least three directors. All members of the RC are non-executive directors, the majority of whom, including the RC Chairman, are independent.

During FY2025 and as of the date of this Report, the RC consisted of three (3) Independent Directors, namely:

Mr Cheung Wai Man Raymond	Chairman of RC and Independent Director
Mr Lam Kwong Fai	Member and Lead Independent Director
Mr Tan Meng Shern	Member and Independent Director

**Provision 6.3** The RC considers all aspects of remuneration, including termination terms, to ensure they are fair.

The RC reviews all aspects of remuneration, including but not limited to Directors' fees, salaries, allowances, bonuses, options, share-based incentives and awards, and benefits-in-kind.

The RC also reviews the Company's obligations arising from termination clauses and termination processes in relation to the contracts of service to ensure that such clauses and processes are fair and reasonable.

Each member of the RC will abstain from voting on any resolutions in respect of his own remuneration and the remuneration of employees related to him.

**Provision 6.4** The company discloses the engagement of any remuneration consultants and their independence in the company's annual report for FY2025.

The RC did not seek any external professional advice on remuneration of the Directors in FY2025. Where necessary, the RC will seek independent professional advice on remuneration matters at the expense of the Company, and shall ensure that any relationship between the appointed consultant and the Company or any of its Directors will not affect the independence and objectivity of the remuneration consultant.

## Level and Mix of Remuneration

Principle 7: The level and structure of remuneration of the Board and key management personnel are appropriate and proportionate to the sustained performance and value creation of the company, taking into account the strategic objectives of the company.

**Provision 7.1** A significant and appropriate proportion of executive directors' and key management personnel's remuneration is structured so as to link rewards to corporate and individual performance. Performance-related remuneration is aligned with the interests of shareholders and other stakeholders and promotes the long-term success of the company.

The Company has a remuneration policy for the Executive Directors, which comprises a fixed component and a variable component. The fixed and variable components are in the form of a base salary and a variable bonus respectively, which take into account the performance of the Group and the performance of the Executive Directors, as well as market rates. The performance-related elements of remuneration are designed to align the Executive Directors' interest with those of the Shareholders and link rewards to corporate and individual performance. In structuring the compensation framework, the Company also takes into account its risk policies, the need for the compensation to be symmetric with the risk outcomes and the time horizon of risks.

Since 1 September 2023 and as at the date of this Report, Mdm Hao Dongting is paid based on her service agreement with the Company in her capacity as the Executive Chairperson. Bonus will be paid at the Company's discretion. The service agreement may be terminated by either party upon giving not less than three (3) months' notice in writing or a sum equivalent to three (3) months' salary based on her last drawn monthly salary in lieu of the notice.

Since 16 January 2026 and as at the date of this Report, Mr Yap Koon Loong was paid based on his letter of employment with the Company in his capacity as an Executive Director. Bonus will be paid at the Company's discretion. The letter of appointment may be terminated by either party upon giving not less than three (3) month's notice in writing. Mr Yap Koon Loong will cease to be an Executive Director as at the conclusion of the forthcoming AGM and the Company and Mr Yap have mutually agreed to a shorter notice period for the termination of his employment.

# CORPORATE GOVERNANCE REPORT

**Provision 7.2** The remuneration of non-executive directors is appropriate to the level of contribution, taking into account factors such as effort, time spent, and responsibilities.

The Non-Executive Director and Independent Directors do not have service agreements with the Company. They are paid fixed Directors' fees, which are recommended by the RC and determined by the Board, appropriate to the level of their contributions, taking into account factors such as the effort and time spent and the responsibilities of each Director. The Directors' fees are subject to approval by shareholders at each AGM. The Non-Executive Director and Independent Directors do not receive any other remuneration from the Company.

**Provision 7.3** Remuneration is appropriate to attract, retain and motivate the directors to provide good stewardship of the company and key management personnel to successfully manage the company for the long term.

The Board ensures that remuneration policies and practices are sound in that they are able to attract, retain and motivate without being excessive, and thereby maximise Shareholders' value.

The Company does not currently have any employee share option scheme or long-term incentive scheme. The RC will consider recommending the implementation of such scheme for the Directors as well as Key Management Personnel as and when it considers appropriate.

The RC is of the view that it is currently not necessary for the Company to use contractual provisions to allow the Company to reclaim incentive components of remuneration from its executive directors in exceptional circumstances of misstatement of financial results, or of misconduct resulting in financial loss to the Company. The RC believes that there are alternative legal avenues to these specific contractual provisions that will enable the Company to recover financial losses arising from such exceptional events from the Key Management Personnel. The RC will review such contractual provisions as and when necessary.

## Disclosure on Remuneration

Principle 8: The company is transparent on its remuneration policies, level and mix of remuneration, the procedure for setting remuneration, and the relationships between remuneration, performance and value creation.

**Provision 8.1** The company discloses in its annual report for FY2025 the policy and criteria for setting remuneration, as well as names, amounts and breakdown of remuneration of:

- (a) each individual director and the CEO; and
- (b) at least the top five key management personnel (who are not directors or the CEO) in bands no wider than S\$250,000 and in aggregate the total remuneration paid to these key management personnel.

**Provision 8.3** The company discloses in its annual report for FY2025 all forms of remuneration and other payments and benefits, paid by the company and its subsidiaries to directors and key management personnel of the company. It also discloses details of employee share schemes.

The Company has a remuneration policy for the Executive Directors and Key Management Personnel, which comprises a fixed component and a variable component. The fixed and variable components are in the form of a base salary and a variable bonus respectively, which take into account the performance of the Group and the performance of the Executive Directors and Key Management Personnel, as well as market rates. The performance-related elements of remuneration are designed to align the Executive Directors' interests with those of the Shareholders and link rewards to corporate and individual performance. In structuring the compensation framework, the Company also takes into account its risk policies, the need for the compensation to be symmetric with the risk outcomes and the time horizon of risks.

There are no termination, retirement and post-employment benefits that may be granted to Directors, the CEO, and Key Management Personnel of the Group except in the case of termination due to medical reasons in which the relevant employee will be entitled to normal termination benefits and reasonable medical expenses. Currently, the Company has not implemented any employee share schemes.

# CORPORATE GOVERNANCE REPORT

In respect of the amounts and breakdown of the remuneration, in line with Provision 8.1 of the Code and Rule 1204(10D) of the Catalist Rules, the total remuneration, level and mix of each individual Director's and CEO's remuneration for FY2025 (in Singapore Dollar and percentage terms) are as follows:

Remuneration band and Name of Director/CEO	Remuneration	Fee	Salary	Bonus	Benefits	Total
	S\$	%	%	%	%	%
Mdm Hao Dongting	192,000	-	100	-	-	100
Mr James Beeland Rogers, Jr. <sup>(1)</sup>	60,000	100	-	-	-	100
Mr Lam Kwong Fai <sup>(1)</sup>	70,000	100	-	-	-	100
Mr Tan Meng Shern <sup>(1)</sup>	60,000	100	-	-	-	100
Mr Cheung Wai Man Raymond <sup>(1)</sup>	60,000	100	-	-	-	100
Mr Yap Koon Loong <sup>(2)</sup>	216,000	-	100	-	-	100
Ms Liu Ting <sup>(3)</sup>	-	-	-	-	-	-

**Notes:**

- (1) The remuneration for FY2025 includes director's fees for financial year ended 31 December 2024, as approved by Shareholders in the annual general meeting held on 22 April 2025.
- (2) Mr Yap Koon Loong stepped down as the CEO of the Group and appointed an Executive Director of the Company with effect from 16 January 2026. Remuneration for Mr Yap Koon Loong for FY2025 was in his capacity of CEO of the Group.
- (3) Ms Liu Ting was appointed as CEO of the Group with effect from 16 January 2026. No remuneration was paid to Ms Liu Ting in her capacity as CEO of the Group for FY2025.

A breakdown showing the remuneration amount and mix of each Key Management Personnel (who is not a Director or CEO of the Company) is as follows:

Remuneration band and Name of Key Management Personnel <sup>(1)</sup>	Salary	Bonus	Benefits	Total
	%	%	%	%
<b>Below \$250,000</b>				
Mr Ng Kheng Jen	100	-	-	100
Ms Liu Ting <sup>(1)</sup>	100	-	-	100

**Note:**

- (1) Ms Liu Ting was appointed as CEO of the wholly owned subsidiary in China on 15 August 2025 and redesignated as the CEO of the Group with effect from 16 January 2026.

The RC has reviewed and approved the remuneration packages of the Executive Chairperson and Key Management Personnel, having regard to their contributions as well as the financial performance and commercial needs of the Group and has ensured that the current Executive Chairperson and Key Management Personnel are adequately but not excessively remunerated. The RC also ensured that the current Independent Directors are also not overcompensated to the extent that their independence may be compromised.

The Company had two Key Management Personnel (excluding the Directors and the CEO of the Group) in FY2025. The total aggregate remuneration of the Key Management Personnel is not disclosed in this annual report as the Board is of the opinion that such disclosure would be prejudicial to the Company's business interests, given the highly competitive conditions in the industry and the fact that the management team consists of two Key Management Personnel at any material time (excluding the Directors and the CEO of the Group).

# CORPORATE GOVERNANCE REPORT

**Provision 8.2** The company discloses the names and remuneration of employees who are substantial shareholders of the company, or are immediate family members of a director, the CEO or a substantial shareholder of the company, and whose remuneration exceeds S\$100,000 during the year, in bands no wider than S\$100,000, in its annual report for FY2025. The disclosure states clearly the employee's relationship with the relevant director or the CEO or substantial shareholder.

There was no employee of the Group who is an immediate family member of the Directors, the Executive Chairperson and CEO or substantial shareholders of the Company, and whose remuneration exceeded S\$100,000 for FY2025.

## ACCOUNTABILITY AND AUDIT

### Risk Management and Internal Controls

Principle 9: The Board is responsible for the governance and risk and ensures that Management maintains a sound system of risk management and internal controls, to safeguard the interests of the company and its shareholders.

**Provision 9.1** The Board determines the nature and extent of the significant risks which the company is willing to take in achieving its strategic objectives and value creation. The Board sets up a Board Risk Committee to specifically address this, if appropriate.

The Board is responsible for the governance of risk management, and determining the Company's levels of risk tolerance and risk policies. The Board consults the independent auditor and internal auditor to determine the risk tolerance level and sets the corresponding risk policies which are implemented by the Management. The Board oversees the Management in implementing and monitoring the risk management and internal control systems.

The current BRC comprises Mr Cheung Wai Man Raymond (Chairman), Mr Tan Meng Shern and Mr Lam Kwong Fai. The Management regularly reviews and improves the Group's business and operational measures to control and mitigate such risks. The Management reviews significant control policies and procedures and highlights significant matters to the BRC.

The BRC has written terms of reference that describe the responsibilities of its members.

The principal functions of the BRC are as follows:

- review and recommend appropriate risk management strategies, policies and risk tolerances in line with the Group's business objectives for the Board's approval to safeguard shareholders' investments and the Company's assets;
- review and recommend new investment projects to the Board;
- discuss with the Management on improvements to risk management and controls;
- ensure the implementation of risk management and control measures through the scope and quality of Management's ongoing monitoring of risks and robustness of the risk management process;
- provide the Board with reasonable assurance that adverse effects on the Group arising from foreseeable uncertainties are mitigated and managed;
- ensure the ability of the Group to meet changes in significant risks and respond to constant changes to the business and/or external environment;
- ensure active process to identify, assess, manage and monitor principal risks to safeguard shareholder's investment and Group's asset and give timely input to both the Board and the Management;

# CORPORATE GOVERNANCE REPORT

- ensure that risk management and internal control systems are available to manage the risk and corrective measures undertaken to address failings and/or weaknesses;
- ensure the effectiveness of measures deployed by the Management to address those risks (i.e. accept, avoid, transfer or mitigate the risks);
- obtain the assurance from the Management that the risk management and internal control system is operating adequately and effectively in all material aspects;
- consider and evaluate other matters as judged appropriate by the BRC or as authorised by the Board;
- participate in the appointment, replacement or dismissal of the Chief Risk Officer (or equivalent);
- submit all findings and recommendations of the BRC to the Board for approval and notation; and
- promote healthy risk culture and observe dysfunctional trends that could undermine the performance of risk management process.

Pursuant to Notices of Compliance dated 19 August 2021, the Singapore Exchange Regulation Pte. Ltd ("**SGX RegCo**") directed the Company to appoint a suitable independent special auditor as recommended by the Sponsor and approved by the SGX RegCo. Accordingly, the Board has, as recommended by the Sponsor and approved by the SGX RegCo, appointed Deloitte & Touche Financial Advisory Services Pte. Ltd. as the Special Auditor in relation to the special audit ("**Special Audit**"). The Special Auditor reports only and directly to the SGX RegCo. Where warranted, the SGX RegCo may direct the Special Auditor to look further into material findings, if any, from the Special Audit.

On 21 July 2023, the Company announced that it has received the Executive Summary of Phase 1 of the Special Audit (the "**Independent Special Audit Report Phase 1**"), which covers the auditing findings of Payroll Matter and Unauthorised Transaction.

On 21 July 2023, SGX Regco issued a Regulatory Announcement in relation to the Independent Special Audit Report Phase 1. The announcement stated that SGX RegCo will review the findings of the Independent Special Audit Report Phase 1, and refer breaches to the authorities.

On 22 November 2023, the Company announced that it had received formal legal advice regarding the findings in the Independent Audit Report Phase 1 ("**Legal Recommendations P1**"). In the Legal Reaccommodation P1, the Company will write to BDO Advisory Pte Ltd., the liquidators of KHL Marketing Asia Pacific Pte. Ltd., to enquire about their actions on the Payroll matter, and a reprimand letter to MR Lincoln Teo Choong Han for his role in the lapses in corporate governance related to the Unauthorised Transaction.

On 29 August 2025, the Company announced that the Special Auditor had completed Phase 2 of the Special Audit and that the Company had received the full special audit report on its findings ("**Special Report**"), together with a copy of its executive summary ("**Executive Summary**"). The Executive Summary sets out a detailed background of the matters under review, as well as the Special Auditor's key findings and recommendations. Please refer to the Company's announcement dated 29 August 2025 for further details.

On 29 August 2025, SGX RegCo issued a Regulatory Announcement in relation to the Special Report ("**Regulatory Statement**") in conjunction with other compliance requirements pursuant to the Catalist Rules. The Regulatory Statement sets out, *inter alia*, specific directives from the SGX RegCo for the Company and its Board to rectify the internal control weaknesses highlighted by the Special Auditor and obtain independent assurance on the adequacy and effectiveness of its internal controls from Baker Tilly Consultancy (Singapore) Pte. Ltd. ("**Baker Tilly**"). In addition, SGX RegCo requires the Company to disclose material findings and remedial measures recommended by Baker Tilly and to provide the Board's and AC's comments on the adequacy and effectiveness of its internal controls and risk management systems.

# CORPORATE GOVERNANCE REPORT

SGX RegCo will investigate potential breaches of Catalist Rules and refer any violations of the law highlighted by the Special Auditor to the relevant authorities.

On 23 January 2026, the Company announced that it had received formal legal advice from Covenant Chambers LLC regarding the findings in the Special Report (“**Legal Recommendations**”) issued on 22 January 2026. Pursuant to the Legal Recommendations, the Company intends to take immediate remedial actions including, *inter alia*, the issuance of letters of demand to certain relevant parties to seek explanations to certain findings set out in the Special Report and, following which and where applicable, to recover of any potential improper gains and/or excessive fees that may have been paid. In addition, the Company intends to report the relevant matters to the appropriate authorities, including the Commercial Affairs Department and the Corrupt Practices Investigation Bureau for further investigations.

The Company has commissioned Baker Tilly to perform a follow-up of the Special Report issued by the Special Auditor. Please refer to the Special Report issued by the Special Auditor and announced by the Company via SGXNet on 29 August 2025 for the information on the observations, findings and recommendations by the Special Auditor. Baker Tilly has reported that many of the observations and recommendations highlighted in the Special Report are no longer applicable as the Company’s current businesses and operations are vastly different from those during the review period of the Special Audit, Baker Tilly has conducted tests on samples (where applicable) and found that controls in the following areas have been implemented:

- Loan Management
- Business Acquisition & Disposal
- Board Governance
- Fundraising & Use of Proceeds
- Whistleblowing
- HR & Payroll
- Procurement, Sales & Inventory

Observations that have not been fully implemented during the fieldwork included the lack of a clearly defined set of policies and procedures at the Group Level over loan drawdowns, management compensation and conflict of interests. These matters have all been rectified as of 4 March 2026.

The Company will make further announcement(s) to update Shareholders as and when appropriate in accordance with the Catalist Rules.

**Provision 9.2 The Board requires and discloses in the company’s annual report for FY2025 that it has received assurance from:**

- (a) **the CEO and the Chief Financial Officer (“CFO”) that the financial records have been properly maintained and the financial statements give a true and fair view of the company’s operations and finances; and**
- (b) **the CEO and other key management personnel who are responsible, regarding the adequacy and effectiveness of the company’s risk management and internal control systems.**

The Board has received assurances from the then CEO, Mr Yap Koon Loong and the current Acting Chief Financial Officer, Mr Ng Kheng Jen as at the date of this Report, on the integrity of the financial statements of the Group, that:

- (a) the financial records have been properly maintained and the financial statements for FY2025 give a true and fair view of the Group’s operations and finances; and
- (b) the Company has in place an adequate and effective system of risk management and internal controls in addressing the financial, operational, compliance and information technology risks of the Group.

The system of internal controls provides reasonable, but not absolute, assurance that the Company will not be adversely affected by any event that could be reasonably foreseen as it strives to achieve its business objectives. However, the Board also notes that no system of internal control and/or risk management could provide absolute assurance against the occurrence of material errors, poor judgement in decision-making, human error, losses, fraud or other irregularities.

# CORPORATE GOVERNANCE REPORT

## Opinion on adequacy and effectiveness of the Group's internal controls and risk management system

The Company has commissioned Baker Tilly to perform a review of relevant cycles for Hainan Blue Code Biotechnology Co., Ltd.. Baker Tilly has confirmed that there are no high-priority findings.

In compliance with Rule 1204(10) of the Catalist Rules, based on (1) the risk management and internal controls established and maintained by the Group, (2) the review on the internal controls by Baker Tilly, (3) the audit by the external auditors, and (4) the assurance from Management, the Board, with the concurrence of the AC and BRC, is of the opinion that the system of risk management and internal controls of the Group are adequate and effective in addressing the Group's internal controls (including financial, operational, compliance and information technology controls), and risk management systems for FY2025.

The Board and the AC note that all internal controls systems contain inherent limitations and no system of internal controls can provide absolute assurance against the occurrence of material errors, poor judgement in decision-making, human error, fraud or other irregularities.

## Audit and Risk Committee

Principle 10: The Board has an Audit Committee ("AC") which discharges its duties objectively.

### Provision 10.1 The duties of the AC include:

- (a) reviewing the significant financial reporting issues and judgements so as to ensure the integrity of the financial statements of the company and any announcements relating to the company's financial performance;
- (b) reviewing at least annually the adequacy and effectiveness of the company's internal controls and risk management systems;
- (c) reviewing the assurance from the CEO and the CFO on the financial records and financial statements;
- (d) making recommendations to the Board on: (i) the proposals to the shareholders on the appointment and removal of external auditors; and (ii) the remuneration and terms of engagement of the external auditors;
- (e) reviewing the adequacy, effectiveness, independence, scope and results of the external audit and the company's internal audit function; and
- (f) reviewing the policy and arrangements for concerns about possible improprieties in financial reporting or other matters to be safely raised, independently investigated and appropriately followed up on. The company publicly discloses, and clearly communicates to employees, the existence of a whistle-blowing policy and procedures for raising such concerns.

The AC has written terms of reference that describe the responsibilities of its members.

The AC shall meet periodically to perform, *inter alia*, the following functions:

- to review and recommend to the Board the appointment or re-appointment of the external auditors for the forthcoming year and their fees;
- to review, with the external auditors, the audit plan and their evaluation of the system of internal accounting controls and monitor management's response and actions to correct any noted deficiencies;
- to review the external auditors' reports;

# CORPORATE GOVERNANCE REPORT

- to review the assistance given by the Company's officers to the internal and external auditors;
- to approve the actual internal audit plan and recommend the appointment or-reappointment of the internal auditors and fees;
- to review, with the internal auditors, the scope and results of the internal audit and monitor management's response to their findings to ensure that appropriate follow-up measures are taken;
- to review and evaluate the adequacy, effectiveness, independence, scope and results of both the internal and external audit function and efforts through regular meetings;
- to determine whether any unwarranted management restrictions are being placed upon either the internal or external auditors;
- to review the financial statements of the Company and of the Group with management and external auditors (where applicable) before submission to the Board;
- to review the significant financial reporting issues and judgements so as to ensure the integrity of the financial statements of the Company and any announcements relating to the Company's financial performance;
- to review the assurance from the CEO and CFO, or equivalent, on the financial records and financial statements;
- to summarise and report to the Board the work performed by the AC in carrying out its functions;
- to review interested person transactions (if any);
- to review the policy and arrangements for concerns about possible improprieties in financial reporting or other matters to be safely raised, independently investigated and appropriately followed up on. The Company publicly discloses, and clearly communicates to employees, the existence of a whistle-blowing policy and procedures for raising such concerns;
- to assess whether there is a need to obtain independent legal advice or appoint a compliance adviser in relation to the sanctions-related risks applicable to the Company and continuous monitoring of the validity of the information provided to shareholders and SGX-ST;
- to have explicit authority to investigate any matter within its term of reference, full access to and cooperation by management and full discretion to invite any Director or executive officer to attend its meetings, and reasonable resources to enable it to discharge its functions properly;
- to review the scope and results of the audit and its cost effectiveness and the independence and objectivity of the external auditors. Where the external auditors also supply a substantial volume of non-audit services to the Company, the AC shall keep the nature and extent of such services under review, seeking to balance the maintenance of objectivity and value for money; and
- to meet with the external auditors (without the presence of the Company's management and the internal auditors) and with the internal auditors (without the presence of the Company's management and the external auditors), at least annually.

Apart from the duties listed above, the AC is given the task to serve as an independent and objective party to review the financial information presented by Management to shareholders, regulators and the general public. Each member of the AC shall abstain from voting on any resolutions in respect of matters in which he is interested.

The AC has the authority to investigate into any activities within its terms of reference. It is authorised to seek any information it requires and/or meeting (without any Executive Director(s) present, if necessary) with any employee and all employees are directed to cooperate on any request made by the AC.

# CORPORATE GOVERNANCE REPORT

The Board has on the recommendation of the AC, implemented a whistle-blowing policy for the Group, with the objective of providing an avenue for the staff of the Group to, in confidence, raise concerns about possible improprieties in matters of financial reporting or other matters which they become aware. Details of the whistle-blowing policies and arrangements have been made available to the staff of the Group. It has a well-defined process which ensures independent investigation of issues/concerns raised and appropriate follow-up action and provides assurance to the whistle-blowers that all actions in good faith will not affect them in their work and staff appraisal.

During FY2025 and as of the date of this Report, the Company did not receive any whistle-blowing reports.

The AC constantly bears in mind the need to maintain a balance between the independence and objectivity of the independent auditor and the cost effectiveness of the audit. In the AC's opinion, the independent auditor of the Company, Foo Kon Tan LLP ("**Independent Auditor**"), is suitable for re-appointment and it has accordingly recommended to the Board that Foo Kon Tan LLP be nominated for re-appointment as auditor of the Company at the forthcoming AGM. During FY2025, the aggregate amount of fees paid or payable to the Independent Auditor for the audit services is reflected in Note 23 to the audited financial statements of the Group for FY2025. No non-audit fees paid or payable to the Independent Auditor for non-audit services for FY2025.

The Company has complied with Rules 712 and 715 of the Catalist Rules in appointing the audit firms for the Group for FY2025.

**Provision 10.2 The AC comprises at least three directors, all of whom are non-executive and the majority of whom, including the AC Chairman, are independent. At least two members, including the AC Chairman, have recent and relevant accounting or related financial management expertise or experience.**

During FY2025 and as of the date of this Report, the AC consists of three (3) Independent Directors, namely:

Mr Lam Kwong Fai	Chairman of AC and Lead Independent Director
Mr Tan Meng Shern	Member and Independent Director
Mr Cheung Wai Man Raymond	Member and Independent Director

As both Mr Lam Kwong Fai and Mr Tan Meng Shern are trained in accounting, the Board is of the view that the current AC has the necessary experience and expertise required to discharge its duties.

**Provision 10.3 The AC does not comprise former partners or directors of the company's existing auditing firm or auditing corporation: (a) within a period of two years commencing on the date of their ceasing to be a partner of the auditing firm or director of the auditing corporation; and in any case, (b) for as long as they have any financial interest in the auditing firm or auditing corporation.**

In FY2025 and as of the date of this Report, none of the AC members was a former partner or director of, or had any financial interest in, the Independent Auditor.

**Provision 10.4 The primary reporting line of the internal audit function is to the AC, which also decides on the appointment, termination and remuneration of the head of the internal audit function. The internal audit function has unfettered access to all the company's documents, records, properties and personnel, including the AC, and has appropriate standing within the company.**

The AC is aware of the need to establish a system of internal controls within the Group to safeguard the Shareholders' interests and the Group's assets and to manage risks. The system is intended to provide reasonable but not absolute assurance against material misstatements or loss, and to safeguard assets and ensure maintenance of proper accounting records, reliability of financial information, compliance with appropriate legislation, regulation and best practices, and the identification and containment of business risks.

# CORPORATE GOVERNANCE REPORT

The size of the operations of the Group does not warrant the Group having an in-house internal audit function at this juncture. The Company has therefore appointed Baker Tilly (“**Internal Auditor**”) to undertake the functions of an internal auditor for the Group. The AC approves the hiring, removal, evaluation and compensation of the internal auditor. The internal auditor reports directly to the AC and administratively to the Executive Chairperson. The Internal Auditor has unfettered access to all the Company’s documents, records, properties and personnel, including access to the AC and has appropriate standing within the Company.

Baker Tilly is part of the 10th largest accounting global network providing a comprehensive range of services in the areas of assurance, tax, governance and risk, deal advisory, restructuring and recovery, outsourcing, corporate secretarial services and digital solutions, including blockchain, AI and cybersecurity. Baker Tilly’s engagement team for the internal audit comprises an engagement partner, a manager, supported by a number of internal auditors. The engagement team is staffed by members with relevant experiences and possesses professional qualifications such as Chartered Accountant and Certified Internal Auditor designations. Baker Tilly is also a corporate member of the Institute of Internal Auditors of Singapore and the internal audit engagement is carried out in line with the standards as stipulated by the International Professional Practices Framework (IPPF) as set out by the Institute. The AC has reviewed the adequacy and effectiveness of the internal audit function on an annual basis and is satisfied that the Group’s internal audit function is independent, effective and adequately resourced, staffed by suitably qualified and experienced professionals with the relevant experience.

**Provision 10.5** The AC meets with the external auditors, and with the internal auditors, in each case without the presence of Management, at least annually.

The AC had held discussions with the Independent Auditor and the Internal Auditor, without the presence of the Management, to review the adequacy of audit arrangements for FY2025, with emphasis on the scope and quality of their audits, and to discuss the observations of the Independent Auditor and Internal Auditor on the Management or on processes and procedures of the Group.

## SHAREHOLDER RIGHTS AND ENGAGEMENT

### Shareholder Rights and Conduct of General Meeting

Principle 11: The company treats all shareholders fairly and equitably in order to enable them to exercise shareholders’ rights and have the opportunity to communicate their views on matters affecting the company. The company gives shareholders a balanced and understandable assessment of its performance, position and prospects.

**Provision 11.1** The company provides shareholders with the opportunity to participate effectively in and vote at general meetings of shareholders and informs them of the rules governing general meetings of shareholders.

All shareholders are entitled to attend the general meetings of the Company (“**General Meetings**”) and are afforded the opportunity to participate effectively at the General Meetings. All Shareholders are entitled to vote in accordance with the established voting rules and procedures. The Company conducts poll voting for all resolutions tabled at the General Meetings. The rules, including the voting procedures, will be clearly explained by the scrutineers at such General Meetings. An announcement of the detailed results showing the number of votes cast for and against each resolution and the respective percentages will be made after any General Meetings.

Shareholders are informed of General Meetings through the announcements released to the SGXNet and the Company’s website and notices contained in the annual report for FY2025 or circulars sent to all members. For the forthcoming AGM, the notice of AGM will be advertised in newspapers in Singapore and announced via the SGXNet.

# CORPORATE GOVERNANCE REPORT

**Provision 11.2 The company tables separate resolutions at general meetings of shareholders on each substantially separate issue unless the issues are interdependent and linked so as to form one significant proposal. Where the resolutions are “bundled”, the company explains the reasons and material implications in the notice of meeting.**

The Company has separate resolutions at General Meetings on each substantially separate issue. This is to ensure that Shareholders are given the right to express their views and exercise their voting rights on each resolution separately. Where the resolutions are “bundled”, the reasons and material implications for doing so will be provided in the annual report for FY2025 and related documents, including the notice of AGM.

**Provision 11.3 All directors attend general meetings of shareholders, and the external auditors are also present to address shareholders’ queries about the conduct of audit and the preparation and content of the auditors’ report. Directors’ attendance at such meetings held during the financial year is disclosed in the company’s annual report for FY2025.**

All Directors are required to attend General Meetings. The external auditor of the Group will also be present at the forthcoming AGM to address Shareholders’ queries about the conduct of audit and the preparation and content of the auditor’s report. Please refer to Provision 1.5 above for details on the Directors’ attendance at General Meetings held during FY2025.

**Provision 11.4 The company’s Constitution (or other constitutive documents) allow for absentia voting at general meetings of shareholders.**

The Constitution of the Company allows any Shareholders if they are unable to attend a General Meeting, to appoint not more than two (2) proxies to attend and vote on their behalf at the meeting through proxy form sent in advance. A proxy need not be a member of the Company. Pursuant to the provisions of the Companies Act, corporate Shareholders which provide nominee or custodial services are entitled to appoint more than two (2) proxies to attend and vote on their behalf at General Meetings provided that each proxy is appointed to exercise the rights attached to a different share or shares held by such corporate shareholders.

As the authentication of members’ identity information and other related integrity issues still remain a concern, the Company has decided, for the time being, not to implement voting in absentia by mail or electronic means.

**Provision 11.5 The company publishes minutes of general meetings of shareholders on its corporate website as soon as practicable. The minutes record substantial and relevant comments or queries from shareholders relating to the agenda of the general meeting, and responses from the Board and Management.**

The Company Secretary prepares minutes of the General Meetings, which capture the essence of the comments or queries from shareholders and responses from the Board and the Management. All minutes of AGM or General Meetings that include substantial and relevant comments or queries from the Shareholders and responses from the Board and the Management will be published on the SGXNet and the Company’s corporate website.

**Provision 11.6 The Company has a dividend policy and communicates it to shareholders.**

The Company does not have a fixed dividend policy. The form, frequency and amount of dividends will depend on the Company’s earnings, general financial condition, results of operations, capital requirement, cash flow, general business condition, development plans and other factors as the Directors may deem appropriate. No dividend was paid or proposed for FY2025 as the Group was making a loss in FY2025 and had accumulated losses as at 31 December 2025.

Any dividend payments will be clearly communicated to Shareholders via announcements on SGXNet.

# CORPORATE GOVERNANCE REPORT

## Engagement with Shareholders

Principle 12: The company communicates regularly with its shareholders and facilitates the participation of shareholders during general meetings and other dialogues to allow shareholders to communicate their views on various matters affecting the company.

**Provision 12.1** The company provides avenues for communication between the Board and all shareholders, and discloses in its annual report for FY2025 the steps taken to solicit and understand the views of shareholders.

The Company is committed to maintaining and improving its level of corporate transparency of financial results and other pertinent information. In line with the continuous disclosure obligations of the Company pursuant to the Catalist Rules, it is the Board's policy to ensure that all shareholders are informed on a timely basis of every significant development that has an impact on the Group. Such information is disclosed in an accurate and comprehensive manner via the SGXNet. The Group recognises that the release of timely and relevant information is central to good corporate governance and enables shareholders to make informed decisions in respect of their investments in the Company.

The Company does not practise selective disclosure. Results and the annual report for FY2025 are announced or issued within the mandatory period.

For the forthcoming AGM, Shareholders may submit their questions relating to the resolutions set out in the notice of AGM in advance. The detailed information on the submission of questions has been specified in the Notice of AGM at page 138 of this Annual Report for FY2025.

**Provision 12.2** The company has in place an investor relations policy which allows for an ongoing exchange of views so as to actively engage and promote regular, effective and fair communication with shareholders.

**Provision 12.3** The company's investor relations policy sets out the mechanism through which shareholders may contact the company with questions and through which the company may respond to such questions.

The Company conducts its investor relations on the following principles:

- (a) Information deemed to be price-sensitive is disseminated without delay via announcements on the SGXNet;
- (b) Endeavour to provide comprehensive information in financial results announcements to help shareholders and potential investors make informed decisions; and
- (c) Operate an open policy with regard to investors' enquiries, such as through encouraging the active participation of shareholders during AGMs or any other general meetings of the Company.

The Company provides its phone number and contact form on the Company's corporate website at URL [www.sdai.com.sg](http://www.sdai.com.sg), through which the shareholders may contact the Company with questions and the Company may respond to such questions.

## MANAGING STAKEHOLDERS RELATIONSHIPS

### Engagement with Stakeholders

Principle 13: The Board adopts an inclusive approach by considering and balancing the needs and interests of material stakeholders, as part of its overall responsibility to ensure that the best interests of the company are served.

**Provision 13.1 The company has arrangements in place to identify and engage with its material stakeholder groups and to manage its relationships with such groups.**

The Company recognises the importance of close collaboration with its key stakeholders such as employees, investors and media, suppliers and service providers, and customers (“**Stakeholders**”), in order to achieve sustainable business goals. The Company has in place a process to identify its various Stakeholders and understand their viewpoints as well as actively communicate with them to align the Company’s expectation and goals. Where possible, both the Executive and the Non-Executive Directors (including Independent Directors) meet or speak with Shareholders at General Meetings to gather their views and address concerns.

**Provision 13.2 The company discloses in its annual report for FY2025 its strategy and key areas of focus in relation to the management of stakeholder relationships during the reporting period.**

The Group engages with the key Stakeholders through various platforms. Details of the Stakeholders engaged by the Group, areas of focus, approaches to Stakeholders, including frequency of engagement by type and by stakeholder group and key feedback or issues that have been raised through stakeholder engagement and can be found in the sustainability report included in its annual report for FY2025.

**Provision 13.3 The company maintains a current corporate website to communicate and engage with stakeholders.**

The Company’s corporate website at URL [www.sdai.com.sg](http://www.sdai.com.sg) aims to provide information about the Company such as the Board of Directors and Management team, products or services, as well as all disclosures and announcements of the Company submitted via the SGXNet. Shareholders can submit substantial and relevant questions relating to the ordinary resolutions to be tabled for the upcoming AGM, details of which can be found in the notes to the Notice of AGM at page 138 of this Annual Report for FY2025.

## ADDITIONAL INFORMATION

### Dealing in Securities

The Company has adopted policies in line with the requirements of the Catalist Rules on dealings in the Company’s securities. The Company and its officers are prohibited from dealing in the Company’s shares on short-term considerations or when they are in possession of unpublished trade-sensitive or price-sensitive information. They are not allowed to deal in the Company’s shares during the periods commencing two (2) weeks before the date of the announcement of the Company’s financial results for each of the first three (3) quarters of its financial year, or one (1) month before the date of the announcement of the Company’s half year and full year results, and ending on the date of the announcement of the relevant results.

In addition, Directors and Key Management Personnel are expected to observe insider trading laws at all times even when dealing in securities within the permitted trading period.

# INDEPENDENT AUDITOR'S REPORT

To the members of SDAI Limited

## Report on the Audit of the Financial Statements

### Disclaimer of Opinion

We were engaged to audit the financial statements of SDAI Limited (the "Company") and its subsidiaries (the "Group"), which comprise the consolidated statement of financial position of the Group and the statement of financial position of the Company as at 31 December 2025, and the consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows of the Group, and the statement of changes in equity of the Company for the year then ended, and notes to the financial statements, including material accounting policy information.

We do not express an opinion on the accompanying consolidated financial statements of the Group, and the statement of financial position and statement of changes in equity of the Company. Because of the significance of the matters described in the 'Basis for Disclaimer of Opinion' section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

### Basis for Disclaimer of Opinion

#### Use of going concern assumption

We draw attention to Note 2 to the financial statements which indicates that the current liabilities of the Group and the Company exceeded their current assets by \$10,495,412 and \$10,326,016, respectively, and there is a deficit in equity of the Group and of the Company of \$10,344,933 and \$9,558,335, respectively, as at 31 December 2025. The Group also incurred a loss for the year of \$3,176,951; and net cash used in operating activities of \$2,029,014 for the financial year ended 31 December 2025. These conditions together with other material uncertainties indicate the existence of multiple uncertainties that may cast significant doubt on the ability of the Group and of the Company to continue as a going concern.

As disclosed in Note 2 to the financial statements, the management has prepared the financial statements on the basis that the Group and the Company will be able to meet its obligations as and when they fall due, and that the preparation of the financial statements on a going concern basis remains appropriate taking into consideration that the Group and the Company are able to obtain sufficient new loan financing, and will successfully complete the corporate turnaround plans and restructuring, including the successful sales of anti-aging biotechnology healthcare products in China and Singapore.

The conditions set out in the preceding paragraphs reflect the presence of multiple uncertainties that are significant to the financial statements as a whole. We were unable to obtain sufficient appropriate evidence that the use of going concern assumption in preparation of the financial statements is appropriate, particularly in respect of the ability of the Group and the Company to obtain sufficient new loan financing and to successfully complete the corporate turnaround plans and restructuring. The financial statements do not include any adjustments or any reclassification of assets and liabilities that would result if the going concern assumption is not appropriate.

### Responsibilities of Management and Directors for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Companies Act 1967 (the "Act") and Singapore Financial Reporting Standards (International) ("SFRS(I)s"), and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

In preparing the financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The directors' responsibilities include overseeing the Group's financial reporting process.

# INDEPENDENT AUDITOR'S REPORT

To the members of SDAI Limited

## Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the Group's financial statements in accordance with Singapore Standards of Auditing and to issue an auditor's report. However, because of the matters described in the '*Basis for Disclaimer of Opinion*' section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are independent of the Group in accordance with the Accounting and Corporate Regulatory Authority ("*ACRA*") *Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities* ("*ACRA Code*"), as applicable to audits of financial statements of public interest entities, together with the ethical requirements that are relevant to audits of the financial statements of public interest entities in Singapore. We have also fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code.

## Report on Other Legal and Regulatory Requirements

In our opinion, in view of the significance of the matters described in the '*Basis for Disclaimer of Opinion*' section of our report, we do not express an opinion on whether the accounting and other records required by the Act to be kept by the Company have been properly kept in accordance with the provisions of the Act.

The engagement partner on the audit resulting in this independent auditor's report is Ho Teik Tiong.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2025

## 1. General information

The Company is a limited liability company, incorporated and domiciled in Singapore, and listed on the Catalist of Singapore Exchange Securities Trading Limited. The address of its registered office is Level 39 Marina Bay Financial Centre, Tower 2, 10 Marina Boulevard, Singapore 018983.

The principal activity of the Company is that of investment holding. The principal activities of the subsidiaries are set out in Note 7 to the financial statements. There has been no significant change in these activities during the financial year, except for a subsidiary that has started the development and sales of anti-aging biotechnology and healthcare products.

The financial statements of the Group and the statement of financial position and the statement of changes in equity of the Company as at and for the financial year ended 31 December 2025 were authorised for issue in accordance with resolution of the Board of Directors on the date of the directors' statement.

## 2. Going concern

As at 31 December 2025, the current liabilities of the Group and the Company exceeded their current assets by \$10,495,412 (2024 - \$532,590) and \$10,326,016 (2024 - \$349,987), respectively, and a deficit in equity of the Group and of the Company of \$10,344,933 (2024 - \$7,433,641) and \$9,558,335 (2024 - \$7,241,051), respectively. The Group also incurred a loss for the year of \$3,176,951 (2024 - \$1,714,328); and net cash used in operating activities of \$2,029,014 (2024 - \$3,400,392) for the financial year ended 31 December 2025.

As at the date of the financial statements, the Group has the following material uncertainties:

- Ability of the Group and the Company to complete the corporate turnaround plans and restructuring, including the successful sales of anti-aging biotechnology healthcare products in China and Singapore.
- Ability of the Group and the Company to obtain sufficient new loan financing.

The above matters represent material uncertainties that may cast a significant doubt on the ability of the Group and the Company to continue as a going concern and therefore, the Group and the Company may not be able to realise their assets and discharge their liabilities in the normal course of business.

Notwithstanding the above, management has considered the following significant assumptions in its going concern assumptions and are confident that they can be realised:

- The Group and the Company are able to obtain sufficient new loan financing.
- The Group and the Company are able to successfully complete the corporate turnaround plans and restructuring.

Therefore, the Group and the Company will be able to meet its obligations as and when they fall due, and that the preparation of the financial statements on a going concern basis remains appropriate.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2025

## 3. Critical judgements and key sources of estimation

In the application of the Group's accounting policies and assessment of going concern, management is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

### *Critical judgements in applying the Group's accounting policies*

There are no critical judgements in applying accounting policies that have significant effect on the amounts recognised in the financial statements, except for going concern assumptions used by management as disclosed in Note 2.

### *Key sources of estimation uncertainty*

The key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are discussed below.

#### Impairment of property, plant and equipment

As at 31 December 2025, the Group's and the Company's property, plant and equipment amounted to \$393,287 and \$87,316 (2024 - \$150,297 and \$150,297), respectively, as disclosed in Note 5.

The Group and the Company undertake an annual review of the carrying amount of the property, plant and equipment to determine whether there is any indication of impairment. If any such indication exists, the recoverable amount (i.e. higher of the fair value less costs of disposal and value in use) of the property, plant and equipment is estimated to determine the impairment loss or write-back of impairment.

As at 31 December 2025, the recoverable amount of property, plant and equipment was determined based on the higher of the fair value less costs of disposal and value in use. An impairment loss of \$Nil and \$Nil (2024 - \$103,348 and \$103,348) for the Group's and the Company's property, plant and equipment, respectively was recognised during the financial year.

The key assumptions used in determining the recoverable amounts are disclosed in Note 5. If the fair value less costs of disposal decrease by 10% (2024 - 10%) from management's estimates, the Group's profit for the year will decrease by approximately \$8,700 (2024 - \$15,000).

#### Valuation of inventories

A review is made periodically on inventory for obsolete and excess inventory and declines in net realisable value below cost and a write off or write down is recorded against the carrying amount of the inventory balance for any such obsolescence, excess and declines. The realisable value represents the best estimate of the recoverable amount and is based on the acceptable evidence available at the end of the reporting date and inherently involves estimates regarding the future expected realisable value. The usual considerations for determining the amount of write off or write down include management's expectations for future sales and inventory management which may materially affect the carrying amounts of inventories at the reporting date. Possible changes in these estimates could result in revisions to the stated value of the inventories but these changes would not arise from the assumptions or other sources of estimation uncertainty at the reporting date. There were no inventories written down or written off by the Group as at 31 December 2025 and 31 December 2024. Management estimates that a decrease of 10% (2024 - 10%) in the net realisable value would not result in any write-down of the Group's inventories.

The carrying amount of inventories at the reporting date is disclosed in Note 10.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2025

## 3. Critical judgements and key sources of estimation (cont'd)

### *Key sources of estimation uncertainty (cont'd)*

#### Impairment of trade receivables and contract assets

As at 31 December 2025, the Group's trade receivables and contract assets amounted to \$15,971 and \$6,598 (2024 - \$31,078 and \$7,006) as disclosed in Notes 11 and 20, respectively.

Based on the Group's historical credit loss experience, trade receivables exhibited significantly different loss patterns for each revenue segment. Within each revenue segment, the Group has common customers across the different geographical regions and applies credit evaluations by customer. Accordingly, management has determined the expected loss rates by grouping the receivables across geographical regions in each revenue segment. An allowance for impairment loss of \$159,976 (2024 - \$169,866) for trade receivables and an allowance for impairment loss of \$24,624 (2024 - \$24,935) for contract assets were recognised as at 31 December 2025.

Notwithstanding the above, the Group evaluates the expected credit loss on customers in financial difficulties separately. There is no customer in financial difficulties during the financial year.

The Group's credit risk exposure for trade receivables and contract assets is set out in Note 28(c)(iv). A decrease of 10% (2024 - 10%) in the estimated future cash inflows will not lead to material loss allowance on the Group's trade receivables and contract assets.

#### Impairment of other receivables

As at 31 December 2025, the Group's and the Company's other receivables amounted to \$321,529 and \$186,427 (2024 - \$241,128 and \$218,378), respectively, as disclosed in Note 12.

The Group and the Company use an approach that is based on an assessment of qualitative and quantitative factors that are indicative of the risk of default (including but not limited to external ratings, audited financial statements, management accounts and cash flow projections, and available press information, if available, and applying experienced credit judgement).

As at 31 December 2025, the Group and the Company assessed the credit exposure of these receivables and measured the impairment losses based on 12-month expected credit loss basis, except for amounts due from former subsidiaries, former associates, subsidiaries and other receivables, which are measured at the amounts equal to lifetime expected credit loss amounting to \$18,856,702 and \$23,142,670 (2024 - \$18,861,533 and \$23,169,032), respectively, as disclosed in Note 12.

The Group's credit risk exposure for other receivables is set out in Note 28(c)(iv). A decrease of 10% (2024 - 10%) in the estimated future cash inflows will not lead to material loss allowance on the Group's other receivables.

#### Fair value measurement of derivative financial instrument

The Group's and the Company's loans contained an equity conversion option which enables the Company to convert the loans to ordinary shares of the Company upon resumption of trading of the shares of the Company. The equity conversion option meets the definition of derivative financial instrument, which requires fair value measurement at each reporting period.

The key assumptions used in determining the fair value of derivative financial instrument are disclosed in Note 17.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2025

## 4. Summary of material accounting policy information

### 4.1 Basis of preparation of financial statements

The financial statements are drawn up in accordance with the provisions of the Singapore Companies Act, Cap. 50 (the "Act") and Singapore Financial Reporting Standards (International) ("SFRS(I)s"), including related interpretations promulgated by the Accounting Standards Council ("ASC"), and have been prepared under the historical cost convention, except as otherwise described in the notes below.

The accounting policies set out below have been applied consistently to all periods presented in these financial statements.

The preparation of financial statements in conformity with SFRS(I)s requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Group's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements, are disclosed in Note 3.

The financial statements are presented in Singapore Dollar which is the Company's functional currency. All financial information is presented in Singapore Dollar, unless otherwise stated.

#### Adoption of new and revised SFRS(I)s effective for the current financial year

On 1 January 2025, the Group and the Company have adopted all the new and revised SFRS(I)s, and amendments to SFRS(I)s, effective for the current financial year that are relevant to them. The adoption of these new and revised SFRS(I) pronouncements does not result in significant changes to the Group's and the Company's accounting policies and has no material effect on the amounts or the disclosures reported for the current or prior reporting periods.

Reference	Description	Effective date (Annual periods beginning on or after)
Amendments to SFRS(I) 1-21	<i>Lack of Exchangeability</i>	1 January 2025

#### New and revised SFRS(I)s in issue but not yet effective

At the date of authorisation of these financial statements, the Group and the Company have not early adopted the new and revised SFRS(I)s, and amendments to SFRS(I)s (which maybe early adopted) that have been issued but are not yet effective to them.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2025

## 4. Summary of material accounting policy information (cont'd)

### 4.1 Basis of preparation of financial statements (cont'd)

#### New and revised SFRS(I)s in issue but not yet effective (cont'd)

Management anticipates that the adoption of these new and revised SFRS(I) pronouncements in future periods will not have a material impact on the Group's and the Company's accounting policies in the period of their initial application, except as disclosed below.

#### **SFRS(I) 18 Presentation and Disclosure in Financial Statements**

SFRS(I) 18 replaces SFRS(I) 1-1 *Presentation of Financial Statements*, introducing new requirements that will help to achieve comparability of the financial performance of similar entities and provide more relevant information and transparency to users.

SFRS(I) 18 introduces new requirements for presentation within the statement of profit or loss, including specified totals and subtotals. In particular, entities are required to classify all income and expenses within the statement of profit or loss into one of five categories: operating, investing, financing, income taxes and discontinued operations. In addition, SFRS(I) 18 requires disclosure of newly prescribed management-defined performance measures and includes new requirements for aggregation and disaggregation of financial information based on the identified 'roles' of the primary financial statements and the notes to the financial statements.

Furthermore, narrow scope amendments are made to SFRS(I) 1-7 *Statement of Cash Flows*, which include changing the starting point for determining cash flows from operations under the indirect method, from 'profit or loss' to 'operating profit or loss' and removing the optionality around classification of cash flows from dividends and interest. There are also amendments to several other standards.

SFRS(I) 18, and the consequential amendments to the other standards, is effective for annual reporting periods beginning on or after 1 January 2027. Early application is permitted. SFRS(I) 18 is applied retrospectively with specific transition provisions.

The Group is currently assessing the impact of the amendments. It is currently impracticable to disclose any further information on the known or reasonably estimable impact to the financial statements in the period of initial application.

### 4.2 Basis of consolidation

The consolidated financial statements incorporate the financial statements of the Company and entities controlled by the Company and its subsidiaries made up to the reporting date each year. Control is achieved when the Company:

- has the power over the investee;
- is exposed, or has rights, to variable returns from its involvement with the investee; and
- has the ability to use its power to affect its returns.

The Company reassesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control listed above.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2025

## 4. Summary of material accounting policy information (cont'd)

### 4.2 Basis of consolidation (cont'd)

When the Company has less than a majority of the voting rights of an investee, it has power over the investee when the voting rights are sufficient to give it the practical ability to direct the relevant activities of the investee unilaterally. The Company considers all relevant facts and circumstances in assessing whether or not the Company's voting rights in an investee are sufficient to give it power, including:

- The size of the Company's holding of voting rights relative to the size and dispersion of holdings of the other vote holders;
- Potential voting rights held by the Company, other vote holders or other parties;
- Rights arising from other contractual arrangements; and
- Any additional facts and circumstances that indicate that the Company has, or does not have, the current ability to direct the relevant activities at the time that decisions need to be made, including voting patterns at previous shareholders' meetings.

Consolidation of a subsidiary begins when the Company obtains control over the subsidiary and ceases when the Company loses control of the subsidiary. Specifically, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated statement of profit or loss from the date the Company gains control until the date when the Company ceases to control the subsidiary.

When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies in line with the Group's accounting policies.

All intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between the members of the Group are eliminated on consolidation.

Non-controlling interests in subsidiaries are identified separately from the Group's equity therein. Those interests of non-controlling shareholders that are present ownership interests entitling their holders to a proportionate share of net assets upon liquidation may initially be measured at fair value or at the non-controlling interests' proportionate share of the fair value of the acquiree's identifiable net assets. The choice of measurement is made on an acquisition-by-acquisition basis. Other non-controlling interests are initially measured at fair value. Subsequent to acquisition, the carrying amount of non-controlling interests is the amount of those interests at initial recognition plus the non-controlling interests' share of subsequent changes in equity.

Profit or loss and each component of other comprehensive income are attributed to the owners of the Company and to the non-controlling interests. Total comprehensive income of subsidiaries is attributed to the owners of the Company and to the non-controlling interests even if this results in the non-controlling interests having a deficit balance.

Changes in the Group's interests in subsidiaries that do not result in the Group losing control over the subsidiaries are accounted for as equity transactions. The carrying amounts of the Group's interests and the non-controlling interests are adjusted to reflect the changes in their relative interests in their subsidiaries. Any difference between the amount of which the non-controlling interests are adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to owners of the Company.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2025

## 4. Summary of material accounting policy information (cont'd)

### 4.2 Basis of consolidation (cont'd)

When the Group loses control of a subsidiary, a gain or loss is recognised in profit or loss and is calculated as the difference between (i) the aggregate of the fair value of the consideration received and the fair value of any retained interest and (ii) the previous carrying amount of the assets (including goodwill), and liabilities of the subsidiary and any non-controlling interests. All amounts previously recognised in other comprehensive income in relation to the subsidiary are accounted for as if the Group had directly disposed of the related assets or liabilities of the subsidiary (i.e. reclassified to profit or loss or transferred to another category of equity as specified/permitted by applicable SFRS(I)s). The fair value of any investment retained in the former subsidiary at the date when control is lost is regarded as the fair value on initial recognition for subsequent accounting under SFRS(I) 9 *Financial Instruments*, when applicable, the cost on initial recognition of an investment in an associate or a joint venture.

Investments in subsidiaries are carried at cost less accumulated impairment losses in the Company's statement of financial position. On disposal of such investments, the difference between disposal proceeds and the carrying amounts of the investments are recognised in profit or loss.

### 4.3 Business combination

Acquisitions of subsidiaries and businesses are accounted for using the acquisition method. The consideration for each acquisition is measured at the aggregate of the acquisition date fair values of assets given, liabilities incurred by the Group to the former owners of the acquiree, and equity interests issued by the Group in exchange for control of the acquiree. Acquisition-related costs are recognised in profit or loss as incurred.

In determining whether a particular set of activities and assets is a business, the Group assesses whether it includes, at a minimum, an input and substantive process, and whether it has the ability to produce outputs. The Group has an option to apply a 'concentration test' that permits a simplified assessment of whether an acquired set of activities and assets is not a business. The optional concentration test is met if substantially all of the fair value of the gross assets acquired is concentrated in a single identifiable asset or group of similar identifiable assets.

Where applicable, the consideration for the acquisition includes any asset or liability resulting from a contingent consideration arrangement, measured at its acquisition-date fair value. Subsequent changes in such fair values are adjusted against the cost of acquisition where they qualify as measurement period adjustments. The subsequent accounting for changes in the fair value of the contingent consideration that do not qualify as measurement period adjustments depends on how the contingent consideration is classified. Contingent consideration that is classified as equity is not remeasured at subsequent reporting dates and its subsequent settlement is accounted for within equity. Contingent consideration that is classified as an asset or a liability is remeasured at subsequent reporting dates at fair value, with changes in fair value recognised in profit or loss.

Where a business combination is achieved in stages, the Group's previously held interests in the acquired entity are remeasured to fair value at the acquisition date (i.e. the date the Group attains control) and the resulting gain or loss, if any, is recognised in profit or loss. Amounts arising from interests in the acquiree prior to the acquisition date that have previously been recognised in other comprehensive income are reclassified to profit or loss, where such treatment would be appropriate if that interest were disposed of.

## 4. Summary of material accounting policy information (cont'd)

### 4.3 Business combination (cont'd)

The acquiree's identifiable assets, liabilities and contingent liabilities that meet the conditions for recognition under the SFRS(I) are recognised at their fair value at the acquisition date, except that:

- Deferred tax assets or liabilities and liabilities or assets related to employee benefit arrangements are recognised and measured in accordance with SFRS(I) 1-12 *Income Taxes* and SFRS(I) 1-19 *Employee Benefits*, respectively;
- Liabilities or equity instruments related to share-based payment transactions of the acquiree or the replacement of an acquiree's share-based payment awards transactions with share-based payment awards transactions of the acquirer in accordance with the method in SFRS(I) 2 *Share-based Payment* at the acquisition date; and
- Assets (or disposal groups) that are classified as held for sale in accordance with SFRS(I) 5 *Non-current Assets Held for Sale and Discontinued Operations* are measured in accordance with that Standard.

Non-controlling interests that are present ownership interests and entitle their holders to a proportionate share of the entity's net assets in the event of liquidation may be initially measured either at fair value or at the non-controlling interests' proportionate share of the recognised amounts of the acquiree's identifiable net assets. The choice of measurement basis is made on a transaction-by-transaction basis. Other types of non-controlling interests are measured at fair value or, when applicable, on the basis specified in another SFRS(I)s.

If the initial accounting for a business combination is incomplete by the end of the reporting date in which the combination occurs, the Group reports provisional amounts for the items for which the accounting is incomplete. Those provisional amounts are adjusted during the measurement period, or additional assets or liabilities are recognised, to reflect new information obtained about facts and circumstances that existed as of the acquisition date that, if known, would have affected the amounts recognised as of that date.

The measurement period is the period from the date of acquisition to the date the Group obtains complete information about facts and circumstances that existed as of the acquisition date and is subject to a maximum of one year from acquisition date.

### 4.4 Associates

Associates are entities over which the Group has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee but does not have control or joint control of those policies.

On acquisition of the investment in an associate, any excess of the cost of the investment over the Group's share of the net fair value of the identifiable assets and liabilities of the investee is recognised as goodwill, which is included within the carrying amount of the investment. Any excess of the Group's share of the net fair value of the identifiable assets and liabilities over the cost of the investment, after reassessment, is recognised immediately in profit or loss in the period in which the investment is acquired.

Investments in associates are initially accounted for in the consolidated financial statements at cost, and subsequently accounted for using the equity method of accounting less impairment losses, if any.

Under the equity method of accounting, the Group's share of its associates' post-acquisition profits or losses and other comprehensive income is recognised in the consolidated statement of comprehensive income. Dividends received or receivable from the associates are recognised as a reduction of the carrying amount of the investments. When the Group's share of losses in an associate equals to or exceeds its interest in the associates, the Group does not recognise further losses, unless it has legal or constructive obligations to make, or has made, payments on behalf of the associate.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2025

## 4. Summary of material accounting policy information (cont'd)

### 4.4 Associates (cont'd)

Unrealised profits on transactions between the Group and its associates are eliminated to the extent of the Group's interest in the associates. Unrealised losses are also eliminated, but only to the extent there is no impairment.

Goodwill that forms part of the carrying amount of an investment in an associate is not recognised separately, and therefore is not tested for impairment separately. Instead, the entire amount of the investment in an associate is tested for impairment as a single asset when there is objective evidence that the investment in an associate may be impaired.

Investments in associates are carried at cost less accumulated impairment losses in the Company's statement of financial position. On disposal of such investments, the difference between disposal proceeds and the carrying amounts of the investments are recognised in profit or loss.

### 4.5 Foreign currency transactions and translation

The individual financial statements of each Group entity are measured and presented in the currency of the primary economic environment in which the entity operates (its functional currency). The consolidated financial statements of the Group and the statement of financial position and statement of changes in equity of the Company are presented in Singapore Dollar ("S\$"), which is the functional currency of the Company and the presentation currency for the consolidated financial statements.

In preparing the financial statements of the individual entities, transactions in currencies other than the entity's functional currency are recorded at the rate of exchange prevailing on the date of the transaction. At the end of each reporting date, monetary items denominated in foreign currencies are retranslated at the rates prevailing at the end of the reporting date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing on the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences arising on the settlement of monetary items, and on retranslation of monetary items are included in profit or loss for the period. Exchange differences arising on the retranslation of non-monetary items carried at fair value are included in profit or loss for the period except for differences arising on the retranslation of non-monetary items in respect of which gains and losses are recognised in other comprehensive income. For such non-monetary items, any exchange component of that gain or loss is also recognised in other comprehensive income.

Exchange differences on foreign currency borrowings relating to assets under construction for future productive use, are included in the cost of those assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings.

For the purpose of presenting consolidated financial statements, the assets and liabilities of the Group's foreign operations (including comparatives) are expressed in Singapore Dollar using exchange rates prevailing at the end of the reporting date. Income and expense items (including comparatives) are translated at the average exchange rates for the period, unless exchange rates fluctuated significantly during that period, in which case the exchange rates at the dates of the transactions are used. Exchange differences arising, if any, are recognised in other comprehensive income and accumulated in a separate component of equity under the header of foreign currency translation reserve.

On the disposal of a foreign operation (i.e. a disposal of the Group's entire interest in a foreign operation, or a disposal involving loss of control over a subsidiary that includes a foreign operation, loss of joint control over a jointly controlled entity that includes a foreign operation, or loss of significant influence over an associate that includes a foreign operation), all of the accumulated exchange differences in respect of that operation attributable to the Group are reclassified to profit or loss. Any exchange differences that have previously been attributed to non-controlling interests are derecognised, but they are not reclassified to profit or loss.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2025

## 4. Summary of material accounting policy information (cont'd)

### 4.5 Foreign currency transactions and translation (cont'd)

In the case of a partial disposal (i.e. no loss of control) of a subsidiary that includes a foreign operation, the proportionate share of accumulated exchange differences are re-attributed to non-controlling interests and are not recognised in profit or loss. For all other partial disposals (i.e. of associates or jointly controlled entities that do not result in the Group losing significant influence or joint control), the proportionate share of the accumulated exchange differences is reclassified to profit or loss.

On consolidation, exchange differences arising from the translation of the net investment in foreign entities (including monetary items that, in substance, form part of the net investment in foreign entities), and of borrowings and other currency instruments designated as hedges of such investments, are recognised in other comprehensive income and accumulated in a separate component of equity under the header of foreign currency translation reserve.

Goodwill and fair value adjustments arising on the acquisition of a foreign operation are treated as assets and liabilities of the foreign operation and translated at the closing rate.

### 4.6 Property, plant and equipment

Plant and equipment are stated at cost less accumulated depreciation and any accumulated impairment losses.

Depreciation is charged so as to write off the cost or valuation of assets, other than assets under construction, over their estimated useful lives, using the straight-line method, as follows:

	<u>No. of years</u>
Leasehold properties	over the lease terms of 2 to 25 years
Renovations	5 years
Furniture and fittings	5 years
Office equipment	5 years

The estimated useful lives, residual values and depreciation method are reviewed at each year end, with the effect of any changes in estimate accounted for on a prospective basis.

Subsequent expenditure relating to property, plant and equipment that has already been recognised is added to the carrying amount of the asset only when it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably. All other repair and maintenance expenses are recognised in profit or loss when incurred.

The gain or loss arising on disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amounts of the asset and is recognised in profit or loss.

### 4.7 Leases

*When the Group is the lessor:*

Leases in which the Group does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income.

The Group recognises lease payments received from investment property under operating leases as income on a straight-line basis over the lease term as part of 'other income'.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2025

## 4. Summary of material accounting policy information (cont'd)

### 4.7 Leases (cont'd)

#### When the Group is the lessee:

At the inception of the contract, the Group assesses if the contract contains a lease. A contract contains a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. Reassessment is only required when the terms and conditions of the contract are changed.

- Right-of-use assets

The Group recognises a right-of-use asset and lease liability at the date which the underlying asset is available for use. Right-of-use assets are measured at cost which comprises the initial measurement of lease liabilities adjusted for any lease payments made at or before the commencement date and lease incentive received. Any initial direct costs that would not have been incurred if the lease had not been obtained are added to the carrying amount of the right-of-use assets.

These right-of-use assets are subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term.

The right-of-use assets are presented within "Property, plant and equipment".

- Lease liabilities

The initial measurement of lease liability is measured at the present value of the lease payments discounted using the implicit rate in the lease, if the rate can be readily determined. If that rate cannot be readily determined, the Group shall use its incremental borrowing rate.

Lease payments consist of the fixed payment (including in-substance fixed payments), less any lease incentives receivables.

Lease liability is measured at amortised cost using the effective interest method. Lease liability shall be remeasured when:

- There is a change in future lease payments arising from changes in an index or rate;
- There is a change in the Group's assessment of whether it will exercise an extension option; or
- There are modifications in the scope or the consideration of the lease that was not part of the original term.

Lease liability is remeasured with a corresponding adjustment to the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

#### Short term and low value leases

The Group has elected to not recognise right-of-use assets and lease liabilities for short-term leases that have lease terms of 12 months or less and leases of low value leases, except for sublease arrangements. Lease payments relating to these leases are expensed to profit or loss on a straight-line basis over the lease term.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2025

## 4. Summary of material accounting policy information (cont'd)

### 4.8 Impairment of non-financial assets

At the end of each reporting date, the Group reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the Group estimates the recoverable amount of the cash-generating unit to which the asset belongs. Where a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest Group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset or cash-generating unit ("CGU") is estimated to be less than its carrying amount, the carrying amount of the asset or CGU is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

Where an impairment loss subsequently reverses, the carrying amount of the asset or CGU is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset or CGU in prior years. A reversal of an impairment loss is recognised immediately in profit or loss, unless the relevant asset is carried at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation increase.

### 4.9 Financial assets

#### Classification and measurement

The Group classifies and measures its financial assets at amortised cost. The classification depends on the Group's business model for managing the financial assets as well as the contractual terms of the cash flows of the financial asset. The Group reclassifies debt instruments when, and only when, its business model for managing those assets changes.

#### At initial recognition

At initial recognition, the Group measures a financial asset at its fair value.

#### At subsequent measurement

Financial assets of the Group mainly comprise of cash and bank balances and trade and other receivables. There are three prescribed subsequent measurement categories, depending on the Group's business model in managing the assets and the cash flow characteristic of the assets. The Group manages this group of financial assets by collecting the contractual cash flows representing solely payments of principal and interest. Accordingly, this group of financial assets is measured at amortised cost.

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Group has transferred substantially all risks and rewards of ownership.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2025

## 4. Summary of material accounting policy information (cont'd)

### 4.9 Financial assets (cont'd)

#### Impairment

The Group assesses on a forward-looking basis the expected credit losses associated with its financial assets carried at amortised cost.

For trade receivables and contract assets, the Group applied the simplified approach permitted by the SFRS(I) 9, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

For other receivables, the Group applied the general approach permitted by the SFRS(I) 9, which recognised from initial recognition the expected credit losses of the receivables for the next 12 months until a significant increase in credit risk has occurred, at which point the allowance for impairment is measured based on lifetime ECLs.

### 4.10 Cash and cash equivalents

Cash and cash equivalents in the statement of cash flows comprise cash on hand and fixed deposits, that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value and form part of the short-term cash management policy.

### 4.11 Trade and other payables

Trade and other payables represent liabilities for goods and services provided to the Group prior to the reporting date which are unpaid. They are classified as current liabilities if payment is due within one year or less (or in the normal operating cycle of the business if longer). Otherwise, they are presented as non-current liabilities.

Trade and other payables are initially measured at fair value and subsequently carried at amortised cost using the effective interest method.

### 4.12 Share capital

Ordinary shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares are deducted against the share capital account.

### 4.13 Offsetting arrangements

Financial assets and financial liabilities are offset and the net amount presented in the statement of financial position when the Company and the Group have a legally enforceable right to set off the recognised amounts; and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously. A right to set-off must be available currently rather than being contingent on a future event and must be exercisable by any of the counterparties, both in the normal course of business and in the event of default, insolvency or bankruptcy.

### 4.14 Borrowings

Borrowings which are due to be settled within twelve months after the end of the reporting period are included in current borrowings in the statement of financial position even though the original terms were for a period longer than twelve months and an agreement to refinance, or to reschedule payments, on a long-term basis is completed after the end of the reporting period. Borrowings due to be settled more than twelve months after the end of reporting period are included in non-current borrowings in the statement of financial position.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2025

## 4. Summary of material accounting policy information (cont'd)

### 4.14 Borrowings (cont'd)

The covenants that the Group is required to comply with on or before the reporting date are taken into consideration when classifying the loan as current or non-current at the reporting date. The covenants that the Group is required to comply with after the reporting date do not affect the current or non-current classification of the loan at the reporting date.

Borrowings are recognised initially at the fair value of proceeds received less attributable transaction costs, if any. Borrowings are subsequently stated at amortised cost which is the initial fair value less any principal repayments. Any difference between the proceeds (net of transaction costs) and the redemption value is taken to the profit or loss over the period of the borrowings using the effective interest method. The interest expense is chargeable on the amortised cost over the period of the borrowings using the effective interest method.

Interest-free borrowings are initially recognised at fair value by discounting future repayments using a market interest rate for a similar loan, in accordance with SFRS(I) 9 *Financial Instruments*. Any difference between the fair value and the amount received is taken to the profit or loss or equity depending on the arrangement. Subsequently, the borrowings are measured at amortised cost using the effective interest method, with an imputed interest expense recognised over the loan term and the carrying amount increasing to the repayment amount at maturity.

Borrowings are derecognised when the obligation is discharged, cancelled or expired. The difference between the carrying amount and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss.

When the contractual cash flows of borrowings are modified but do not result in derecognition, difference between the recalculated gross carrying amount and the carrying amount before modification is recognised in profit or loss as modification gain or loss, at the date of modification.

### 4.15 Derivative financial instruments

The Group's and the Company's loans contained an equity conversion option which enables the Company to convert the loans to ordinary shares of the Company upon resumption of trading of the shares of the Company. The equity conversion option does not qualify as an equity instrument because the conversion term does not meet the "fixed-for-fixed" test, where the number of ordinary shares to be converted is not fixed and may vary with the changes in fair value of the ordinary shares of the Company. The equity conversion option meets the definition of derivative financial instrument.

Derivatives are recognised initially at fair value at the date a derivative contract is entered into and are subsequently remeasured to their fair value at each reporting date. The resulting gain or loss is recognised in profit or loss immediately.

A derivative with a positive fair value is recognised as a financial asset whereas a derivative with a negative fair value is recognised as a financial liability. Derivatives are not offset in the financial statements unless the Group has both a legally enforceable right and intention to offset. A derivative is presented as a non-current asset or a non-current liability if the remaining maturity of the instrument is more than 12 months and it is not due to be realised or settled within 12 months. Other derivatives are presented as current assets or current liabilities.

### 4.16 Fair value estimation of financial assets and liabilities

The fair values of current financial assets and liabilities carried at amortised cost approximate their carrying amounts.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2025

## 4. Summary of material accounting policy information (cont'd)

### 4.17 Contract assets and liabilities

Contract assets represent the gross unbilled amount expected to be collected from customers for contract work performed to date. It is measured at cost plus profit recognised to date less progress billings and recognised losses, except where this would not be representative of the stage of completion. Variations in contract work, claims and incentive payments are included to the extent that the amount can be measured reliably and its receipt is considered probable.

Where the outcome of a contract cannot be estimated reliably, contract revenue is recognised to the extent of contract costs incurred that it is probable will be recoverable. Contract costs are recognised as expenses in the period in which they are incurred.

When it is probable that total contract costs will exceed total contract revenue, the expected loss is recognised as an expense immediately.

Contract liabilities primarily relate to:

- advance consideration received from customers; and
- progress billings issued in excess of the Group's rights to the consideration.

### 4.18 Inventories

Inventories are stated at the lower of cost and net realisable value. Cost comprises direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the inventories to their present location and condition. Cost is calculated using the weighted average method. Net realisable value represents the estimated selling price less all estimated costs of completion and costs to be incurred in marketing, selling and distribution.

### 4.19 Provisions

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that the Group will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting date, taking into account the risks and uncertainties surrounding the obligation. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

#### Onerous contracts

Present obligations arising under onerous contracts are recognised and measured as a provision. An onerous contract is considered to exist where the Group has a contract under which the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received from it.

#### Warranties

Provisions for warranty costs are recognised at the date of sale of the relevant products, at the management's best estimate of the expenditure required to settle the Group's obligations.

# NOTES TO THE FINANCIAL STATEMENTS

## 4. Summary of material accounting policy information (cont'd)

### 4.20 Revenue recognition

Revenue is measured based on the consideration to which the Group expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amount collected on behalf of third parties.

Revenue is recognised when the Group satisfies a performance obligation by transferring promised goods or services to the customer, which is when the customer obtains control of the goods or services. A performance obligation may be satisfied at a point in time or over time. The amount of revenue recognised is the amount allocated to the satisfied performance obligation.

#### *Revenue from construction contracts - installation of kitchen appliances and system*

Contract revenue includes the initial amount agreed in the contract plus any variations in contract work, claims and incentive payments, to the extent that it is probable that the customer will approve the variation or negotiations have reached an advanced stage such that it is probable that the customer will accept the claim and they are capable of being reliably measured. When the outcome of a construction contract can be estimated reliably, contract revenue is recognised in profit or loss in proportion to the stage of completion of the contract. Contract expenses are recognised as incurred unless they create an asset related to future contract activity.

The stage of completion is assessed by reference to progress of construction work based on surveys of work performed to date. When the outcome of a construction contract cannot be estimated reliably, contract revenue is recognised only to the extent of contract costs incurred that are likely to be recoverable.

If the value of the goods and services transferred by the Group exceeds the receipts from customers, a contract asset is recognised. If the receipts from customers exceeds the value of the goods and services transferred, a contract liability is recognised.

#### *Sales of goods - kitchen appliances*

Revenue from sales of goods of kitchen appliances is recognised at a point in time when the customer takes control of the goods, which is when the goods are delivered to the customer.

#### *Service income - rendering of services*

Service income is recognised during the financial year in which the services are rendered by reference to the completion of actual service provided as a proportion of the total services to be performed and is recognised over time.

#### *Interest income*

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

### 4.21 Government grants

Government grants are not recognised until there is reasonable assurance that the Group will comply with the conditions attaching to them and the grants will be received.

Government grants are recognised as income over the periods necessary to match them with the costs for which they are intended to compensate, on a systematic basis. Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the Group with no future related costs are recognised in profit or loss in the period in which they become receivable.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2025

## 4. Summary of material accounting policy information (cont'd)

### 4.22 Defined contribution plans

Defined contribution plans are post-employment benefit plans under which the Group pays fixed contributions into separate entities such as the Central Provident Fund on a mandatory, contractual or voluntary basis. The Group has no further payment obligations once the contributions have been paid. The Group's contributions are recognised as employee compensation expense when they are due.

### 4.23 Employee leave entitlement

Employee entitlements to annual leave are recognised when they accrue to employees. A provision is made for the estimated liability for annual leave as a result of services rendered by employees up to the end of the reporting date.

### 4.24 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

### 4.25 Income tax

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from profit as reported in the consolidated statement of profit or loss and other comprehensive income because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are not taxable or tax deductible. The Group's liability for current tax is calculated using tax rates (and tax laws) that have been enacted or substantively enacted in countries where the Company and subsidiaries operate by the end of the reporting date.

Deferred tax is recognised on the differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from goodwill or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred tax liabilities are recognised on taxable temporary differences arising on investments in subsidiaries and interests in joint ventures, except where the Group is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future. Deferred tax assets arising from deductible temporary differences associated with such investments and interests are only recognised to the extent that it is probable that there will be sufficient taxable profits against which to utilise the benefits of the temporary differences and they are expected to reverse in the foreseeable future.

The carrying amount of deferred tax assets is reviewed at the end of each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2025

## 4. Summary of material accounting policy information (cont'd)

### 4.25 Income tax (cont'd)

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realised based on the tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting date. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Group expects, at the end of the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Group intends to settle its current tax assets and liabilities on a net basis.

Current and deferred tax are recognised as an expense or income in profit or loss, except when they relate to items credited or debited outside profit or loss (either in other comprehensive income or directly in equity), in which case the tax is also recognised outside profit or loss (either in other comprehensive income or directly in equity, respectively), or where they arise from the initial accounting for a business combination. In the case of a business combination, the tax effect is taken into account in calculating goodwill or determining the excess of the acquirer's interest in the net fair value of the acquiree's identifiable assets, liabilities and contingent liabilities over cost.

In determining the amount of current and deferred tax, the Group takes into account the impact of uncertain tax positions and whether additional taxes and interest may be due. The Group believes that its accruals for tax liabilities are adequate for all open tax years based on its assessment of many factors, including interpretations of tax law and prior experience. This assessment relies on estimates and assumptions and may involve a series of judgements about future events. New information may become available that causes the Group to change its judgement regarding the adequacy of existing tax liabilities; such changes to tax liabilities will impact tax expense in the period that such a determination is made.

### 4.26 Discontinued operations

A discontinued operation is a component of the Group's business, the operations and cash flows of which can be clearly distinguished from the rest of the Group and which:

- represents a separate major line of business or geographical area of operations;
- is part of a single co-ordinated plan to dispose of a separate major line of business or geographical area of operations; or
- is a subsidiary acquired exclusively with a view to resale.

Classification as a discontinued operation occurs at the earlier of disposal or when the operation meets the criteria to be classified as held for sale. When an operation is classified as a discontinued operation, the comparative statement of profit or loss is re-presented as if the operation had been discontinued from the start of the comparative year.

### 4.27 Earnings per share

The Group presents basic and diluted earnings per share data for its ordinary shares. Basic earnings per share is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted-average number of ordinary shares outstanding during the year, adjusted for own shares held. Diluted earnings per share is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted-average number of ordinary shares outstanding, adjusted for own shares held, for the effects of all dilutive potential ordinary shares.

### 4.28 Segment reporting

An operating segment is a component of the Group that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Group's other components. All operating segments' operating results are reviewed regularly by the Group's CEO (the chief operating decision maker) to make decisions about resources to be allocated to the segment and to assess its performance, and for which discrete financial information is available.

Segment results that are reported to the Group's CEO include items directly attributable to a segment as well as those that can be allocated on a reasonable basis.

Segment capital expenditure is the total cost incurred during the year to acquire property, plant and equipment and investment properties.

### 4.29 Related parties

A related party is defined as follows:

- (a) A person or a close member of that person's family is related to the Group and Company if that person:
  - (i) has control or joint control over the Company;
  - (ii) has significant influence over the Company; or
  - (iii) is a member of the key management personnel of the Group or Company or of a parent of the Company.
- (b) An entity is related to the Group and the Company if any of the following conditions applies:
  - (i) the entity and the Company are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others);
  - (ii) one entity is an associate or joint venture of the other entity (or an associate or joint venture of a member of a group of which the other entity is a member);
  - (iii) both entities are joint ventures of the same third party;
  - (iv) one entity is a joint venture of a third entity and the other entity is an associate of the third entity;
  - (v) the entity is a post-employment benefit plan for the benefit of the employees of either the Company or an entity related to the Company (if the Company is itself such a plan, the sponsoring employers are also related to the Company);
  - (vi) the entity is controlled or jointly controlled by a person identified in (a);
  - (vii) a person identified in (a)(i) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity); or
  - (viii) the entity, or any member of a group of which it is a part, provides key management personnel services to the Company or to the parent of the Company.

## 4. Summary of material accounting policy information (cont'd)

### 4.30 Key management personnel

Key management personnel are those persons having the authority and responsibility for planning, directing and controlling the activities of the Group and the Company. Executive directors and certain senior managerial personnel are considered key management personnel.

### 4.31 Current and non-current classification

The Group presents assets and liabilities in the statement of financial position based on current or non-current classification. An asset is current when it is:

- expected to be realised or intended to be sold or consumed in the normal operating cycle;
- held primarily for the purpose of trading;
- expected to be realised within twelve months after the reporting period; or
- cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- it is expected to be settled in the normal operating cycle;
- it is held primarily for the purpose of trading;
- it is due to be settled within twelve months after the reporting period; or
- there is no right at the end of the reporting period to defer settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

### Reconciliation of non-cash transactions

#### The Group

During the financial year, the Group acquired property, plant and equipment of \$406,444 (2024 - \$349,681), of which \$Nil (2024 - \$137,354) were paid by way of cash, \$384,858 (2024 - \$212,327) were financed through leases, and \$21,586 (2024 - \$Nil) were the outstanding payables for leasehold properties acquired.

## 5. Property, plant and equipment (cont'd)

### Impairment test of property, plant and equipment

#### The Group

#### 31 December 2025

The management identified two cash generating units ("CGUs"), which are the property, plant and equipment of the Company and KCHK ("CGU 1") and the property, plant and equipment of the Company and HBCT ("CGU 2"). These CGUs independently generate cash inflows in the sales and distribution of kitchen system, kitchen appliances, wardrobe system, household furniture and appliances in Hong Kong, and in the sales and development of anti-aging biotechnology products in China.

The management undertook an annual review of the carrying amount of the property, plant and equipment to determine whether there is any indicator of impairment. Based on the review, the management identified that indicators of impairment exist in CGU 1 as the financial performance of CGU 1 was not meeting the expectations originally envisaged. As a result, the management measured the recoverable amount of CGU 1 being the higher of the value in use ("VIU") and fair value less costs of disposal ("FVLCD").

CGU 2 does not have indicators of impairment.

#### *Leasehold properties*

The VIU of CGU 1 is determined to be \$Nil as it incurred significant losses and is projected to continue having negative cash flows for the foreseeable future. Therefore, management assessed the VIU of the leasehold properties to be \$Nil.

The FVLCD was determined to be \$87,316, which approximates the carrying amount, considering:

- The rented property in Singapore and Hong Kong can be novated to a third party at its current rental rate; and
- The costs of engaging a property agent to find new tenant is estimated to be insignificant.

As the recoverable amount of CGU 1 approximates the carrying amount, no impairment loss was recognised in the Group's consolidated statement of profit or loss for the financial year ended 31 December 2025.

#### 31 December 2024

The management assessed the property, plant and equipment of the Group as CGU 1, which represents a group of assets that generates cash inflows in the sales and distribution of kitchen system, kitchen appliances, wardrobe system, household furniture and appliances in Hong Kong. The property, plant and equipment of the Company is assessed to be corporate assets allocated to CGU 1.

The management undertook an annual review of the carrying amount of the property, plant and equipment to determine whether there is any indicator of impairment. Based on the review, indicator of impairment was identified by the management as the financial performance of CGU 1 was not meeting the expectations originally envisaged. As a result, the management measured the recoverable amount of CGU 1 being the higher of the VIU and FVLCD.

### Impairment test of property, plant and equipment (cont'd)

#### The Group (cont'd)

31 December 2024 (cont'd)

#### Leasehold properties

The VIU of CGU 1 is determined to be \$Nil as it incurred significant losses and is projected to continue having negative cash flows for the foreseeable future. Therefore, management assessed the VIU of the leasehold properties to be \$Nil.

The FVLCD was determined to be \$150,297, which approximates the carrying amount, considering:

- The rented property in Singapore can be novated to a third party at its current rental rate; and
- The costs of engaging a property agent to find new tenant is estimated to be insignificant.

#### Office equipment and renovations

The VIU of CGU 1 is determined to be \$Nil as it incurred significant losses and is projected to continue having negative cash flows for the foreseeable future. Therefore, management assessed the VIU of the office equipment and renovation to be \$Nil.

The FVLCD is estimated to be insignificant, considering the office equipment are low value assets and the renovation is non-transferable, in which both of them have low resale value.

Based on the assessment, the recoverable amount of CGU 1 was determined to be \$Nil which was below the carrying amount. Accordingly, an impairment loss of \$103,348 was recognised in the Group's consolidated statement of profit or loss for the financial year ended 31 December 2024.

The Board of Directors and the Audit Committee of the Company have reviewed the profile of Fan, Chan & Co, Hong Kong and confirmed that they are satisfied that the appointment of different auditor for its significant foreign-incorporated subsidiary, KCHK, would not compromise the standard and effectiveness of the audit of the Group.

### Impairment test of investment in subsidiaries

- (a) Investment in KHL

The cost of investment in this subsidiary is HKD 1 equivalent to less than \$1 (2024 - HKD 1 equivalent to less than \$1).

- (b) Investment in SHPL

The cost of investment in this subsidiary is \$100,000 (2024 - \$100,000).

As at 31 December 2025 and 2024, SHPL is fully impaired. There is no reversal of impairment indicator as the entity's financial position as at 31 December 2025 and financial performance for the year ended 31 December 2025 has not improved.

- (c) Investment in HBCT

The cost of investment in this subsidiary is \$690,000 (2024 - \$Nil).

There is no impairment indicator as at 31 December 2025 as HBCT is in the initial stages of its business development and management has assessed this new business to be viable as regulatory approvals have been received for its products and sales are expected from 26 February 2026.

- (ii) Loan of \$4,000,000 (Note 31(e))

### 31 December 2025

The Group and the Company had unsecured loan from a director of \$2,900,000 with a maturity date on 30 June 2026. On 24 September 2025, the Group and Company have further drawn down \$1,100,000 of the loan from the director.

Fair value gain on loan of \$61,457 (Note 21) was recognised at the inception date when the loan was measured at fair value.

### 31 December 2024

On 27 March 2024, the Group and Company entered into a new loan agreement with a director for drawable amount up to \$4,000,000 with a maturity date on 26 September 2025. The Group and Company has utilised \$2,900,000 of the loan from a director as at 31 December 2024. The loan was renewed with a new maturity date on 30 June 2026.

- (iii) Loan of \$1,000,000 (Note 31(d))

### 31 December 2025

The Group and the Company had unsecured loan from third parties of \$1,000,000 with a maturity date on 30 June 2026.

### 31 December 2024

On 11 November 2024, the Group and Company entered into a new loan agreement with third parties of \$1,000,000. The maturity date is on 30 June 2026. Fair value gain on loan of \$126,611 (Note 21) was recognised at the inception date when the loan was measured at fair value.

- (iv) Loan of \$1,000,000 (Note 31(d))

### 31 December 2025

On 6 August 2025, the Group and Company entered into a new loan agreement with third parties of \$1,000,000. The maturity date is on 30 June 2026. The carrying amount of this loan is inclusive of accrued interest payable.

## 17. Borrowings (cont'd)

### Equity conversion option

The above loans contained an equity conversion option which enables the Company to convert the loans to ordinary shares of the Company upon resumption of trading of the shares of the Company. This equity conversion feature does not qualify as an equity instrument because the conversion term does not meet the "fixed-for-fixed" test, where the number of ordinary shares to be converted is not fixed and may vary with the changes in fair value of the ordinary shares of the Company.

The equity conversion option meets the definition of derivative financial instrument. The Group and the Company assessed that the fair value of the derivative financial instrument is insignificant as at 31 December 2025 and 2024.

<b>Point in time:</b>		
Contract liabilities - sales of goods	99,356	67,172
	<u>99,356</u>	<u>67,172</u>

Contract assets primarily relate to the Group's rights to consideration for work completed but not billed at the reporting date. Contract assets are transferred to trade receivables when the rights become unconditional. This usually occurs when the Group invoices the customer. Credit risk management policy is disclosed in Note 28(c)(iv).

Contract liabilities primarily relate to:

- advance consideration received from customers; and
- progress billings issued in excess of the Group's rights to the consideration.

The contract liabilities are recognised as revenue when the Group fulfils its performance obligation under contract when control of goods transfers to the customer.

# NOTES TO THE FINANCIAL STATEMENTS

- Construction contracts	-	91,659
- Sales of goods	67,172	60,388
	<u>67,172</u>	<u>152,047</u>

There is no revenue recognised in the current financial year from performance obligations satisfied in previous periods.

### (c) Transaction price allocated to the remaining performance obligations of construction contracts

The Group has no revenue from construction contracts expected to be recognised within the next financial year related to performance obligations that are unsatisfied (or partially satisfied) at the reporting date.

### (d) Contract costs recognised arising from costs to fulfil contracts

The Group has no contract costs in relation to costs to fulfil contracts with customers. Contract costs are amortised to profit or loss as cost of sales on a basis consistent with the pattern of recognition of the associated revenue.

Based on the Group's assessment, the expected costs to complete the remaining construction contracts at the reporting date were expected to be completely recovered through contract revenue, hence no expected loss was recognised during the financial year.

## 28. Financial instruments, financial risks and capital management (cont'd)

### (b) *Financial instruments subject to offsetting, enforceable master netting arrangements and similar agreements*

The Group and the Company do not have any financial instruments which are subject to offsetting, enforceable master netting arrangements or similar netting agreements.

### (c) *Financial risk management policies and objectives*

The Group is exposed to various financial risks arising from the normal course of business. It has adopted risk management policies and utilises a variety of techniques to manage its exposure to these risks. The Board of Directors has overall responsibility for the establishment and oversight of the Group's risk management framework. The Board with management is responsible for developing and monitoring the Group's risk management policies. The management reports regularly to the Board of Directors on its activities.

The Group does not hold nor issue derivative financial instruments.

There has been no change to the Group's exposure to these financial risks or the manner in which it manages and measures the risk. Market risk exposures are measured using sensitivity analysis indicated below.

#### (i) Foreign currency risk management

The Group is exposed to foreign currency risk on sales, purchases and borrowings that are denominated in a currency other than the respective functional currencies of the Group entities. Such significant foreign currencies include Singapore Dollar ("SGD") and Euro ("EUR"). The Group does not enter into any derivative financial investments to hedge this risk.

The Group uses natural hedges that arise from offsetting assets and liabilities that are denominated in foreign currencies.

At the reporting date, the carrying amounts of monetary assets (including trade and other receivables and cash and bank balances) and monetary liabilities (including trade and other payables) denominated in currencies other than the respective Group entities' functional currencies are as follows:

	The Group		The Company	
	31 December 2025	31 December 2024	31 December 2025	31 December 2024
	\$	\$	\$	\$
<b>Financial assets</b>				
EUR	-	5,794	-	-

#### Foreign currency sensitivity

The sensitivity analyses of the possible change in the relevant foreign currencies against the functional currency of each group entity are not represented as they are assessed to be insignificant to the Group's profit or loss for the financial years ended 31 December 2025 and 2024, respectively.

## 28. Financial instruments, financial risks and capital management (cont'd)

### (c) *Financial risk management policies and objectives (cont'd)*

#### (ii) Cash flow and fair value interest rate risk management

Cash flow interest rate risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Fair value interest rate risk is the risk that the fair value of a financial instrument will fluctuate due to changes in market interest rates. As the Group has no significant interest-bearing assets, the Group's income is substantially independent of changes in market interest rates.

The Group's policy is to maintain its borrowings in both fixed and variable rate instruments. The Group's exposure to interest rate risks arises mainly from non-current variable-rate borrowings. The Company's exposure to cash flow interest rate risks arises mainly from non-current borrowings at variable rates.

#### *Interest rate sensitivity*

The sensitivity analyses of the possible change in the market interest rates are not presented as the Group and the Company do not have variable rate instruments. As a result, a change in market interest rate would not affect profit or loss of the Group and the Company.

#### *Fair value sensitivity analysis for fixed rate instruments*

The Group does not account for any fixed rate financial assets and liabilities at fair value through profit or loss. Therefore, in respect of the fixed rate instruments, a change in interest rates at the reporting date would not affect profit or loss and equity.

#### (iii) Liquidity risk management

In the management of liquidity risk, the Group monitors and maintains a level of cash and bank balances deemed adequate by management to finance the Group's operations and mitigate the effects of fluctuations in cash flows. The Group achieves this mainly by managing its working capital very tightly and maintaining an adequate level of cash and bank balances.

#### *Liquidity risk analysis*

#### Non-derivative financial liabilities

The following table details the remaining contractual maturity for non-derivative financial liabilities. The table has been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Group and the Company can be required to pay. The table includes both interest and principal cash flows.

The adjustment column represents the possible future cash flows attributable to the instrument included in the maturity analysis which is not included in the carrying amount of the financial liability on the statements of financial position.

## 28. Financial instruments, financial risks and capital management (cont'd)

### (c) Financial risk management policies and objectives (cont'd)

#### (iv) Credit risk management

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Group. The Group has credit policies in place to mitigate the risk of financial loss from defaults. The Group does not require collateral in respect of trade and other receivables. The Group's exposure and the credit ratings of its counterparties are continuously monitored and the aggregate value of transactions concluded is spread amongst approved counterparties.

The Group's and the Company's cash and bank balances are held with creditworthy financial institutions.

Trade receivables consist of various customers spread across different geographical areas. Ongoing credit evaluation is performed on the financial condition of accounts receivable and, where appropriate, letters of credit will be obtained on the trade receivables.

The Group's customers are mainly property development main contractors, property developers and individuals. The Group's historical experience in the collection of accounts receivable fall within the recorded allowance for impairment. Due to these factors, management believe that no additional credit risk beyond the amounts provided for collection losses is inherent in the Group's trade receivables. The good credit history of these customers reduces the risk to the Group to an acceptable level.

The carrying amount of financial assets recorded in the financial statements, grossed up for any allowance for impairment, and the exposure to defaults from financial guarantees above, represents the Group's maximum exposure to credit risk without taking account of the value of any collateral obtained.

The Group and the Company determine concentration of credit risk by monitoring the country and business segment profile of its trade and other receivables on an ongoing basis. The maximum exposure to credit risk for trade and other receivables at the reporting date by geographic region was as follows:

	The Group		The Company	
	31 December 2025	31 December 2024	31 December 2025	31 December 2024
	\$	\$	\$	\$
<b>Trade and other receivables</b>				
Singapore	131,630	186,086	148,033	184,970
Hong Kong	27,976	40,087	-	-

	<b>204,789</b>	<b>226,173</b>	<b>148,033</b>	<b>184,970</b>

#### Trade receivables and contract assets

In measuring the expected credit losses, trade receivables and contract assets are grouped based on shared credit risk characteristics and days past due. The contract assets relate to unbilled work in progress, which have substantially the same risk characteristics as the trade receivables for the same type of contracts. The Group has therefore concluded that the expected loss rates for trade receivables are a reasonable approximation of the loss rates for the contract assets.

In calculating the expected credit loss rates, the Group considers historical loss rates for each category of customers and adjusts to reflect current and forward-looking macroeconomic factors affecting the ability of the customers to settle the receivables.

### (c) Financial risk management policies and objectives (cont'd)

#### (iv) Credit risk management (cont'd)

##### Trade receivables and contract assets (cont'd)

Trade receivables and contract assets are written off when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the Group. The Group considers a financial asset as in default if the counterparty fails to make contractual payments within 90 days when they fall due, and writes off the financial asset when a debtor fails to make contractual payments greater than 120 days past due. Where receivables are written off, the Group continues to engage in enforcement activity to attempt to recover the receivables due. Where recoveries are made, these are recognised in profit or loss.

At the reporting date, the Group has outstanding trade receivables from the top 3 customers (2024 - 3 customers) which represent 59% (2024 - 65%) of total trade and other receivables at the reporting date. Ongoing credit evaluation is performed on the financial condition of customers.

Movement in the allowance for impairment in respect of trade receivables during the year was as follows:

The Group	31 December 2025	31 December 2024
	\$	\$
At beginning of financial year	169,866	144,694

##### Other receivables (excluding prepayments)

The Group and the Company assessed the credit exposure of these receivables to be insignificant based on the historical default rates and measured the impairment losses based on 12-month expected loss basis, except for amount of \$18,856,702 (2024 - \$18,861,533) and \$23,142,670 (2024 - \$23,169,032) which are measured at an amount equal to lifetime ECLs.

#### (v) Determination of fair values

*Other financial assets and financial liabilities that are not carried at fair value but approximate to fair value*

The carrying amounts of cash and bank balances, trade and other receivables, trade and other payables and current borrowings approximate their respective fair values due to the relatively short-term maturity of these financial instruments. Non-current borrowings are initially measured at fair value of proceeds received using effective interest method. The fair values of other classes of financial assets and liabilities are disclosed in the respective notes to financial statements.

### (d) *Capital risk management policies and objectives*

The Group manages its capital to ensure that entities in the Group will be able to continue as a going concern, to maximise the return to stakeholders through the optimisation of the debt and equity balance, and to ensure externally imposed capital requirements are complied with.

The capital structure of the Group consists of paid up capital, reserves, accumulated losses and non-controlling interests.

The Group's management will review the capital structure periodically. As part of this review, management will consider the cost of capital and the risks associated with each class of capital. The Group will seek to balance its overall capital structure through the payment of dividends, issue of new shares, issue of new debt or the redemption of existing debt.

The Group's overall strategy remains unchanged from prior year.

## 30. Significant events (cont'd)

(b) The Company has on 14 July 2021 and 19 August 2021 received notices of compliance from the Singapore Exchange Regulation ("SGX RegCo"):

(i) The first NOC issued by SGX RegCo on 14 July 2021 required the Company's ARC to commission its Internal Auditor ("IA") to expand its scope of work (the "Additional Scope") to include, among others, looking into the circumstances that led to breaches and/or potential breaches of the Exchange's Catalist Rules as well as internal control weaknesses as stated in the IA's draft interim report ("Interim Report") which was mentioned in the Company's announcement dated 12 July 2021.

In December 2021, the ARC (by way of majority votes) has also mandated the IA to perform the following:

- Review the implementation status of the remedial steps taken by management to address the internal control weaknesses and potential lapses as stated in the Interim Report ("Follow-up Review"); and
- Perform certain Agreed Upon Procedures ("AUP") for the utilisation of proceeds up to 30 November 2021.

(ii) The second NOC issued by SGX RegCo on 19 August 2021 directed the Company to appoint a suitable independent special auditor ("Special Auditor") as recommended by the Company's continuing sponsor and approved by SGX RegCo. The second NOC superseded the instruction in the first NOC. The Special Audit must cover the following:

- Review the matters raised in the First NOC;
- Review the circumstances surrounding the payroll matter as disclosed below under (d), including but not limited to whether the payments were made in accordance with the respective employment contracts and whether proper approvals had been obtained for such payments;
- Review the circumstances surrounding the unauthorised transactions and assess if there were other unauthorised transactions in the past one (1) year;
- Review the Group's internal controls, processes and procedures in relation to due diligence performed on acquisitions and disposals in the past one (1) year;
- Review the Group's whistleblowing policies, processes and procedures and advise on whether such policies, processes and procedures are adequate and effective. In addition, the Special Auditor must review all whistleblowing reports received by the Company and/or its directors, assess whether internal policies, processes and procedures have been adhered to, whether issues brought up by the whistleblower(s) have been robustly investigated into by non-conflicted persons and addressed in the process;
- Where internal control weaknesses are noted by the IA (in its Interim Report prior to the issue of the second NOC) and the Special Auditor, the Special Auditor must make recommendations on enhancements to ensure adequacy and effectiveness of the internal controls going forward; and
- Where breaches/potential breaches of the Exchange's Catalist Rules, laws or regulations are noted, the Special Auditor must set out clearly the circumstances that led to the breaches and / or potential breaches as well as the parties responsible.

The Special Auditor reports only and directly to SGX RegCo and the Company's continuing sponsor.

## 30. Significant events (cont'd)

- (c) On 23 March 2022, the ARC received the Follow-up Review Report and AUP Report issued by the IA in connection with the utilisation of proceeds up to 30 November 2021. These Follow-up Review Report and AUP Report had been shared by the management with the Special Auditor on 31 March 2022 for their information.

Following the release of the Follow Up Review Report, the management revised the draft Policies, Procedures and Delegation of Authority manual for the ARC's review and recommendation to the Board for Board's approval. In addition, the Board will continue to monitor Management's ongoing implementation of the recommendations raised in the Interim Report and the Follow Up Report.

Following the release of AUP Report, there were certain unmatched expenses items reported by the IA in connection with the utilisation of proceeds up to 30 November 2021. The Management was in the midst of conducting further analysis and investigations of the "unmatched" items quantified in the AUP Report in order to assess the accuracy of (i) the allocated amounts, the utilised amounts and the remaining balance of the proceeds, and (ii) the breakdown of the use of proceeds up to 30 November 2021.

The Company had subsequently provided multiple announcements on the information of the use of proceeds. On 19 October 2022, the Company further announced that, pending the finalisation of the Special Audit, the Board provided an update on the use of net proceeds raised to 30 September 2022, where the proceeds utilised has been further broken down into 5 separate time periods, (a) up to 7 July 2021, (b) from 8 July 2021 to 30 November 2021, (c) from 1 December 2021 to 31 March 2022, (d) from 1 April 2022 to 31 July 2022, and (e) from 1 August 2022 to 30 September 2022, for the purposes of identifying the amounts of proceeds that were utilised by the Group during the respective periods in which Mr Lim Wee Li (former CEO of the Company) and Mr Lincoln Teo Choong Han (former Interim CEO of the Company), were respectively principally responsible for the management and conduct of the business of the Group during the period under review in the AUP Report, where Mr Lim Wee Li ceased to be the CEO of the Company on 7 July 2021, and Mr Lincoln Teo Choong Han was appointed as Interim CEO of the Company on 8 July 2021 and ceased to be the Interim CEO of the Company on 15 July 2022.

- (d) On 21 July 2023, the Special Auditor issued the first phase of the Special Audit, which covered the auditing findings of Payroll Matter and Unauthorised Transaction.

- Payroll Matter

This is in respect of suspected payroll irregularities of \$520,000 arising from the past employment of two foreign nationals by its subsidiary, KHL Marketing Asia-Pacific Pte Ltd ("KHLM"). The Special Auditor was unable to independently verify whether the two former employees were meaningfully employed by KHLM. Based on the available evidence, it appeared that Mr Lim Wee Li had directed the said employment for the purpose of securing employment passes in exchange for monetary benefits, which may be a contravention of Sections 22 and 23 of the Employment of Foreign Manpower Act. Additionally, the Special Auditor also noted that the employment and determination of their compensation appeared to lack justification, and the hiring and termination process departed from the Group's policy and practice.

- Unauthorised Transaction

This is in respect of transfer of the Company's fund of US\$480,010 carried out by Mr Lincoln Teo Choon Han without the requisite approval of the Board of the Company. The Special Auditor uncovered a total of five agreements that Mr Lincoln Teo Choon Han had executed on behalf of the Company's wholly-owned subsidiary, KC Technologies Pte Ltd ("KC Technologies") without obtaining approval from the Board of the Company. Under the agreements, KC Technologies and Sino Allied (HK) Limited ("Sino Allied") were to jointly set up a structured finance scheme for one year, to support Amazon's e-commerce merchants with their collective procurements. KC Technologies was to fund 80% (US\$480,000) of the total investment amount (US\$600,000) and Sino Allied was to fund the remaining 20% (US\$120,000). It was not in the Group's ordinary course of business to provide such financing. The Group had since terminated the financing business and recovered monies extended in relation to the Unauthorised Transaction and its corresponding interest pursuant to the agreements on 14 October 2021.

## 30. Significant events (cont'd)

(d) (cont'd)

Arising from the above issues surrounding the Payroll Matter and Unauthorised Transaction, the Special Auditor highlighted potential listing rule breaches relating to internal control lapses involving the Company's hiring processes and new investment proposals, potential breaches of the Employment of Foreign Manpower Act and Ministry of Manpower guidelines, as well as potential contravention of directors' fiduciary duties under Section 157 of the Companies Act.

On 29 August 2025, Phase 2 of the Special Audit mentioned under Note 30(b)(ii) in connection with the internal control weaknesses identified by the IA in its Interim Report, Follow-Up Review Report and AUP Report has been finalised. SGX RegCo has reviewed the special audit report and issued SGX Regulatory Statement dated 29 August 2025. The Special Audit highlighted various internal control weakness, including the lack of procedures on the allocation utilisation and reporting of the use of proceeds at material times, and potential breaches of certain SGX Catalist Rules, and relevant laws and regulations. As a result, SGX RegCo has directed the Company to rectify these weaknesses and obtain independent assurance on the adequacy and effectiveness of its internal controls from IA.

On 23 January 2026, the Company has received formal legal advice from Covenant Chambers LLC in relation to the findings as set out in the Phase 2 Special Audit Report ("Legal Recommendations") on 22 January 2026, as mentioned under Note 30(b)(ii). Pursuant to the Legal Recommendations, the Company intends to take immediate remedial actions including, *inter alia*, the issuance of letters of demand to certain relevant parties to seek explanations to certain findings set out in the Phase 2 Special Audit Report and, following which and where applicable, to recover of any potential improper gains and/or excessive fees that may have been paid. In addition, the Company intends to report the relevant matters to the appropriate authorities, including the Commercial Affairs Department and the Corrupt Practices Investigation Bureau for further investigations.

Following the conclusion of the Special Audit, the Board will work closely with the Company's continuing sponsor to submit a resumption of trading proposal to the SGX RegCo as and when appropriate and will continue to take all necessary actions in the best interests of the Shareholders and the Company.

(e) On 26 June 2023, the Company entered into a loan agreement with Asian Accounts Receivable Exchange Pte Ltd for an interest-free loan of \$4,000,000 with a maturity period of one year. On 27 March 2024, the Company renewed the loan with a new maturity date on 26 September 2025. On 11 November 2024, the Company further renewed the loan with a new maturity date on 30 June 2026.

On 27 March 2024, the Company entered into a loan agreement with a director of the Company for an interest-free loan of \$4,000,000 with a maturity date on 26 September 2025. On 11 November 2024, the Company renewed the loan with a new maturity date on 30 June 2026.

(f) On 8 October 2024, the Company incorporated a wholly-owned subsidiary, Hainan Blue Code Biotechnology Co., Ltd. (formerly known as Beijing Blue Code Biotechnology Co., Ltd.) in the People's Republic of China, and the said subsidiary has commenced its anti-aging biotechnology operations.

(g) On 11 November 2024, the Company entered into four separate redeemable loan agreements with (a) Mr Chee Tuck Hong, (b) Ms Elizabeth Widjaja, (c) Mr Tan Kee Tuan, and (d) Mr Chan Lung Tin for an interest-free loan of an aggregate principal sum of \$1,000,000 with a maturity date on 30 June 2026.

(h) On 6 August 2025, the Company entered into four separate redeemable loan agreements with (a) Mr Tan Kooi Jin, (b) Mr Chiang Siew Kay, (c) Mr Pok Soy Yoong, and (d) Mr Tan Wai Boon for a loan of an aggregate principal sum of \$1,000,000 with an interest rate of 8% per annum. The maturity date is on 30 June 2026.

## AS ORDINARY BUSINESS

1. To receive and adopt the audited financial statements of the Company for the financial year ended 31 December 2025 ("**FY2025**") together with the directors' statement and the auditor's report thereon. **(Resolution 1)**
2. To re-elect Mdm Hao Dongting, a director of the Company ("**Director**") retiring pursuant to Regulation 107 of the Company's Constitution. *(see explanatory note 1)* **(Resolution 2)**
3. To note the retirement of Mr Tan Meng Shern. *(see explanatory note 2)*
4. To note the retirement of Mr Yap Koon Loong. *(see explanatory note 3)*
5. To approve the payment of directors' fees up to S\$250,000 for the financial year ending 31 December 2026 ("**FY2026**"), payable quarterly in arrears (FY2025: up to S\$250,000). **(Resolution 3)**
6. To re-appoint Messrs Foo Kon Tan LLP as the external auditors of the Company and to authorise the Directors to fix their remuneration. **(Resolution 4)**

## AS SPECIAL BUSINESS

To consider and, if thought fit, to pass the following resolution (with or without amendments) as Ordinary Resolution:

7. That pursuant to Section 161 of the Companies Act 1967 of Singapore ("**Companies Act**") and Rule 806 of the Listing Manual Section B: Rules of Catalist of the Singapore Exchange Securities Trading Limited ("**SGX-ST**") ("**Catalist Rules**"), the Directors be authorised and empowered to:
  - (a) (i) allot and issue shares in the capital of the Company ("**Shares**") whether by way of rights, bonus or otherwise; and/or
  - (ii) make or grant offers, agreements or options (collectively, "**Instruments**") that might or would require Shares to be issued, including but not limited to the creation and issue of (as well as adjustments to) options, warrants, debentures or other instruments convertible into Shares,  
  
at any time and upon such terms and conditions and for such purposes and to such persons as the Directors may at their absolute discretion deem fit; and
- (b) (notwithstanding the authority conferred by this Resolution may have ceased to be in force) issue Shares in pursuance of any Instruments made or granted by the Directors while this Resolution was in force,

# NOTICE OF ANNUAL GENERAL MEETING

provided that:

- (1) the aggregate number of Shares (including Shares to be issued in pursuance of the Instruments made or granted pursuant to this Resolution) to be issued pursuant to this Resolution does not exceed 100% of the total number of issued Shares (excluding treasury shares and subsidiary holdings, if any) (as calculated in accordance with sub-paragraph (2) below), of which the aggregate number of Shares (including Shares to be issued in pursuance of Instruments made or granted pursuant to this Resolution) to be issued other than on a *pro rata* basis to existing shareholders of the Company does not exceed 50% of the total number of issued Shares (excluding treasury shares and subsidiary holdings, if any) (as calculated in accordance with sub-paragraph (2) below);
- (2) (subject to such manner of calculation as may be prescribed by the SGX-ST) for the purpose of determining the aggregate number of Shares that may be issued under sub-paragraph (1) above, the total number of issued Shares (excluding treasury shares and subsidiary holdings, if any) shall be based on the total number of issued Shares (excluding treasury shares and subsidiary holdings, if any) at the time this Resolution is passed, after adjusting for:
  - (a) new Shares arising from the conversion or exercise of convertible securities;
  - (b) new Shares arising from exercising of share options or vesting of share awards, provided the options or awards were granted in compliance with Part VIII of Chapter 8 of the Catalist Rules; and
  - (c) any subsequent bonus issue, consolidation or subdivision of Shares.

Adjustments in accordance with sub-paragraphs (2)(a) and (2)(b) above are only to be made in respect of new Shares arising from convertible securities, share options or share awards which were issued and outstanding or subsisting at the time of the passing of this Resolution;

- (3) in exercising the authority conferred by this Resolution, the Company shall comply with the provisions of the Catalist Rules for the time being in force (unless such compliance has been waived by the SGX-ST), the Companies Act and the Constitution for the time being of the Company; and
- (4) (unless revoked or varied by the Company at a general meeting) the authority conferred by this Resolution shall continue in force until the conclusion of the next AGM of the Company or the date by which the next AGM of the Company is required by law to be held, whichever is the earlier.

(see explanatory note 4)

8. To transact any other business that may be properly transacted at an AGM of the Company.

## BY ORDER OF THE BOARD

**Ms Tan Swee Gek**  
Company Secretary  
15 April 2026

# NOTICE OF ANNUAL GENERAL MEETING

## Explanatory Notes:

1. Mdm Hao Dongting will, upon re-election as a Director, remain as the Executive Chairperson of the Company. Please refer to the "Information on Directors Seeking Re-Election" section of the annual report for FY2025 of the Company for the detailed information required pursuant to Rule 720(5) of the Catalist Rules.
2. Mr Tan Meng Shern, will not be seeking re-election and will retire as a Director at the conclusion of the AGM of the Company. Mr Tan Meng Shern shall, upon his retirement as an Independent Director of the Company, cease to be the Chairman of the Nominating Committee, as well as a member of the Audit Committee, Remuneration Committee and the Board Risk Committee at the conclusion of the AGM.
3. Mr Yap Koon Loong, will not be seeking re-election and will retire as a Director at the conclusion of the AGM of the Company. Mr Yap Koon Loong shall, upon his retirement as a Director, cease to be an Executive Director of the Company.
4. The Ordinary Resolution 5 proposed in item 7 above, if passed, will empower the Directors, from the date of the AGM until the conclusion of the next AGM of the Company, the date by which the next AGM of the Company is required by law and the Catalist Rules to be held or the date on which such authority is varied or revoked by the Company at a general meeting, whichever is earliest, to issue Shares, make or grant Instruments convertible into Shares and to issue Shares pursuant to such Instruments, up to a number not exceeding, in total, 100% of the total number of issued Shares (excluding treasury shares and subsidiary holdings, if any), of which up to 50% may be issued other than on a pro-rata basis to existing shareholders of the Company.

## Notes:

- 1) The members of the Company are invited to attend physically at the annual general meeting of the Company (the "**Meeting**" or "**AGM**"). There will be no option for members to participate virtually. This Notice of AGM and together with the accompanying instrument appointing a proxy or proxies ("**Proxy Form**") and the request form for a printed copy of the annual report for FY2025 will be despatched to members by post. A printed copy of the annual report for FY2025 will only be despatched to the members upon submission of the request form by the members. Members may access the Notice of AGM, the Proxy Form, the request form and the annual report for FY2025 from the SGXNet at the URL <https://www.sgx.com/securities/company-announcements> or the Company's corporate website at the URL <https://www.sdai.com.sg>.
- 2) Shareholders (including Supplementary Retirement Scheme investors ("**SRS Investors**")) may participate in the AGM by (a) attending the AGM in person; (b) submitting questions to the Chairman of the Meeting in advance of, or at, the AGM; and/or (c) voting at the AGM (i) themselves personally or (ii) through their duly appointed proxy(ies). For the avoidance of doubt, SRS Investors will not be able to appoint third-party proxy(ies) (i.e. persons other than the Chairman of the Meeting) to attend, speak and/or vote at the AGM on their behalf.
- 3) SRS Investors (a) may vote at the AGM if they are appointed as proxies by their respective SRS Operators, and should contact their respective SRS Operators if they have any queries regarding their appointment as proxies; or (b) may request their respective SRS Operators to appoint the Chairman of the Meeting as their proxy in respect of their Shares held by such SRS Operators to vote on their behalf at the AGM, in either case they should approach their respective SRS Operators at least seven (7) working days prior to the date of the AGM, i.e. by 5.00 p.m. (Singapore Time) on 20 April 2026.
- 4) Shareholders (including SRS Investors) can submit questions in advance of, or at the AGM. Shareholders (including SRS Investors) can submit substantial and relevant questions related to the ordinary resolutions to be tabled for approval at the AGM to the Chairman of the Meeting, in advance of the AGM, in the following manner:
  - (a) by post to the Share Registrar of the Company, **In.Corp Corporate Services Pte. Ltd., at 36 Robinson Road, City House #20-01, Singapore 068877**; or
  - (b) if submitted electronically, be submitted via email to [shareregistry@incorp.asia](mailto:shareregistry@incorp.asia).

# NOTICE OF ANNUAL GENERAL MEETING

Shareholders who submit questions via email or by post must provide the Company with the following details:

- the Shareholder's full name;
- the Shareholder's address;
- the Shareholder's contact number and/or email address; and
- the manner in which the Shareholder holds shares in the Company (e.g., via CDP, SRS and/or scrip).

The Company will not be able to answer questions from persons who provide insufficient details to enable the Company to verify his/her/its shareholder status.

- 5) All questions submitted in advance of the AGM via any of the channels as mentioned under Note 4 above must be received by the Company by 5.00 p.m. (Singapore Time) on 23 April 2026 ("**Cut-Off Time**"). Shareholders (including SRS Investors) and (where applicable) duly appointed proxy(ies) can also ask the Chairman of the Meeting substantial and relevant questions related to the ordinary resolutions to be tabled for approval at the AGM itself.
- 6) The Company will endeavour to address all substantial and relevant questions related to the ordinary resolutions to be tabled for approval at the AGM received from Shareholders by the Cut-Off Time, by publishing its responses to such questions on the SGXNet at the URL <https://www.sgx.com/securities/company-announcements> and the Company's corporate website at the URL <https://www.sdai.com.sg> by 2.00 p.m. (Singapore Time) on 25 April 2026, i.e. forty-eight (48) hours prior to the deadline for the submission of instruments appointing a proxy(ies). The Company will also address any subsequent clarifications sought or follow-up questions (which are related to the ordinary resolutions to be tabled for approval at the AGM) received after the Cut-Off Time which have not already been addressed prior to the AGM, as well as those substantial and relevant questions received at the AGM, at the AGM itself. Where substantially similar questions are received, the Company will consolidate such questions, and consequently, not all questions may be individually addressed.
- 7) The Company will publish the minutes of the AGM on the SGXNet within one (1) month from the date of the AGM, and the minutes will include the responses to substantial and relevant questions from Shareholders which are addressed during the AGM.
- 8) Except for a member who is a relevant intermediary as defined under Section 181(6) of the Companies Act, a member is normally entitled to appoint not more than two (2) proxies to participate and vote at the AGM. Where such member appoints more than one (1) proxy, the proportion of his concerned shareholder to be represented by each proxy shall be specified in the Proxy Form. If no proportion is specified, the Company shall be entitled to treat the first named proxy as representing the entire number of Shares held by the member and any second named proxy as an alternate to the first named.
- 9) Pursuant to Section 181(1C) of the Companies Act, any member who is a relevant intermediary is entitled to appoint more than two (2) proxies to participate in the AGM, but each proxy must be appointed to exercise the rights attached to a different Share or Shares held by such member. Where such member appoints more than two (2) proxies, the number and class of Shares in relation to which each proxy has been appointed shall be specified in the Proxy Form.
- 10) Persons who hold the Shares through relevant intermediaries, other than SRS Investors, and who wish to participate in the AGM by: (a) attending the AGM in person; (b) submitting questions to the Chairman of the Meeting in advance of, or at, the AGM; and/or (c) voting at the AGM (i) themselves personally or (ii) by appointing the Chairman of the Meeting as proxy in respect of their Shares held by such relevant intermediaries on their behalf, should contact the relevant intermediary through which they hold such Shares as soon as possible and in any event, at least seven (7) working days prior to the date of the AGM, i.e. by 20 April 2026 in order for the necessary arrangements to be made for their participation in the AGM.
- 11) A proxy need not be a member of the Company.
- 12) A member can appoint the Chairman of the Meeting as his/her/its proxy, but this is not mandatory. If a member wishes to appoint the Chairman of the Meeting as proxy, such member (whether individual or corporate) must give specific instructions as to voting for, voting against, or abstentions from voting on, each resolution in the instrument appointing the Chairman of the Meeting as proxy. If no specific direction as to voting is given or in the event of any other matter arising at the Meeting and at any adjournment thereof, the appointment of the Chairman of the Meeting as proxy for that resolution will be treated as invalid.

# NOTICE OF ANNUAL GENERAL MEETING

- 13) All voting will be carried out by way of a poll.
- 14) The duly executed Proxy Form must be submitted to the Company in the following manner:
  - (a) by post to the Share Registrar of the Company, **In.Corp Corporate Services Pte. Ltd., at 36 Robinson Road, City House #20-01, Singapore 068877**; or
  - (b) if submitted electronically, be submitted via email to [shareregistry@incorp.asia](mailto:shareregistry@incorp.asia),  
in any case no later than seventy-two (72) hours before the time and date fixed for the AGM, being 2.00 p.m. (Singapore Time) on 27 April 2026, and failing which, the Proxy Form will not be treated as valid.
- 15) The instrument appointing a proxy(ies) must be signed by the appointer or his attorney duly authorised in writing. Where the instrument appointing a proxy(ies) is executed by a corporation, it must be executed either under its common seal or under the hand of any officer or attorney duly authorised. A copy of the power of attorney or such other authority must be submitted together with the instrument appointing a proxy(ies).
- 16) The Company shall be entitled to reject the instrument appointing a proxy(ies) if it is incomplete, improperly completed, illegible or where the true intentions of the appointor are not ascertainable from the instructions of the appointor specified in the instrument appointing a proxy(ies).
- 17) Completion and submission of the instrument appointing a proxy(ies) by a Shareholder will not prevent him/her from attending, speaking and voting at the AGM if he/she so wishes. The appointment of the proxy(ies) for the AGM will be deemed to be revoked if the Shareholder attends the AGM in person, and in such event, the Company reserves the right to refuse to admit any person or persons appointed under the relevant instrument appointing a proxy(ies) to the AGM.
- 18) A Depositor's name must appear in the Depository Register (as defined in Section 81SF of the Securities and Futures Act 2001 of Singapore) maintained by The Central Depository (Pte) Limited not later than seventy-two (72) hours before the time set for the AGM for the Depositor to be entitled to attend, speak and vote at the AGM.

## Personal Data Privacy:

By submitting an instrument appointing a proxy(ies) and/or representative(s) to attend, speak and vote at the AGM and/or any adjournment thereof, a member of the Company: (i) consents to the collection, use and disclosure of the member's personal data by the Company (or its agents or service providers) for the purpose of the processing and administration by the Company (or its agents or service providers) of proxies and representatives appointed for the AGM (including any adjournment thereof) and the preparation and compilation of the attendance lists, minutes and other documents relating to the AGM (including any adjournment thereof), and in order for the Company (or its agents or service providers) to comply with any applicable laws, listing rules, regulations and/or guidelines (collectively, the "**Purposes**"); (ii) warrants that where the member discloses the personal data of the member's proxy(ies) and/or representative(s) to the Company (or its agents or service providers), the member has obtained the prior consent of such proxy(ies) and/or representative(s) for the collection, use and disclosure by the Company (or its agents or service providers) of the personal data of such proxy(ies) and/or representative(s) for the Purposes; and (iii) agrees that the member will indemnify the Company in respect of any penalties, liabilities, claims, demands, losses and damages as a result of the member's breach of warranty.

Photographic, sound and/or video recordings of the AGM may be made by the Company for record keeping and to ensure the accuracy of the minutes prepared for the AGM. Accordingly, the member's personal data and/or representative's personal data may be disclosed or transferred by the Company to its subsidiaries, its share registrar and/or other agents or bodies for any of the abovementioned purposes and retained for such period as may be necessary for the Company's verification and record purposes.

## NOTES FOR PROXY FORM

1. For this AGM, members of the Company (including relevant intermediaries) may vote by way of this Proxy Form appointing the Chairman of the Meeting to vote in accordance with the Proxy Form or by their duly appointed proxy(ies) as set out in the Notice of AGM.
2. Please insert the total number of shares held by you: (a) if you have shares entered against your name in the Depository Register (as defined in Section 81SF of the Securities and Futures Act 2001 of Singapore), you should insert that number; (b) if you have shares registered in your name in the Register of Members of the Company, you should insert that number; and (c) if you have shares entered against your name in the Depository Register and shares registered in your name in the Register of Members of the Company, you should insert the aggregate of the numbers. If no number is inserted, this Proxy Form shall be deemed to relate to all the shares held by you.
3. A member who is not a relevant intermediary is entitled to appoint not more than two (2) proxies. Where such member's instrument appointing a proxy(ies) appoints more than one (1) proxy, the proportion of the shareholding concerned to be represented by each proxy shall be specified in the instrument. If no proportion is specified, the Company shall be entitled to treat the first named proxy as representing the entire number of shares held by the member and any second named proxy as an alternate to the first named.
4. A member who is a relevant intermediary is entitled to appoint more than two (2) proxies, but each proxy must be appointed to exercise the rights attached to a different share or shares held by such member. Where such member's instrument appointing a proxy(ies) appoints more than two (2) proxies, the number and class of shares in relation to which each proxy has been appointed shall be specified in the instrument.
5. "Relevant intermediary" has the meaning ascribed to it in Section 181(6) of the Companies Act 1967 of Singapore.
6. A proxy need not be a member of the Company.
7. The instrument appointing a proxy(ies) must be signed under the hand of the appointor or of his/her attorney duly authorised in writing. Where the instrument appointing a proxy(ies) is executed by a corporation, it must be executed either under its common seal or under the hand of its attorney or a duly authorised officer. A copy of the power of attorney or such other authority must be submitted together with the instrument appointing a proxy(ies), failing which this Proxy Form may be treated as invalid.
8. The Proxy Form, duly executed, must be submitted to the Company in the following manner:
  - (a) by post to the Share Registrar of the Company, **In.Corp Corporate Services Pte. Ltd., at 36 Robinson Road, City House #20-01, Singapore 068877**; or
  - (b) if submitted electronically, be submitted via email to [shareregistry@incorp.asia](mailto:shareregistry@incorp.asia),in any case no later than seventy-two (72) hours before the time and date of the AGM, being 2.00 p.m. (Singapore Time) on 27 April 2026, and failing which, the Proxy Form will not be treated as valid.
9. By submitting this Proxy Form, a member accepts and agrees to the personal data privacy terms set out in the Notice of AGM dated 15 April 2026.
10. The Company shall be entitled to reject the instrument appointing proxy(ies) if it is incomplete, improperly completed or illegible or where the true intentions of the appointor are not ascertainable from the instructions of the appointor specified in the instrument appointing proxy(ies). In addition, in the case of shares entered in the Depository Register, the Company may reject any instrument appointing proxy(ies) lodged if such members are not shown to have shares entered against their names in the Depository Register as at seventy-two (72) hours before the time appointed for holding the AGM of the Company as certified by The Central Depository (Pte) Limited to the Company.

## PERSONAL DATA PRIVACY:

By submitting an instrument appointing a proxy(ies), the member accepts and agrees to the personal data privacy terms set out in the Notice of AGM dated 15 April 2026.
